

2013-2014 Boys/Girls Cross Country Series

Terms and Conditions

In accordance with Section 1.450 of the IHSA Constitution, the Board of Directors has approved the Terms and Conditions governing the 2013-2014 IHSA Boys/Girls Cross Country Tournament Series.

I. SCHOOL CLASSIFICATION

Competition in the IHSA Cross Country Tournament Series will be determined on an enrollment basis.

A. The classification of a school shall be determined on the basis of its total student enrollment figure reported to the Illinois State Board of Education in its Fall Housing Report on September 30 of the preceding school year. Non-boundaried schools will have their total student enrollment multiplied by 1.65.

B. For classification purposes, the total student enrollments for one-year high schools, two-year high schools, three-year high schools and high schools which enroll boys only or girls only shall be calculated as follows:

1. For one-year high schools, the total student enrollment figure reported shall be quadrupled.

2. For two-year high schools, the total student enrollment figure reported shall be doubled.

3. For three-year high schools, one-third of the total student enrollment figure shall be added to the total student enrollment figure reported.

4. For schools which enroll boys only or girls only, the total student enrollment figure reported shall be doubled.

C. A multiplier of 1.65 will be added to all non-boundaried schools.

D. Schools participating in Cross Country operating under the three-class system shall be classified as follows:

1. Schools with enrollments of 0-743.00 will be Class 1A (40.00% of the membership).

2. Schools with enrollments of 743.01-1674.00 will be Class 2A (30.00% of the membership).

3. Schools with enrollments of 1674.01 and-above will be Class 3A (30.00% of the membership).

II. DATES AND SITES

A. Regional meets will be held on Saturday, Oct. 26, 2013, for Class 1A, 2A and Class 3A between the hours of 10:00 a.m. and 3:00 p.m.

B. Sectional meets will be held on Saturday, Nov. 2, 2013, for Class 1A, 2A and 3A between the hours of 10:00 a.m. and 3:00 p.m.

C. The 2013-2014 State Final meet will be held at Detweiller Park, Peoria, on Saturday, November 9, 2013. Peoria High School will host the State Final Meet.

III. SCHOOLS AND OFFICIALS CENTER INFORMATION, ON-LINE ENTRIES, WITHDRAWAL PROCEDURE, ELIGIBILITY, AFFIRMATIVE ACTION AND REGIONAL/SECTIONAL ONLINE LIST OF PARTICIPANTS

The policy for Original School Entry Deadlines, Late Entries, and Late Withdrawals shall be the policies and procedures regarding entry for all IHSA-sponsored sport/activities. Directions: Click on Schools and Officials Center Login (Official Representative or Principal Password is required to perform this task), Enter your "User ID" (5 digits, a letter followed by four number) and Password, go to the activity tracker and click the button to add sports for the upcoming year. Sports Entry Deadlines are Sept. 6 (fall), Nov. 1 (winter) and Feb. 1 (spring).

IMPORTANT NOTICE: The Cross Country On-Line Rules Video presentation begins **August 13, 2013 and ends on September 10, 2013 (schools and officials)**. Each participating school must have each head coach view and receive credit for the 2013-2014 cross country rules video (**Change in By-law 2.120 now requires both team and individual entries to view online rules video**). Track and Field Officials opting to participate in the Cross Country State Series must also view the on-line video. To receive credit the coach/official must view the video in their respective IHSA School/Officials Center. See the On-Line Cross Country Bulletin located on the IHSA Cross Country page for specific instructions.

NOTICE: After you have viewed the video presentation once and have been given credit: If you coach at two different schools or you are a coach and an official, you must contact Cheryl Lowery at the IHSA Office

(clowery@hisa.org), she will manually give you credit.

Below are a few options to assist you in viewing the rules video presentation once you have tried and have failed.

1. Try again on a different computer, preferably in a different location (home instead of school, etc.) Sometimes these files download badly. Going to a different computer/location is the easiest way to get a fresh start.

2. Go back to where you clicked on the link to start the presentation, and **INSTEAD** click on the link below to view the LITE version, which has no video content. Flash video can be an issue for some computers, and the lite version takes this out of the equation.

