General Manager Instructions

1. AIMS

It is a goal of the IHSA staff and the Board of Directors to conduct outstanding state championships in boys and girls basketball. The tournaments, sponsored by the Association and hosted by member schools, are some of the most significant events of the entire school year. Thank you for your contributions to this year's version of MARCH MADNESS! We look forward to an exciting state tournament series.

2. TOURNAMENT PLANS

The Local Manager should develop a tournament calendar, from the time of host site selection through the sending of his/her final report to the IHSA Office. The Local Manager should organize the dates on which certain tasks must be accomplished, i.e. local media interviews, volunteer/staff meetings, "Instructions to Competing Schools" mailings, printing programs, ticket sales, etc.. A calendar will help you maintain efficiency in your planning and enable to you complete tasks in advance of the tournament. The administrative and financial success of a tournament is often dependent upon the smooth operation of the series.

3. COMMITTEES AND HELPERS

It is beneficial to enlist the help of responsible school personnel or members of the community. Organize your volunteers into committees and appoint a qualified person to head each committee.

Tasks associated with certain committees may include the following:

1. Tickets: sale and doorkeepers
2. Checking garments
3. Preparation of informational signs
4. Police protection (Security)
5. Floor and Bench Officials
6. Parking
7. Press: seating and reporting
8. Assignment and care of dressing/locker rooms: competing teams, cheerleaders and Floor Officials
9. Preparation and operation of scoreboards
10. Concessions

Make sure all volunteers are thoroughly informed of their duties. It may be helpful to provide written instructions for each committee member. At the games, volunteers can be designated with a nametag, badge, or like-colored shirts.

4. ORGANIZATION

Community Assistance

To gain community support for your tournament, engage local civic clubs or the school Booster Club as volunteers.

Hospitality

If possible, offering a Hospitality Room to visiting coaches, administrators, and media personnel adds to the enjoyment of your guests and helps to create a spirit of friendliness that will be a valuable asset in the administration of your tournament.

5. PROMOTION

News Media

Contact the local news media (print, television) shortly after you receive the assignment of schools to your tournament. Local newspapers often give plenty of space to high school athletics. Provide the media with pertinent tournament information: where, when, schools involved, key players, etc. It may be helpful to also include ticket information.

Students

Make the student body in your school fully aware of the nature of the competition, either with the use of posters, the school paper, planned school PA announcements or interaction with student groups.

Programs (See Royalty Policy on the IHSA Licensed Vendor page)

Providing a tournament program adds to the enjoyment of fans attending the games. It should include the roster (players' numbers, first and last names, and other data) and any pertinent information about each team competing in the tournament. You may also include team pictures, sportsmanship reminders and school policies. This, however, is not a requirement for your tournament.

Radio and Television (see Terms & Conditions for specific media requirements)

Local or neighboring radio and television stations may be interested in broadcasting the tournament or announcing the playing schedule. It may be beneficial to contact them after pairings are announced.

6. COURTESIES TO TEAMS

Parking Space for Buses

Most of the visiting teams will travel by bus or van. Parking space near to the gymnasium should be provided for the team buses or vans and for fan buses.

Instructions for Competing Teams

Be sure that all schools in your tournament are given adequate notice of the exact time when they are to play, when the gymnasium doors will be opened, location of dressing rooms, ticket prices, etc.

7. EQUIPMENT AND GYMNASIUM

The Basket Assembly

Backboards and basket rings for IHSA Tournaments must adhere to specifications in the National Federation Basketball Rules Book.

The Floor

The floor should be attended to with dust mops after each half.

Court Markings

The Local Manager should be certain that all court markings comply with NFHS specifications as stated in the 2014-15 Basketball Rules Book.

Safety Zone

In order to maintain the integrity of the playing surface and protect competitors, local managers of all tournament contests will create a safe zone *along the entire length of both baselines* that will be devoid of any persons (such as cheerleaders or media personnel) or other obstructions. This safe zone will extend back three (3) feet from the baseline *on each side of the floor* towards the facility's back wall, stage, or bleachers.

8. HEALTH AND SAFETY

It is advisable to have a physician or certified athletic trainer in attendance at all times.

9. SPORTSMANSHIP

The ideals of good sportsmanship must be maintained at all times. Persons who refuse to cooperate should be reported to tournament management. If necessary, they should be removed from the premises.

10. PLAYING SCHEDULE

All team pairings and playing schedules are drawn in the IHSA Office. They are released online following the team seeding process. Under no circumstances can changes be made in the pairings or in the order of games without permission from the IHSA Office.

11. PRESS ARRANGEMENTS

Reports to Media

Alerting the state media, IHSA office and other teams and host sites within the tournament.

ment is the top priority and is covered by updating your score online via the IHSA ScoreZone. Assume this responsibility yourself, or assign the duty to a working assistant. Complete the ScoreZone Report on the IHSA website immediately following each game. That means after game No. 1 of a doubleheader and again after game No. 2 of a doubleheader.

When reporting the results to ScoreZone and the media, make sure they are correct, the spellings of names are accurate, the scores are in proper order, the team names are accurate, etc. In addition, it would be most helpful to provide the media with information if a defending champion won or was defeated, the year in school of the top performers, records that may be established, who made and how the final deciding play(s) transpired, and other similar information, which can only embellish a potential story about your tournament.

B. Press Facilities

1) Working Space—Space shall be set aside to provide for news media representatives covering the tournament, whether they are from newspapers, radio stations, commercial television stations, etc. A “working press box” can consist of tables and chairs at court-side or on a stage or an extension of the scorer’s bench at court-side (including bench top) or any other type of arrangement which the facility in which the tournament will be conducted can accommodate.

2) Press Parking—Reserved parking space for news media representatives covering the tournament should be provided as near to the “press entrance” or “pass gate” and the gymnasium as possible. Special equipment and/or special vehicles are used by the different types of news media and the reserved parking area can accommodate these needs. If such a reserved parking space for news media cannot be provided adjacent to the facility as outlined above, a procedure and pre-determined area for use by the news media for loading and unloading equipment is mandatory.

3) Post-Game Interviews—Access to a press interview area near the dressing rooms following the game(s) should be available to news media representatives, and plans and procedures for such post-game requirements should be developed in advance and distributed to the media covering your tournament, as well as the coaches of the participating teams.

4) Photographers—Restrictions concerning the area(s) in which photographers may work from, and of the facility in which the tournament is to be conducted, should be distributed in advance to photographers.

Photographers shall not enter the dressing room without approval of the coach involved.

Photographers shall be allowed to work the tournament under reasonable conditions, as determined by the Local Manager in conjunction with the IHSA Policy regarding news

media/spectator photography (Policy No. 35 in the IHSA Official Handbook).

Spectator use of electronic lighting (flash photography) shall not be permitted during play.

Authorized news media representatives, who have identified themselves to the Local Manager (or designee), shall be permitted to use electronic lighting equipment (flash photography) throughout the course of the tournament. Such electronic lighting can be 1) strobe lights mounted to fixed positions at the site and/or 2) electronic strobe attachments mounted to a camera.

Local Managers should confer with the coaches of the teams participating in a contest before giving permission to authorized news media photographers to use strobe lighting mounted to fixed positions.

Local Managers should confer with game officials and authorized new media photographers before requiring photographers to cease use of electronic strobe attachments mounted to a camera because use of such equipment may be causing interference with the conduct of the contest.

Jubilation photographs shall be considered as a standard type of photography permitted following the conclusion of contests. Properly credentialed news photographers shall be permitted access to the arena floor following the conclusion of the competition to shoot jubilation photographs of players, coaches, fans or other involved persons. Photographers shall be instructed by Local Managers when to retreat from the arena floor so that trophy or award presentations may get under way. All news photographers (whether they be television camera operators or still photographers) shall abide by these shooting rules.

