### IX. TOURNAMENT POLICIES

A) State Final Ticket Distribution Policy: Ticket Sales for State Final Qualifiers: Each qualifier in the State Final meet will be permitted to purchase two (2) Swim Events tickets per swim qualifier, plus one alternate (if they qualify a relay team). Students who are competing in the Students with physical/visual disabilities will be able to purchase 2 Swim event tickets. In addition, after meet management has determined the number of spectator tickets to be distributed to qualifiers, meet management will determine if extra spectator tickets are available. If so, then all schools that have qualified at least one individual for the state finals will be allowed to purchase additional Swim Event tickets as meet management deems appropriate based on the venue’s capacity. If meet management determines that additional swim tickets will be granted, then teams who have qualified at least one relay will be granted one (1) more additional ticket than those teams who only had qualifiers in individual events if meet management determines that this will be within the venue capacity. Information pertaining to spectator ticket-distribution will be posted on the IHSA Swimming & Diving webpage following the sectional meet.

B) Participant Passes for the State Final: At the State Final meet, a participant pass will be issued to each girl/boy who qualifies for the State Final meet for both the able-bodied swimming and diving program and the events for students with physical/visual disabilities. Schools that qualify at least one relay will be provided one additional deck pass to be given to the single relay alternate determined by the school. In addition, for those schools that have qualifiers for the State Final meet, for

both the able-bodied swimming and diving program and the events for students with physical/visual disabilities, qualified coaches, who are listed on the school’s Online List of Participants, shall be issued a coaches wristband with the following formula:

#### Coaches Wristbands Policy

- 1-5 Qualifiers = Two (2) Coaches’ wristbands
- 6-10 Qualifiers = Three (3) Coaches’ wristbands
- 11 or more Qualifiers = Four (4) Coaches’ wristbands

Note 1: Managers or Rub Down personnel will not receive a participant pass.

Note 2: Participant and coach passes shall not be transferable and shall entitle those persons who receive participant passes only to the seating assignment in the pool deck area. IHSA has the authority to revoke a participant and/or coach’s wristband at any time. Certified coaches who are listed on the Online List of Participants will be issued a coach’s wristband (in accordance with the above formula). However, those coaches must meet all IHSA Coaching By-law Requirements and its subsections (By-law 2.070). Coaches who do not meet By-law 2.070 are not eligible and cannot be entered on the Online List of Participants and are not eligible to receive a wristband. Only legitimate coaches and authorized meet personnel who have been issued wristbands and stamped contestants shall be allowed on the pool deck at the Sectional and State Final meet.

C) Coaches Wristbands: To ensure that only approved personnel are on the pool deck, meet management and/or IHSA officials will secure the required wristband on coaches as they enter the facility. Only Coaches listed on the List of Participants for the participating school through the IHSA Schools Center (who has been identified how they are certified to coach, has completed/passed their PES and the Concussion Risk Management program and Hate Speech/Harassment Video) will be issued a coach’s wristband. Any wristband that appears to be tampered with at any time during the championship will be confiscated and the individual in possession will not be allowed entrance without the purchase of a ticket. If no tickets are available for purchase the individual will not be allowed admittance. There have been numerous instances in past years involving coaches providing an extra coach’s band to individuals other than the certified coach for which the band was approved and intended. Schools involved in the transfer of coaches’ bands will have themselves and their program placed on probation for the following year.

The IHSA will eliminate the diving coach’s wristband from the number of allowable coach’s wristbands as calculated by the number of qualifying swimmers and divers.