3. **Do not use a tablet or iPad for viewing Rules Meetings. Our software is not capable for giving credit for people using a tablet or iPad.**

A. On-Line School Entries

All member schools must enter their school into the state series competition through the IHSA School Center on the IHSA Website at www.ihsa.org to compete at the Regional and/or Sectional level in the Cross Country State Series. Do not confuse On-Line School Entries with entering your School's "Regional/Sectional Online List of Participants." (III-F) They are two different processes. On-Line School Entries are used to enter your school into State Series Competition in order for IHSA to assign your school to a Regional and Sectional Meet. The deadline for school entry is September 6, 2013, (for all Fall Sports).

Six Contest Verification (Team entries only)

Teams:

When completing the Regional/Sectional Online List of Participants, only schools team entries must check the Six Contest Verification box to be eligible to compete for team honors. **By must check the Six Contest Verification box** in the Regional/Sectional Online List of Participants, schools are verifying that the school's boys or girls interscholastic Cross Country team has participated in six boys or girls interscholastic Cross Country meets during the current Boys and Girls Cross Country season and is thereby eligible to compete for team honors at the state meet series in accordance with IHSA By-law 3.054.

Individuals: Schools with only individuals competing **do not check the Six Contest Verification box** as they are not required to

meet this requirement. Individual entries are not eligible to compete for team honors in the state series meets.

B. Late On-Line School Entries:

Any attempt to enter a sport or activity on-line after the established deadlines will be denied. Schools that wish to enter after the deadline will be considered late. To be considered for late entry, the Principal/Official Representative must contact the IHSA administrative officer in charge of that sport or activity. The penalty for late entry shall be a payment of \$100.00 for that sport/activity by the school.

C. Breach of Contract By-Law 6.041 (Withdrawal Procedure)

You must withdraw by notifying the IHSA Office, not the Regional/Sectional Manager. To withdraw without penalty, the Official Representative must email Tammy Craig (tcraig@ihsa.org) at the IHSA Office, notifying IHSA of the school's withdrawal from Cross Country prior to the List of Participants deadline.

If a school withdraws after the List of Participants deadline and/or does not show up for competition, the school will be charged a \$100 penalty. If applicable, the school may be charged for any additional financial loss sustained by the offended school(s) or the Association as a result of such breach.

D. Eligibility

All member schools in good standing may enter an individual(s) or a team under the provisions of IHSA By-law 3.054.

In accordance with By-law 3.050, schools are subject to entering eligible student-athletes.

E. Affirmative Action Policy: Only boys may participate in the boys competition in the meet series and only girls may participate in the girls competition in the meet series, except as provided in the Illinois High School Association Affirmative Action Policy.

F. Regional/Sectional Online List of Participants: PLEASE READ THIS SECTION CAREFULLY!! Each school entering the state series (whether entering a team or individuals) must submit its Regional/Sectional Online List of Participants via the Internet through the IHSA Schools and Officials Center Web Site. The Regional/Sectional Online List of Participants must be received in the IHSA Office by **noon on Tuesday, October 22, 2013**. If a school does not submit the Regional/Sectional Online List of Participants by the deadline, coaches and/or participants from the school are subject to sanctions which could include, but not be limited to being ruled ineligible to coach or compete in the State Series. Schools which do not submit their school's Regional/Sectional Online List of Participants and are consequently ruled ineligible for the State Final Series must formally withdraw (see Withdrawal Procedures/Breach

of Contract above in section III-C). The Regional/Sectional Online List of Participants will provide space for up to a maximum of 12 runners (coaches may not fill in empty spaces later, **put 12 runners in now!!!**). The runners listed on the Regional/Sectional Online List of Participants are the only runners the school may use during the state series, beginning with the regional. Substitutions at the sectional and/or state final must come from the list of 12 runners on the Regional/Sectional Online List of Participants. Coaches are encouraged to bring the computer generated copy of their Regional/Sectional Online List of Participants to the Regional and Sectional sites the day of the meet. This list must be printed prior to the On-line List of Participant deadline. **The option to print will not be available after that deadline.** The schools center will indicate deadline passed once the deadline approaches. It does not mean your school didn't complete it. IHSA has to close the site at this point to recover the data submitted and to transfer the data to site managers. **THIS IS YOUR PROOF TO THE HOST IN CASE CONFLICTING INFORMATION IS ACCIDENTLY PROVIDED TO THE TOURNAMENT HOST. WITHOUT THIS DOCUMENT TO USE IN CASE OF CONFLICTS ON RACE DAY, THE HOST CAN NOT ALLOW RUNNERS NOT LISTED ON HIS LIST TO PARTICIPATE!! MAKE A COPY AT THE TIME YOU GO ON-LINE TO ENTER YOUR 12 PARTICIPANTS.** IHSA will utilize the name spellings and year in school data from the Regional/Sectional Online List of Participants submitted by each school entered into the State Series for publication in the State Final Program. If you notice an error in the List of Participants after the on-line deadline, please email (clowery@ihsa.org) or contact Cheryl Lowery at (309) 663-6377 at the IHSA Office. Names and year in school data will not be utilized from the Regional or Sectional Winner Reports.

