**TERMS AND CONDITIONS RECOMMENDATIONS:**

**1. Item VIII. Tournament Rules A. 1)**

**Recommendation:** The higher seeded team in each Regional and Sectional game shall be the home team and shall bat last. If in a Sectional that uses the Sub-Sectional format, the teams both have the same seed, the home team will be determined by a coin toss. The bottom team on the bracket will call the toss.

**Rationale:** In the Sub-Sectional format, the possibility exists that two teams could have the same seed. Therefore, we need to determine the home team by a coin toss, similar to the format we use in the Super Sectional and State Final games.

Died for Lack of Motion

**2. Item VIII. Tournament Rules B. 2)**

**Recommendation:** The game shall end when the visiting team is behind by 15 or more runs after 3 ½ innings, or if the home team is behind by 15 or more runs after 4 innings.

**Rationale:** When postseason games are a significant mismatch, especially early in the Regional, the game will end when one team is ahead by 15 or more runs after either 3½ or 4 innings. The 10-run rule will still be in effect after either 4½ or 5 innings.

### 3. Item VIII. Tournament Rules E. 6) & F. 4)

**Recommendation:** The local manager shall keep the IHSA informed during bad weather. If play cannot continue at the host site, any playable site can be used to complete play, with IHSA approval.

**Rationale:** Host schools need to communicate any changes in game location to the IHSA. The IHSA needs to ensure that both participating teams approve of the site change, in order to avoid providing an advantage to one of the participating teams.
