How Pairings are Determined

Seeding shall occur only at the lowest level of grouping, and therefore, neither the super-sectionals nor the state final shall be seeded.

In Class 1A and 2A, all state series shall begin with sub-sectionals. A sub-sectional is a grouping of two geographic regionals.

In Class 3A and 4A, all state series shall begin with sectional complexes. In sectional groupings where excessive travel is a factor, geographic sub-sectionals may be used at the discretion of the IHSAA Administrator.

In grouping and seeding a sectional complex, true seeds shall be used to populate the brackets except in cases where a conflict arises with pre-determined regional hosts. (For example, if the #1 and #8 seeds are both regional hosts, they cannot be assigned to the same regional and an adjustment must be made.)

In grouping and seeding a sub-sectional, only the top four seeds shall be separated. Seeds #1 and #4 shall be assigned to the same regional unless there is a hosting conflict, in which case seeds #1 and #3 shall be assigned to the same regional. The remaining schools shall be assigned to the regionals based on geographic proximity and paired according to their seeds.

In pairing the sectional semi-final round containing sub-sectionals, the regional from sub-sectional A containing the #1 seed shall be paired with the regional of sub-sectional B containing the #2 seed, and vice versa, except for the southernmost sectional in Class 4A, where the two regionals in each sub-sectional shall be paired with each other.

In pairing the sectional complexes, the sectional tournament shall be set up so that the semi-finals will pair the winners of the regionals with the numbers 1 & 4 seeds in one game, and the winners of the regionals with the numbers 2 & 3 seeds in the other game.

In all classes of bracketed team sports, the Executive Director is authorized to modify the state series brackets to accommodate unique travel situations.

Super-Sectionals: Correlated sectionals are assigned to send winners to pre-selected super-sectional sites based on geography.

State Final: By blind draw in IHSAA Office.