5) Working Media Admission—Managers are urged to make every positive effort to honor requests for credentials from legitimate news media personnel. Most media members will have IHSA General Media Credential passes that allow them State Final access and identify them as legitimate media, however, some smaller media outlets may not have these passes, but may still be legitimate and should receive the same accommodations and access as other media.

All Local Managers must take into consideration the requirements for working press space when developing seating allocations in facilities to be used as the site of the tournament. It is mandatory that more space be reserved than is required for a regular season contest.

Originating Radio Stations:

In allocating space for radio stations approved in advance to originate broadcast(s) of the tournament by the Local Manager, priority is given: 1) to station(s) which cover the competing teams; 2) the station(s) representing the site of the host school; 3) then to the stations which cover the geographic region involving the site and competing teams; 4) and

finally to other stations. Assignment of best locations in the facility shall be based upon priority outlined above. Allocation of space will be dependent upon the facility.

Again, due to the nature of the system, it may be difficult for stations to write for broadcast space in advance. As a general rule, stations broadcasting games will be limited to a set of three (3) credentials (for play-by-play announcer, color man and engineer).

There are no broadcast fees for radio stations until the Super-Sectional level.

In all instances, radio stations originating broadcasts of games in the state basketball tournament series are required to assume expenses that are necessary and that have been contracted by the radio station and its vendors (i.e. telephone line charges, food and lodging for the broadcast crew, etc.).

Spot News TV Credentials:

Over-the-air and/or cable television stations may request credentials to send a film crew to the tournament (game) to shoot footage only for newscasts on that station. This is not approving a tape delay telecast of the complete game for playback. It may be difficult for stations desiring credentials to notify the Local Manager far in advance. Every positive effort should be made to provide credentials and space for television spot news film crews in line with the IHSA News Media Credential Policy.

In allocating space for television station spot news film crews, priority is given: 1) to stations covering the competing teams; 2) to the stations representing the host school; 3) then to stations which cover the geographic region involving the competing schools and host site; 4) and finally to other stations.

Video Streaming/Television (Live or Tape Delay):

1) Broadcast rights fees are required for any group streaming a tournament game on the internet or broadcasting a game on television, whether live or delayed. An application must be downloaded on the IHSA website

(<http://www.ihsa.org/documents/media/2011-12/VideoAp.pdf>) and submitted to the host site and IHSA Office for approval prior to the broadcast. Rights fees can be paid to the tournament host and submitted through the Financial Report or submitted directly to the IHSA.

a) Live Telecasts — Permitted during state series for levels below respective sport State Final level upon receipt of permission from the local manager and the IHSA Office.

b) Tape Delayed Telecasts — Permitted during state series for levels below the respective sport State Final level upon receipt of permission from the local manager and the IHSA Office.

c) No live or tape delayed telecasts of state series basketball games below the state final shall be permitted to be televised during the time the state final in basketball is

being shown on the IHSA Network. This applies to live telecasts of the scheduled events. (For example, no sectional boys basketball game may be televised during the time that any IHSA network basketball telecast is being shown.)

d) Sponsors of these live or tape delayed telecasts shall be in compliance with section 17 (commercials) of the IHSA Television Policy.

2) Member School Taping For Local Cable System. Member schools participating in a given tournament game (Regional, Sectional and/or Super-Sectional) may produce their own telecasts of games. These delayed, unsponsored telecasts may be on either the public access or educational access local cable channel. In either telecast, there shall be no rights fee charged provided the member school used its own equipment and personnel to produce the telecast.

Q-1: Who is school personnel?

A-1: Students, staff, parents, booster club members or other persons designated in writing by the member school principal shall constitute school personnel. Local Managers should have such letter(s) of information prior to allowing such persons access to the facility to tape.

Q-2: Does the policy requirement that construction costs for camera and/or announcing positions be reviewed by the Local Manager and the producer of the telecast and paid before the telecast is taped apply?

A-2: Yes. Construction costs must be paid, if necessary, by any originator of a telecast.

3) In approving applications and allocating space, Local Managers shall give priority as follows: 1) to cable television stations covering competing teams; 2) to the cable television station representing the host school; 3) to stations which cover the geographic regions of the competing schools; and 4) to all other stations.

4) If more than one cable television station is approved to videotape, and space is not available for more than one originating camera crew, the Local Manager should inform the stations of the limitations and help the stations to resolve logistics problems. It is the responsibility of each station approved to videotape to assume all expenses necessary to produce the telecast. This may include installation of working space for announcing crew and cameras in the gymnasium. This would include the cost of tickets for seats displaced by the installation of a camera position in the seating area. In all instances, all such potentials for charges to a cable television station should be discussed by the Local Manager with the official representative of the cable television station prior to approval of the application to telecast. Terms of these arrangements should be in writing.

a) Competing School Videotaping:

Videotaping will be allowed provided the local manager has a comparable area for both competing schools to videotape. When one school requests the video space, then the local manager shall provide similar space to both competing schools. Non competing schools and spectators will be allowed to videotape games in the bleachers, provided they do not obstruct the view of participants and spectators.

12. REPORTS TO IHSA OFFICE

The financial form should be completed online in the Schools Center promptly after the conclusion of the tournament (**this form is an interactive form**).

Note: The financial report form provided for denoting live or tape delay television rights fees received and for payment of officials fees. This should be done according to the Terms and Conditions and Television Policy as follows:

Officials Fees—The Local Manager should pay the three (3) floor officials the proper remittance for the level of competition. The amount can be found in the Terms and Conditions. These fees should be reported on the form, but deducted from the receipts due to the IHSA Office.

Television Fees—Fees for all levels of competition below the State Final level shall be paid to the host school and shall become part of the revenue to be shared by the member school(s) and the Association according to the financial terms stipulated in these Terms and Conditions.

Radio Fees—Radio Broadcast Rights Fees are not required for any level of competition in this series (except State Final). Local Managers shall permit radio play-by-play originations of the competition.

Special Responsibilities (Boys and Girls Series):

a) Box Score Call to IHSA Office—Local Managers of Super-Sectionals will be required to fax or email to the IHSA Office following game(s) hosted by their school to report the complete game box score and/or other information. The IHSA Fax number is (309) 663-7479. Special instructions are sent to each Local Manager. It is mandatory the Local Manager (or designee) comply before leaving the site of the tournament (game), where required.

13. TICKETS

Admission Fees

Standard statewide prices have been established for all Class 1A and 2A and Class 3A and 4A Regional and Sectional tournaments. Tournament managers at these levels must charge the prices established by the Board of Directors. Local Managers of

Regionals, Sectionals and Super-Sectionals cannot set ticket prices that are different than those established by the Board of Directors.

Note: Babies in arms are admitted without charge.

- 1) Regionals**—\$4.00 per session
- 2) Sectionals**—\$5.00 per session
- 3) Super-Sectionals**—\$8.00 per

game*

*At venues hosting two super-sectional games on the same evening, the ticket price shall be \$10.

4) State Finals—Season Ticket: \$42.00, \$34.00, & \$26.00

Session Ticket: \$10.50, \$8.50, & \$6.50

B. Season/Presale Tickets

In some areas it may be advisable to sell season tickets. This is a matter that each Local Manager should decide for his/her tournament. However, if season tickets are sold, they should be allocated to all of the participating schools, including the host school, on a proportional basis. No reduction in cost is available because of season ticket purchases.

1) Host schools must provide pre-sale tickets to schools competing in Regional finals, Sectional semifinals and finals, and Super Sectionals (if hosted by a member school), if requested to do so by a competing team.

2) Competing teams are responsible for all of the presale tickets they are given. All unsold tickets must be returned to the host at least three (3) hours prior to game time.

Regional final: Requests for presale tickets at the Regional finals must be made by Monday, February 23 for Class 1A and 2A and Monday, March 2 for Class 3A and 4A.

Sectional semifinals and finals: Requests for presale tickets at the Sectional semifinals and finals must be made by Friday, February 27 for Class 1A and 2A and Friday, March 6 for Class 3A and 4A.

3) See the ticket distribution plan for Super-Sectional information.

C. Avoid Leaving the Ticket Office Closed

Local managers should have an attendant on duty or have the office open in order that correct information regarding tickets may be obtained, even if all tickets have been sold.

D. Cautions about Local Enthusiasms

There is a tendency for schools to overestimate the strength of their team and, through their enthusiasm, buy tickets that, after their teams have been eliminated, rightfully belong to some other school. This causes a demand for the management to refund money on tickets or causes scalping of tickets between games. A good practice is to hold back tickets for successive sessions until it is known what teams will play in the given sessions. An equitable distribution is then made to the followers

of the teams still in the tournament. This is necessary, especially where the seating capacity is insufficient to accommodate all who wish to attend.

E. Consider Convenience and Comfort of Patrons

1. Avoid long waiting periods for people to get into the gymnasium. The ushers and ticket takers should be at their posts at least one hour before the session starts and, if general admission is being sold, doors should open at a specified and advertised hour.

2. All artificial noise-making devices shall be excluded from the gymnasium. The use of band instruments shall be limited as explained in the terms and conditions Tournament Policies IX E. Also see National Federation Basketball Rules Book Rule 1, Section 18.

Tournament managers should not permit spectators to bring megaphones into the gymnasium for cheering purposes. Cheerleaders may use megaphones.

F. Competing School Locations

The Board of Directors suggests Local Managers distribute tickets to the schools competing in the game(s) each session in such a fashion as to keep the spectators from competing schools separated. In single-game sessions, the Board suggests Local Managers seat spectators from one competing school on one side of the gymnasium and seat spectators from the other competing school on the opposite side of the gymnasium. In two-game sessions, the Board suggests that spectators from one of the schools in the second game be seated on one side of the gymnasium and that spectators from the other competing school be seated on the opposite side of the gymnasium. Local Managers should also be cognizant of rivalries when assigning seating to spectators on the respective sides of the gymnasium in a two-game session.

G. Neutral Zones Behind Team Benches

The Board of Directors recommends establishment of a neutral zone (buffer zone) in the stands directly behind the team benches and that seating in the neutral zone be carefully controlled to avoid harassment of coaches and players by fans.

H. Work with Visiting Personnel

Confusion and dissatisfaction among visiting spectators may be avoided by having someone connected with the visiting school make the distribution of tickets for them before each session. This insures the school's fans being seated together, provided they cooperate with their representative by obtaining tickets in advance of sessions which they wish to attend.

I. Super-Sectional Winner Distribution of State Final Tickets, Passes, Etc.

Shortly before each Super-Sectional game, the IHSA office will ship to each Super-Sectional manager, via United Parcel Services

(UPS), a box containing tickets, special instructions and other data for the winning team's upcoming appearance in the State Final Tournament. It is the responsibility of the Super-Sectional manager (or designee) to maintain security of the parcel and, on the night of the Super-Sectional game, to give the parcel and its contents to the principal (or designee) of the school winning the game. The principal of each of the two schools competing in the Super-Sectional MUST be contacted before the contest by the Super-Sectional manager to make arrangements for distribution of the contents of the parcel immediately after the game has been concluded.

14. COMPETING TEAM PASS LIST

Prior to the start of the first round tournament play, competing schools should complete and submit a pass gate list to the local manager. This form can be found in the IHSA Basketball Manual for Schools. On the nights that a school is competing, persons on a pass list for a given school should sign their names on the pass list next to their name on the form. The IHSA Pass List form explains which school personnel can attend contests during regional, sectional, and Super-Sectional tournaments. After receiving all the pass lists from schools competing in the tournament, a local manager should assign someone to serve as a Pass Gate doorkeeper to ensure that only those identified people from each competing school are admitted for free on the nights their team is competing.

15. BULLETINS TO GUESTS, VISITING SCHOOLS

All Local Managers are requested to develop a set of "Instructions to Competing Schools" and have a sufficient number printed for distribution to personnel from the visiting schools (administrators, coaches, cheerleader sponsor, etc.), personnel from the host school who will have the responsibility for the proper conduct of your tournament (bench officials, team hosts, ticket sellers, etc.), the floor officials, the news media and other personnel. These "Instructions to Competing Schools" should be sent in advance of the start of the tournament.

Information regarding the following should be included:

A. Local Conveniences

1. Give the location of the tournament headquarters and/or the Hospitality Room and tell what services are provided there.

2. Give instructions for getting special notices and announcements made. Demand that all notices and announcements be "cleared" through the Local Manager.

3. Give instructions for finding checking rooms, rest rooms, etc.

4. Give ticket price information.

B. Finances

1. Emphasize the necessity of each team's bringing ample funds to cover its expenses.

2. Give information as to price of admission.

C. Rules

1. Explain in detail any necessary special rules.

2. Be sure to have a clear understanding among managers, coaches, and officials about any necessary special regulations. Note that the rules adopted by the National Basketball Rules Committee, as published by the National Federation of State High School Associations, are to be used.

3. Call attention to the authority of the floor officials and Bylaw 6.033.

4. Give specific instructions for the color and numbering of the uniform(s) for each player.

D. Punctuality

1. Any team not ready to play at the appointed time should be penalized according to the procedure outlined in the current playing rules.

2. Give special instructions for furnishing the roster and starting lineup to the scorekeeper.

E. Behavior

1. Make it very clear that members of teams are to conduct themselves responsibly whether in a game, in the dressing rooms, in the audience or in the hotels/motels.

2. Each principal should be reminded that, in accordance with the provisions of By-law 2.020, an accredited faculty representative should be appointed who will be present and responsible for the conduct of the competitors and persons from their school at all times during their participation or attendance at the tournaments.

3. By-laws 2.040, 3.140, 6.011 & 6.012 which outline the responsibility of good sportsmanship on the part of all school representatives, should be quoted from the IHSA Official Handbook and should be reproduced in the "Instructions to Competing Schools."

F. Dressing Room Arrangements

An attendant should be assigned to each dressing room and should remain on duty while the team is playing. It is of the utmost importance that the equipment and personal property of the visiting teams be safe-guarded at all times.

G. Care of Property

You should disclaim responsibility for any losses suffered by players or others, but adopt efficient means for insuring against such losses. Each team should adopt some method for caring for the team's money, watches, basketballs and other valuables.

H. Tournament Time Schedule:

1. See Terms and Conditions for time schedule.

2. Introduction of Players. The five (5) starting players and the head coach of the visiting team and the five (5) starting players and the head coach of the home team should be introduced (**Players from the respective teams should be introduced by alternating players from each team.**) Following player introductions the floor officials will be introduced by name and position. Tipoff should follow the National Anthem and player introductions. Both should be completed prior to the published tipoff time.

3. Required Announcements.

P.A. Announcements should be made at least once each game or session, as per instructions accompanying the announcements. (Required announcements are in this manual.)

NOTE: PA and Bench personnel shall be responsible to remain unbiased and non-partial towards participating teams.

16. TOURNAMENT PERSONNEL DUTIES

A. General Administration Should:

1. Be on the job before, during and after sessions, and between sessions in a multiple-game session.

2. See that all helpers are in their places and are doing their duties.

3. Deliver scorebooks, etc., to Bench Officials 30 minutes before each session begins and get them after the close of each session.

B. Ticket Seller(s) Should: Be on the job at least one hour before the start of each session and be responsible only for the sale of tickets and the care of money.

C. Doorkeeper(s) Should:

1. Be on the job at least one hour before the start of each session.

2. Keep coaches, players, and spectators away from officials' dressing rooms.

3. Keep spectators out of team dressing rooms.

4. Insist that the teams and floor officials dress promptly and leave rooms as soon as reasonably possible.

D. Those in Charge of Dressing Rooms (Teams and Officials) Should:

1. Be on the job 45 minutes before session begins and until the last team (person) has left.

2. Keep spectators out of team dressing rooms.

3. Insist that the teams and floor officials dress promptly and leave rooms as soon as reasonably possible.

E. Person in Charge of News Media Should:

1. Be on the job at least 45 minutes before the start of the game and until all responsibilities have been completed.

2. Have "press box" seating chart posted and assist news media in locating their positions.

3. Distribute special instructions or special packets of information designed for the news media.

4. Be generally available to answer questions concerning press facilities and press arrangements, such as location of telephone(s) to be used by news media, location of team dressing rooms, etc.

5. Send reports to the local media and report game results online in the IHSA ScoreZone.

F. Person in Charge of Videotape Area Should:

1. Be on the job at least 45 minutes before the start of the game(s), and until all responsibilities have been completed.

2. Make sure announcing spots for TV stations are set up for each station approved to originate a complete game telecast.

3. Make sure the camera positions, etc., are set up according to previously agreed upon plans made by the Local Manager and official representative of originating TV station.

4. Make sure there is adequate power to operate equipment.

5. Make sure that only the videotape crews from the schools competing in the game in progress are taping the game.

G. Maintenance Assistants Should:

Help with sweeping and other work under the direction of the general administrator.

H. Everyone Should:

1. Report evidences of unsportsmanlike conduct and other irregularities.

2. Be courteous, thoughtful and tactful in dealing with tournament guests.

17. FLOOR OFFICIALS

The floor officials for each tournament are appointed by the IHSA Office. After the assignments are confirmed, manager will have access to the officials contact information through the Schools Center. Be sure to contact the officials with specific information about parking, etc.

A private dressing room should be provided for the floor officials. If possible, the room should be equipped with shower facilities; but, if no such facilities are available, a classroom or small office room will suffice. An attendant should see that no one except the officials is admitted.

Parking space should be provided for the officials.

Current basketball rules (Rules 2-2 through 2-8) empower floor officials to make decisions for infractions of rules committed whether within or outside the boundary lines from the 15 minutes warm-up before the scheduled starting time of the game through the approval of the final score. Be insistent that:

1. The floor officials are on the floor for the 15 minutes warm-up prior to the start of the game (or immediately following the conclusion of the preceding game of a session in which more than one game is played). The full uninterrupted time allowed for warm-up by the teams competing in the next game is to be 15 minutes.

2. That the floor officials approve the final score by affixing their signatures to the official scorebook. This may be done at the scorer's bench or in their dressing room at the conclusion of the game.

Local Managers also should incorporate in their "Instructions to Competing Schools" By-law 6.033 which states the role of the floor official, namely: "The decisions of the game officials shall be final; protests against the decisions of a game official shall not be reviewed by the Board of Directors".

There is always the possibility that a floor official will be late. Avoid delay by having a capable local floor official, properly registered with the IHSA Office and eligible for post season assignment, ready to serve as a floor official in case of emergency. This can usually be done by giving such a person a pass to the games and have this person serve as a bench official other than the head scorer or head timer.

18. BENCH OFFICIALS

Be extremely careful in your selection of the Bench Officials. One of the most important responsibilities of the Local Manager is the selection of experienced, efficient, adult Scorers and Timers, whose responsibilities are outlined in the current basketball rules (Scorers in 2-11 and Timers in 2-12), and "Instructions to Scorers and Timers", can be found in the Managers Manual. Avoid putting inexperienced people in these posts.

Be sure your Scorers and Timers are provided with sounding devices that can be heard. Make sure that they wear uniforms distinct from either team and that their table be located on the side of the court as outlined in Rule 2-11-12. **Note:** The official scorer is required to wear a black and white vertically striped garment.

Instruct your Bench Officials it is their responsibility before, during and after each game of the tournament that:

a) The Official Scorer and Official Timer should have a conference with the Floor Officials at the scorer's and timer's table no later than 10 minutes before the start

of the game to review game administrative procedures, equipment to be used by the Bench Officials and game situations.

b) The Official Scorer should obtain the team roster with proper numbers and the starting lineup from each of the competing teams at least 15 minutes before the game begins.

c) The Official Scorer should make sure that the scorekeeper from each of the competing teams be given rosters and numbers identical to those in his Official Scorebook.

d) The Official Scorer must secure from the head coach of each of the two competing teams the head coach's signature in the Official Scorebook just prior to the start of the game, thus confirming that the Official Scorebook is correct regarding the players' names and numbers (as required in the Terms and Conditions).

e) Both the Official Scorer and Official Timer are in their positions at the Scorer and Timer's table no later than 15 minutes before the game begins.

f) During the game the Official Scorer shall verify the recording of each goal, each foul, each charged time out and each possession change with the scorer from each of the competing teams (as stipulated in Rule 2-11) and shall notify the referee at once if there is any discrepancy.

g) At the conclusion of the first half and again at the conclusion of the game the Official Scorer must have the official scorebook checked and approved by the referee, and be sure to make the possession indicator in the proper position as the teams trade baskets.

h) At the conclusion of the game, after the referee has checked and approved the final score, the Official Scorer shall obtain the signature of each Floor Official verifying the results of the game and thus terminating the jurisdiction of the Floor Official. This may be done at the Scorer's bench or in their dressing room at the conclusion of the game. Do not obtain the signatures prior to the start of the game and do not permit the Floor Officials to sign the Official Scorebook at any time prior to or during the game.

Note: Be sure to have adult supervisors (or uniformed security personnel, if available) meet the Floor Officials at courtside or at the bench at the conclusion of the game and escort them to the dressing room.

i) Between halves of the preceding game in a multiple-game session, obtain the team roster, player numbers and the starting lineup of the teams scheduled to play the next

game.

j) Keep score and time with absolute precision. A Timekeeper may change the outcome of a game by shortening or lengthening it a few seconds.

19. GENERAL ADMINISTRATION

A. Promptness Throughout the Tournament

Make the starting time definite and avoid starting late, thereby throwing the time of all games off schedule.

B. Players in Uniform/Protests

1) Players in Team Uniform—In each of the tournament games, a participating school shall not have more than fifteen (15) eligible participants in uniform. This includes the warm-up for each game and at half-time. No more than twenty-two (22) persons from a school may be on the bench.

2) Protests—Should any formal protest be filed against any player participating in the tournament and should such protest be sustained by the IHSA Board of Directors, it would result in the nullification of any tournament game(s) won by the offending school.

C. Awards/Trophy Presentation

Awards supplied by the IHSA, which have been approved by the Board of Directors, shall be presented to the team winning the Regional and/or Sectional tournament immediately after the conclusion of the championship game of the respective tournament.

1) Awards to be presented will be shipped directly from the manufacturer to the Regional, Sectional and Super-Sectional hosts. The managers should instruct personnel at the school who may receive and sign for the award shipment to immediately bring the package to his/her office for examination for damage and for storage. If the shipment has not arrived two (2) days before the start of the Tournaments or if an award has been damaged in shipment, the manager should call the IHSA Office and report the status. The IHSA Office will notify the manufacturer and the award or replacement pieces will be shipped immediately to the manager.

2) Local Managers are urged to display the award(s) for view by fans attending the tournament if they can be displayed in such a manner (in trophy case, etc.) that they are secured from potential damage.

3) The procedures to be followed in the Trophy Presentation Ceremonies should be incorporated into the written "Instructions to

Competing Teams" that are distributed in advance of the start of the tournament. The instructions may include such information as location of the presentation, where representatives of the school(s) involved should position themselves, which representatives of the team(s) should take part in the ceremonies, a reminder of requirements for supplying the IHSA Office with photographs and other information about the team and school, etc.

4) It is appropriate to present the team winning the state series tournament with the nets used during the championship game. However, game management should remove the nets from the goals. **Do not allow players or coaches to cut the net down.**

D. Cheerleaders

A maximum of twelve (12) varsity Cheerleaders, one (1) Cheerleading Coach, and (1) Mascot in uniform of the teams scheduled to compete each day of the tournament should be given passes and/or their names should be placed on a pass list and they should be given access to the building and the arena floor provided:

1) The names of the Varsity Cheerleaders, Coach, and Mascot are provided in advance by the principal of each school participating in the tournament.

2) They appear with their pass or at the pass gate in their cheerleading uniform (or the uniform of the school mascot).

In addition, Local Managers should instruct the principal of each competing school in the "Instructions to Competing Teams" that:

3) IHSA By-law 4.080 applies to all tournament contests. "All cheers, performances, routines, or other activities conducted by a school's spirit squads (i.e. cheerleaders, pom pons, flags, drill team) shall be conducted in accordance with the Spirit Rules published by the National Federation of State High School Associations."

4) The cheers they use, and involve fans with, are appropriate and cannot be construed as being unsportsmanlike or in poor taste (Bylaw 2.040).

E. Unexpected Situations

There is always the possibility that situations may arise that could not have been anticipated. For example, a floor or bench official, may fail to appear. In all such cases, the Local Manager is given full responsibility and authority to act. The Local Manager may seek such advice as is available from other school personnel, but the responsibility is upon, and the authority is in, the hands of the Local Manager.

COUNTRY Financial has also been a major sponsor of IHSA Basketball Television for 42 straight years. As sponsor of the **Showdown**, COUNTRY Financial is guaranteed advertising space in all our tournament series publications, which publicizes both the upcoming tournament telecasts and the COUNTRY Financial **Three-Point Showdown**.

SCHOOL'S RESPONSIBILITY TO AN OFFICIAL PRIOR TO THE SEASON

1. Send a reminder card or email to the officials after you have them scheduled.
2. Reminder should include date of contest, time, level, location and sport.

Even though many schools and conferences have assignment chairpersons, sending a reminder is highly recommended. When an official does not show, people in your community won't know who the assignment chairperson is, but they do know the athletic director.

Avoid embarrassment.

3. Have a standard wage scale set for your different sports and levels and a method in place to raise the pay periodically.
4. If possible, let the working officials know who their partner(s) will be.
5. Hire police and security along with medical assistant or athletic trainer coverage for events whenever possible.
6. Set a policy with your school board on fan, coach and player behavior.
7. Make sure all officials have a contract that is signed by your school—preferably by the principal or IHSA Official Representative.

SCHOOL'S RESPONSIBILITY TO AN OFFICIAL PRIOR TO THE CONTEST

1. Prior to the contest, provide the officials with directions and inform them of any special activities that might be occurring (i.e., Homecoming, Senior Night, etc.)
2. Give the official a number they can call in case of an emergency or postponement due to weather.
3. Have competent workers assigned at all contests (scorers, announcers, chain crew, etc.). These people are of great assistance to the official during the contest.
4. Have a host assigned to meet the officials as they arrive. The host should do the following for the officials:
 - A) Provide a reserved parking space.
 - B) Meet officials and take them to the dressing room.
 - C) Have refreshments available for halftime and postgame.
 - D) Ask for any additional needs.
 - E) Introduce the officials to those game workers pertinent to the contest (i.e., scorer, announcer, chain gang, etc.).
 - F) Get the proper pronunciation of officials' names so they are correct when given by the public address announcer.
5. Athletic director should discuss with the officials any special events, conference rules, national anthem time, etc. that would affect the game.
6. Provide the officials with the name of the adult supervisor for that contest and where that person can be found in the event a challenging situation should occur.
7. Make officials aware of location of an athletic trainer or other first responders during the contest. Have a doctor on site when possible (especially at football contests).
8. Make sure all bench personnel are properly attired.
9. Do a check on game scoreboards and lighting systems prior to the game or contest.
10. Make sure the playing area is properly marked and meets National Federation guidelines for that contest.
11. Provide appropriate secured dressing area and hot water showering facilities.

SCHOOL'S RESPONSIBILITY TO AN OFFICIAL DURING THE CONTEST

1. Insist coaches display good sportsmanship and are proper examples for your players and crowd.
2. Have your public address announcer or cheerleader read the IHSA sportsmanship statement and remain unbiased during contest.
3. Make sure the event supervisor understands the duties and responsibilities pertinent to that contest.
4. Make sure the playing area is maintained during halftime of each contest. For wrestling, make sure the mat is properly cleaned and washed.
5. Help with adverse weather conditions; monitor accordingly.
6. Make sure proper crowd control is visible and in place. Good administrative control can prevent difficult situations.
7. Observe the crowd during the contest and prevent any disturbances that may occur.
8. Work with the official during the game regarding crowd control.
9. Retrieve the game ball at the end of the contest.
10. Escort the officials back to the dressing room at halftime and at the conclusion of the contest.

SCHOOL'S RESPONSIBILITY TO AN OFFICIAL AFTER THE CONTEST

1. Escort the officials safely back to the dressing room and parking lot.
2. Do not allow unauthorized persons in the dressing room after the game. This includes coaches.
3. Have refreshments available for the officials after the contest.
4. Be sure to thank the officials for their time and effort, regardless of the outcome of the game.
5. Make sure arrangements for paying the officials have been completed. It is preferable to pay the official the day of contest.
6. Ensure that officials are not confronted by anyone after the contest.

IHSA Basketball Rules Adopted for 2014-15

1. The Mercy Rule can only be used in regular season tournaments that wish to utilize it. *Regular season contests may not use the Mercy Rule under any circumstances.* For those tournaments that wish to use the Mercy Rule, tournament managers are asked to notify the participating schools and officials of their intention to use the Mercy Rule in advance of the tournament.

Tournaments shall use the following adoption for rule 5-5-3 **NOTE:**

A running clock shall be used in the fourth quarter games that have at least a 30 point differential score. Once a game reaches this differential and the clock starts running, it will continue running and stop only for one of the following:

- A team timeout
- An injury timeout or the removal of a disqualified player.
- The administration of a penalty for a technical foul
- An officials' timeout
- Correctable error situation

Please note this adoption applies only to regular season tournaments. It will not be used during the boys' or girls' state series.

2. The IHSA has adopted the use of a 14' coaches box for all regular and post season contests. Schools and officials are reminded that the use of the box is NOT a requirement. However, if the box is going to be used, it must be placed on the floor in accordance with rule 1-13-2. Schools and officials are also reminded that rule 10-4-4 and 10-5 clearly articulate the manner in which coaches can be off the bench within the confines of the box and the manner in which officials are to penalize the head coach or other bench personnel who violate the provisions of the coaches box rule.

Awards Delivery Information

To Managers of All IHSA Tournaments:

In an effort to better serve our tournament sites and the suppliers of our awards, we would like to have you read this bulletin carefully and then do what you can to expedite the instructions:

1. Be advised that at **Regional and Sectional Tournaments**, medals and plaques may be shipped separately and may not arrive at your tournament site on the same day. Please open boxes immediately to check contents, as medals **CAN** be in plaque boxes. **NOTE:** There are no medals given at Regional and/or Sectional Levels in the team sports of baseball, basketball, competitive cheerleading, football, soccer, softball and volleyball, and in the activities of Drama/Group Interpretation and scholastic bowl.

Our awards supplier, A and M Products of Princeton, IL, often ships Regional and/or Sectional medals in the box with the plaque. **PLEASE CHECK THE PLAQUE BOXES CAREFULLY AND DO NOT DISCARD THEM UNTIL YOU HAVE DETERMINED THE MEDALS ARE NOT THERE!!**

At State Final Tournaments, medallions and trophies may be shipped separately and may not arrive at your tournament site on the same day. Please open boxes immediately to check contents, as medallions can be in trophy boxes.

2. Awards will be shipped to the school sites directly from A & M Products via United Parcel Service.
3. Please inform whoever receives your United Parcel deliveries to expect awards to arrive up to two weeks prior to the tournament, and ask them to deliver the packages directly to you when they arrive.
4. It is very likely that some awards (particularly trophies) will arrive in two or more boxes and will need to be assembled. **They may not arrive on the same day, but should be opened as they arrive.**
5. Please check all trophies, plaques, etc., to see that they are in good condition and not damaged in any way. You should note that they are engraved with the proper sport, tournament level, year, etc.

If, after doing all of this, a problem develops, please contact Cheryl Lowery at the IHSA office at (309) 663-6377.

Thank you very much for your cooperation.

Assembly Instructions for IHSA State Series Trophies

(please use caution when assembling the trophies)

Upon receipt of your Trophies and Awards, please inspect them immediately so replacements can be shipped to you, if you notice a damaged trophy or figurine. If replacements need to be issued, please contact A & M Products at the number below.

We recommend the following for attaching the figures to the IHSA State Trophy:

- Unwrap each figure. If there is a hex nut on the post of the figure remove it. It should not be needed.
- Lay the trophy on its back on a flat surface and remove the hex nut from the rods from underneath the trophy.
- Push the rod through the top of the trophy and remove the ferrule (the hollow threaded tube) from the rod and attach the ferrule to the threaded post of the figure. Screw the ferrule all the way up the threaded post of the figure.
- Screw the rod back onto the ferrule until it is tight.
- Place the rod, with the figure attached, back through the top of the base and through the holes in the bottom of the base.

IMPORTANT - please be careful that the figure(s) is not supporting the weight of the trophy. **Figures can be easily broken.**

DO NOT OVER TIGHTEN THE FIGURE ONTO THE BASE THIS CAUSES THE BOLT TO BE PULLED OUT FROM UNDERNEATH THE FIGURE

Please do not pick up and carry the trophy by the side figures.

The **CHAMPION** and **RUNNER-UP** trophy receive **three** of the bigger #1 figures.

The **THIRD PLACE** and **FOURTH PLACE** trophy receive **one** of the bigger #1 figures for the top. And the **two** smaller #2 figures are the side figures.

The interscholastic athletics and activities experience is something we cannot take for granted. For more than 100 years the I-H-S-A has provided the vehicle for recognition of students, their schools and their communities through competition in I-H-S-A state series in sports and non-athletic activities. But participation in sports and activities is a lot more than just winning and losing. Students who participate in programs offered by their schools are taught valuable life lessons that will make them a success in whatever endeavors they choose. We must teach our students, their coaches, their families and their supporters that it is very important to participate. They must take advantage of the learning opportunities that are uniquely made available to them through I-H-S-A programs.

Boys Basketball Tournament Series

Ticket Distribution Plan

Plans for distributing tickets for the 2015 Boys State Basketball Tournament Series have been approved by the Board of Directors and reflect date changes, price guidelines and distribution policies for all levels of the state series.

Distinct statewide prices have been set for tickets at all levels of the tournament series.

— Preference will continue to be given to IHSA member schools in the ordering of and location of season tickets for the State Final Tournament(s) in Peoria, if orders are postmarked on or before November 7, 2014.

— Location of seats allocated for sale to IHSA Basketball Season Ticket Holders, the news media, Board of Directors and other persons determined by the Board to have the opportunity to purchase advance tickets for the State Final Tournament(s) will continue to have next preference, if orders are postmarked on or before December 8.

— Only All-Session tickets may be ordered by mail, through the Peoria Civic Center, 201 S.W. Jefferson Street, Peoria, IL 61602. Orders must be postmarked no earlier than December 3 and no later than December 26, 2014.

— Beginning Jan. 5th, All-Session tickets ONLY will be sold to the general public by telephone (credit card purchases only) and over the counter at the Peoria Civic Center, Peoria.

— Beginning Jan. 19th, single-session tickets, if available, will be sold to the general public by telephone (credit card purchases only) and over the counter at the Peoria Civic Center, Peoria.

Plans for distributing tickets for the Sectional, Super-Sectional and the Boys State Final Tournament(s) will continue to give schools which enter the tournament series the opportunity to purchase tickets for the advanced levels of competition in the tournaments, and will provide tickets for each of the schools actually participating in these tournaments.

Ticket Prices

Standard statewide prices have been established for all boys tournaments. Tournament managers must charge the prices established by the Board of Directors. Local managers cannot set ticket prices that are different than those established by the Board of Directors.

Ticket prices for the 2015 series will be:

Regionals: \$4.00

Sectionals: \$5.00

Super-Sectionals*: \$8.00

*at venues hosting two super-sectional games on the same evening, the ticket price shall be \$10

State Final: Season Ticket: \$42.00, \$34.00, & \$26.00

Session Ticket: \$10.50, \$8.50 & \$6.50

NOTE: Season Ticket Prices for Regional/Sectional Meets and Tournaments:

1) Local managers of Regional and/or Sectional tournaments in which two (2) or more sessions are conducted may sell season tickets along with session tickets. In the event a manager exercises this option, the season ticket price will be the session ticket price times the number of sessions.

2) In all Class 3A & 4A Regional games, visiting teams shall be given the opportunity to pre-sell 30% of the tickets available for the game. Unsold tickets must be returned to the host school at a time which will permit the host school a reasonable opportunity to sell remaining tickets to the general public.

NOTE: Presale tickets for Regional finals, and Sectional semifinals and finals:

1) Host schools must provide presale tickets to schools competing in Regional finals, Sectional semifinals and finals, if requested to do so by a competing team.

2) Competing teams are responsible for all of the presale tickets they are given. All unsold tickets must be returned to the host at least three (3) hours prior to game time.

Regional final: Requests for presale tickets at the Regional finals must be made by Monday, February 23 for Class 1A & 2A and Monday, March 2 for Class 3A & 4A.

Sectional semifinals and finals: Requests for presale tickets at the Sectional semifinals and finals must be made by Friday, February 27 for Class 1A & 2A and Friday, March 6 for Class 3A & 4A.

Regional Finals and Sectional Distribution

Tickets for the Sectional tournaments will be distributed as follows:

1) From the total number of seating spaces in each gymnasium, a reasonable number of spaces shall be reserved for the press,

radio, bench officials, players and other team personnel.

2) Subsidiary Regional Schools

Class 1A & 2A Tournaments: The local manager shall deduct the total number of seats reserved for the schools which participated in the Regional tournaments subsidiary to his/her Sectional tournament. Each school may purchase not more than ten (10) tickets for each session.

Class 3A & 4A Tournaments: The local manager shall deduct the total number of spaces reserved for the school which participated in the Sectional Complex subsidiary to the Sectional tournament. Each school may purchase not more than sixteen (16) tickets for each session.

3) After providing for the allotment in (1) and (2) above, the host school may take twenty (20) percent of the remaining tickets. If the host school is one of the participating schools, these tickets shall be taken in addition to the allotment for participating schools described below.

4) From the remaining tickets, each of the schools participating in a given session shall, regardless of size, be permitted to purchase half (50%) of the remaining tickets.

5) Ordinarily, season tickets should not be sold since it is impossible to determine in advance the proper allotment for Friday's (championship) games. However, if the host school decides to issue season tickets, they must come out of and may not exceed the twenty (20) percent host school allotment described in (3) above.

6) Local managers of Sectional tournaments are instructed to devise plans whereby an equitable portion of the better seats will be made available to the followers of the teams competing in the games of the tournament.

7) The Sectional tickets for schools assigned to the subsidiary Regional tournaments, and referred to in (2) above, must be ordered no later than February 27 for Class 1A & 2A and March 6 for Class 3A & 4A. If orders are received after these dates, the local managers will not be obligated to provide tickets for any sessions of the tournament.

8) Local managers must sell tickets at the prices adopted by the Board of Directors. (See "Ticket Prices" on previous page.)

9) Local managers must provide presale tickets to schools competing in Regional finals, and Sectional semifinals and finals, if requested to do so by a competing school. (See "Ticket Prices" on previous page.)

Super-Sectional Distribution

Because of the larger seating capacities at the Super-Sectional centers, tickets at each center shall be set aside at Super-Sectional sites to be distributed as follows:

1) A reasonable number of spaces shall be reserved for the press, radio, bench officials, players and other team personnel.

2) The local manager shall deduct the total number of seats reserved for the schools which participated in the Regional tournaments subsidiary to the Super-Sectional game. Each school may purchase not more than twenty (20) tickets for the game.

3) After providing for the allotments in (1) and (2) above, the host school may have twenty (20) percent of the remaining tickets for sale to the general public.

4) From the remaining tickets, each of the schools participating in a given session shall, regardless of size, be permitted to purchase half (50%) of the remaining tickets.

5) The price of each ticket for all Super-Sectional games shall be as adopted by the Board of Directors. (See "Ticket Prices" on previous page.)

6) Notifying Competing Teams:

Class 1A & 2A: The local manager of each of the eight Super-Sectional centers will telephone the principals or ticket managers of the two Sectional winners assigned to his/her center not later than 10:00 a.m., Saturday, March 7, and will notify them as to the number of tickets allotted to their schools.

At this time, arrangements also will be made for payment and delivery of the tickets.

Class 3A & 4A: The local manager of each of the eight Super-Sectional centers will telephone the principals or ticket managers of the two Sectional winners assigned to his/her center not later than 10:00 a.m., Saturday, March 14, and will notify them as to the number of tickets allotted to their schools.

At this time, arrangements also will be made for payment and delivery of the tickets.

State Final Distribution

Boys State Final Tournament tickets will be distributed to member schools as follows:

1) All member schools will be able to access ticket ordering information by using their principal's password to enter the IHSA Schools Center and clicking on the "Boys Basketball Ticket" link located in the School

Data section. Each member school ordering tickets must return the order form(s) with proper remittance postmarked on or before November 7th to receive an allotment of tickets in the Guaranteed Section.

2) Each school ordering season tickets for either boys State Final Tournament (postmarked no later than November 7th) is guaranteed **two (2) tickets in the lower bowl** for the class tournament in which they participate and two (2) tickets for the other classes. **The remainder of ordered tickets will be assigned in best available seating.** Schools may order more tickets than the guaranteed. If tickets are not available at the price for which a school submits payment, the next lesser priced tickets will be sent and the overpayment will be refunded.

Ticket orders will be filled by the Peoria Civic Center Ticket Office based upon their date of receipt.

3) Member school ticket orders received postmarked after November 7th will be filled, but seats in the Guaranteed Section may not be available. The order will be filled with the best available tickets on the date the order is filled. Refunds may be necessary.

4) Season tickets will be set aside for each tournament for use by the IHSA Board of Directors, the press, radio and television personnel and other persons to be determined by the Board of Directors.

5) Class 1A & 2A Tournament:

Each of the four schools participating in each session shall be guaranteed the opportunity to purchase a share of the tickets available to participants. This number may vary from session to session.

B) Sale of Session Tickets to Schools Playing in State Final:

The Tournament Manager at the site of each Super-Sectional game will personally give to the principal (or designee) of the school winning the game that school's allotment of tickets for the upcoming State Final Tournament at the Peoria Civic Center.

Price of these tickets will be \$10.50 and \$8.50 each with no distinction made between students and adults.

INSTRUCTIONS TO AND DUTIES OF THE ANNOUNCER FOR IHSA BOYS' AND GIRLS' BASKETBALL STATE SERIES GAMES

This document is provided to IHSA Boys' and Girls' Basketball State Series Managers for their use and is created from information provided by the National Federation of State High School Associations. Managers should make sure tournament announcers are given a copy of this prior to the regional, sectional, or super-sectional tournament for their review.

In a very real sense, the public address announcer at a high school event is a "Champion of Character". The public address announcer can influence the atmosphere of a contest by what is said and how it is said. The announcer who performs professionally promotes good sportsmanship by what he/she says and how he/she acts upon saying it. The announcer, like the scorer and timer, are extensions of the officiating crew, and by nature, are neutral parties to the contest. The announcer's role does not include "cheering the home team on" or otherwise inciting the crowd. Doing so is common at other levels of athletic events, but high school athletics is different because high school sports are educationally-based activities.

Announcer Responsibilities

1. The announcer shall be prohibited from making an announcement:
 - a. While the clock is running
 - b. While the clock is stopped and the ball is live (such as during a free throw, throw in, etc.)
2. Announcements or comments shall be made during those times when there is stoppage of the clock and the ball is not live, such as time outs, between quarters, or during pre-game, half-time, or post-game.
3. Unless there is an emergency, the announcer shall be prohibited from interrupting the game through the use of the microphone.
4. The announcer is allowed to announce basic information that does not potentially affect the play in general, the players, the coaches, or the officials. The announcer's information is not official information and, if announced, could mislead fans and others.

Examples of Allowable Comments

- Player who scored (quick notification without extreme emphasis)
- Player charged with a foul
- Player attempting a free throw
- Team granted a time out
- Length of time out (30 seconds or 60 seconds)
- Player entering game
- Team rosters/starting lineup

Examples of Unapproved Comments

- Number of points player scored
- Number of fouls on player
- Number of team fouls
- Number of team times outs or number of time outs remaining
- Type of foul or violation
- Emphatic 2 or 3 point goal

INSTRUCTIONS TO AND DUTIES OF THE SCORER FOR BASKETBALL GAMES

RULES COVERAGE:

Rule 1-17: The scorer's location at the scorer's and timer's table must be clearly marked with an "x."

Rule 2-1-3: It is recommended that the official scorer and timer be seated next to each other.

Rule 2-4-3: The referee designates the official scorebook and the official scorer.

Rule 2-11: The duties and responsibilities of the official scorer are indicated. In case of doubt, signal the floor official as soon as conditions permit to verify the official's decision.

Rule 2-11-12: The official scorer is required to wear a black and white vertically striped garment.

RESPONSIBILITY:

The scorer's responsibility is so great that floor officials must establish the closest cooperation and understanding with them. The scorer must be accurate.

EQUIPMENT:

Scorebook, pencils, possession arrow and signaling device with sound different from that of the timer. The scorebook must be available for inspection at the table from 10 minutes prior to game time until the referee has approved the final score.

BEFORE THE GAME:

1. Ten minutes before scheduled game time, the scorer shall be supplied with each team's roster and numbers.
2. Ten minutes before scheduled game starting time, the scorer shall be supplied with the starting lineup.
3. Notify the referee if either list is not submitted on time or is altered after time specified.
4. If there are discrepancies, notify the referee before the ball is tossed.
5. Have coach sign that lineup is correct.

DURING INTERMISSIONS:

1. Either the official scorer or a delegated assistant must be at the scorer's table with the official scorebook at all times.
2. Verify the lineup after all intermissions and notify either floor official if a player, who has not reported, has entered the court.

DURING THE COURSE OF THE GAME:

1. The nonofficial scorers should check each entry with the official scorebook.
2. The scorers should:
 - a. Announce to each other and record the total running score.
 - b. Announce the name and number of the player who scores.
 - c. Verify the scoreboard score.
 - d. Compare the summary of individual scores with the total running score at the end of each half.
 - e. Exchange the name and number of the player committing a foul and indicate the total fouls charged to the player.
 - f. Be responsible for the alternating-possession arrow.
 - g. Record warnings reported by an official.
3. In case of controversy, the record of the official scorebook is accepted unless the referee has knowledge which permits him or her to rule otherwise.

SCORING: (Use the following recommended symbols)

1. P for personal foul, followed by proper numeral indicating number of personal fouls charged to player as P¹, P², etc., or cross out appropriate number.
2. T for technical foul (direct or indirect on coach).
3. Successful field goal: figure 2 or 3.
4. Free-throw attempt: ○
5. Successful free throw: ⊗
6. Two or three free throws awarded: ○ ○ ○

7. First of one-and-one: Q
First made, bonus awarded: ⊗ ○
Bonus free throw made: ⊗ ⊗

8. Record the number of charged time-outs (who/when) for each team.
9. Check the scoreboard often and have the progressive team totals available at all times. Points scored in the wrong basket are never credited to a player, but are credited to the team in a footnote. Points awarded for basket interference or goaltending by the defense are credited to the shooter. When a live ball goes in the basket, the last player who touched the ball causes it to go there.

NOTIFY THE NEARER OFFICIAL WHEN:

1. The bonus penalty is in effect for the seventh, eighth and ninth team foul in each half. The bonus display indicates a second free throw is awarded for all common fouls (other than player-control) if the first free throw is successful. The proper bonus panel, such as (H for home and V for visitor) shall be displayed after the penalty for the sixth team foul has been administered. Another method is to activate a light or device nearest the basket of the team which is to receive the bonus.
2. The tenth team foul occurs each half. Thereafter, the bonus (second free throw) is awarded for a common foul (except player-control) whether or not the first is successful.
3. Any player is charged with his or her fifth foul (personal or technical), the second technical foul is charged to any team member, bench personnel, directly to the head coach or the third technical foul is charged to the head coach.
4. Either team has been granted its allotted charged time-outs or an excess time-out.
5. The ball is dead or in control of offending players team if:
 - a. Player has not reported.
 - b. Player's number changed.
 - c. Player is illegally in game.
6. The ball is dead, if there is a score dispute or doubt about an official's decision.
7. Any player enters while wearing an illegal number.
8. The ball is dead and the clock is stopped or running, if the coach requests that a correctable error as in 2-10, or a timing, scoring or alternating-possession mistake be prevented or rectified.

SUBSTITUTIONS:

1. A substitution may be made when the ball is dead and time is out. A player who has been withdrawn may not re-enter before the next opportunity to substitute after the clock has been started properly following the player's replacement.
2. A substitute who is entitled and ready to enter must report to the official scorer. However, substitutions between halves shall be made to the official scorer by the substitute(s) or a team representative prior to the 15-second warning. When substitutes are not properly reported, the players in the game at the conclusion of the second quarter shall begin play in the third quarter.
3. Following a time-out or intermission, the substitute must report or be in a position to report prior to the warning signal.
4. A substitute may enter the court only when beckoned and must do so at once, except between quarters and during a time-out.
5. If a substitute reports to enter for a designated jumper or free thrower, the substitute may not enter until the next dead ball and time is out.
6. A substitute may not be beckoned, if multiple free throws are awarded, until the last throw is to be attempted or the final throw is successful (unless a player has been directed to leave the game by an official).
7. A substitute may replace a designated starter in case of illness or injury or to attempt a technical-foul free throw.

It is not permissible for a substitute to replace a designated jumper, or a free thrower when the free throw is for a personal foul, unless such jumper or free thrower is disqualified or injured. The scorer should not signal after the free thrower or thrower has been handed the ball or the ball is at the disposal of such player or team or until the official has completed reporting a foul.

INSTRUCTIONS TO AND DUTIES OF THE TIMER FOR BASKETBALL GAMES

RULES COVERAGE:

Rule 2-4-2: The referee shall designate the official timepiece and its operator.

Rule 2-12: Duties and responsibilities of the timer are indicated. An efficient timer will carefully study these sections and become thoroughly familiar with all their responsibilities. The timer shall sound a warning signal 15 seconds before the expiration of an intermission, a time-out (60- or 30-second) and the 20-second interval to replace a disqualified or injured player, or a player directed to leave the game. The timer shall also signal when the time has expired for an intermission, a charged time-out or a replacement interval.

EQUIPMENT:

Electric clock timer and one stopwatch, or a table-clock timer and one or two stopwatches. A gong, loud siren or electric air horn to signal the end of playing time. When present, a red/LED light is permitted to end a quarter or extra period; otherwise, the audible signal ends the quarter or extra period.

BEFORE THE GAME:

1. The official timer should ascertain the game starting time and suggest that the referee and coaches synchronize their watches.
2. Review the official signals for starting the clock, time-out, a foul or violation.
3. Notify the scorer 10 minutes prior to the starting time.

TIMING REGULATIONS:

1. Playing time shall be:
 - a. For teams of high school age — four quarters of eight minutes each with intermissions of one minute after the first and third quarters and 10 minutes between halves. Halftime may be extended to a maximum of 15 minutes upon proper notification.
 - b. For teams younger than in (a) — four quarters of six minutes each with intermissions same as for (a).
2. Overtime Play:
 - a. If the score is tied at the end of the second half, play shall continue without change of baskets for one or more extra periods, with a one-minute intermission before each.
 - b. The length of each extra period shall be four minutes (or half the time of a regulation quarter for non-varsity contests).
 - c. As many such extra periods as are needed to break the tie shall be played. Game ends, if, at end of any extra period, the score is not tied.
 - d. Extra periods are an extension of the fourth quarter.
3. A time-out charged to a team is of either 60-seconds or 30-second duration unless both teams are ready to resume play sooner.
4. No time-out is charged to a team when:
 - a. The floor official grants a player's request because of displaced eyeglasses or lens.
 - b. A correctable error as in 2-10, or a timing, scoring or alternating possession mistake has been prevented or rectified.
5. The sounding of the scorer's signal or game horn does not cause the game timepiece to be stopped.

START THE OFFICIAL TIMEPIECE WHEN:

1. A tossed ball is legally tapped when play is started by a jump.
2. The ball touches a player on the court during a throw-in (if clock has been stopped).
3. An official signals "start the clock." If he or she neglects to do so, the official timepiece should be started unless an official specifically signals that it should not be started.
4. The ball touches or is touched by a player on the court provided the ball is to remain live if the free throw is missed. In these cases, the official will give the start-the-clock signal, but if he or she neglects to do so, the official timepiece should be started when it is apparent the ball touches a player and is to remain live.

STOP THE OFFICIAL TIMEPIECE WHEN:

1. Any period ends.
2. An official gives a time-out signal. The official will order time-out when:
 - a. A foul is called by holding hand with fingers closed at arm's length above head.
 - b. A jump/held ball is declared by giving the jump-ball signal (holding thumbs up at shoulder height away from body and motioning upward with both arms extended).
 - c. A violation occurs by giving the time-out signal (holding hand with fingers extended at arm's length above head) after which the proper violation signal is given.
 - d. There is to be a charged time-out, or an official's time-out for a technical foul, or other stoppage indicated by a floor official who holds a hand at arm's length above the head with fingers extended.

NEAR THE END OF PLAYING TIME:

1. If a watch is being used as the official timepiece, place it so that the timer may see it and the ball. The watch must be stopped the instant the signal ending the game is sounded.
2. When a timing device other than a watch is the official timepiece, the timer must assist in determining the position of the ball when time expires.
3. Some timers, in order to avoid misunderstanding concerning the position of the ball when time expires, have one person watch the official timepiece and count aloud 10 - 9 - 8 - 7, etc., while another person watches the ball and notes its position at the exact moment time expires.
4. If a quarter or extra period ends and:
 - a. The timer has been unable to make an official hear the signal, the timer must immediately notify the official.
 - b. The timing signal fails or is not heard by an official, the timer must be prepared to advise the referee as to whether the ball was in flight when time expired, or whether a foul occurred before or after the period had ended.
 - c. The timing signal is not heard by the officials, testimony of the timer may determine whether a score shall count or a foul shall be charged, unless the referee has information which would alter the situation.