Confirmation of receipt of Regional/Sectional Online List of Participants: Schools should login to their School Center site on the IHSA website. The Activity Tracker will show "Completed", if you have checked the button indicating you have finished with your report. If it doesn't indicate "Completed", then you must go back into your schools List of Participants and check the button on the Regional/Sectional Online List of Participants indicating you are finished.

Obviously it is far more economical to share the ride with others attending this event. The admission price is the same for a car containing four people or only one person. VII. ADVANCEMENT OF WINNERS

A. Regional to Sectional:

In Class 1A the first seven (7) placing teams and the first five (5) runners who are not members of the advancing teams in each regional will advance to sectional competition at the site to which they are assigned. In addition, in the event the 6th, 7th or 8th place overall individual finisher in the regional is not on a qualifying team, such 6th, 7th or 8th place overall finisher in the individual race shall advance from the regional to the sectional meet.

In Classes 2A and 3A the first six (6) placing teams and the first five (5) runners who are not members of the advancing teams in each regional will advance to sectional competition at the site to which they are assigned. In addition, in the event the 6th, 7th or 8th place overall individual finisher in the regional is not on a qualifying team, such 6th, 7th or 8th place overall finisher in the individual race shall advance from the regional to the sectional meet.

B. Sectional to State Final: The first five (5) placing teams and the first seven (7) runners who are not members of the first five (5) placing teams in each Sectional will advance to the State Final meet. In addition, in the event the 8th, 9th or 10th place overall individual finisher in the sectional is not on a qualifying team, such 8th, 9th or 10th place overall finisher in the individual race shall advance from the sectional to the state final meet.

C. Regional/Sectional Team Ties: For purposes of advancement of teams from regional to sectional and sectionals to the State Final, if a tie occurs at the last qualifying spot, the teams tied advance. Note: In the State Finals, team ties for the first three places will be broken by comparing the 6th runner from each of the teams involved in the tie.

VIII. TOURNAMENT RULES

A. Substitution: Teams shall be considered to consist of a minimum of five (5) up to a maximum of twelve (12) runners, each of whose names must appear on the Regional/Sectional Online List of Participants. Seven (7) runners may be entered at any level in the state series. Any runner listed on the Regional/Sectional Online List of Participants, and only those listed on the Regional/Sectional Online List of Participants, may be used as one of the seven (7) in the regional, sectional and/or state final. Note: No substitutions may be made by a team (coach) after a tag has been issued to any runner from that team at the starting line.

B. Scoring:

1. Team Scoring: The scores of the first five (5) runners from each school to finish the race will be counted in determining the team's score. Runners from these schools will be eligible for team awards. Schools that enter fewer than five (5) runners and/or schools that have fewer than five (5) runners finish the race at any level in the series will not be eligible for team honors. Schools that are not in compliance with by-law 3.054 are not eligible for team scoring.

2. Individual Scoring: Runners from all schools may earn individual awards as provided in section X. Awards A-B-C.

3. Regional/Sectional Video Review: The host school conducting all regional and sectional events must provide some form of video review of the finish line. This video review can be as simple as one video camera and one monitor (television or computer, etc.) or as sophisticated as the host school chooses. Placement of this camera is critical. Please consider its placement (height, angle, etc.) carefully. Meet managers must consult the Meet Referee as the decision regarding camera placement is considered. Only the video of the meet management may be used to review the finish of any race. The Meet Referee will review the video of the finish of race to facilitate accurate scoring of each race. Only

the referee and meet management may view the finish line video (the games committee may also view the video, **but only if invited to do so by the meet referee**).

C. Length of Course: Courses for the regional, sectional and state final meets in either the boys/girls series shall be no more than 3.12 miles (5K) nor less than 2.75 miles in length. Every effort should be made to run on three mile courses. The length of the course for the respective boys/girls Class 1A, 2A and 3A state final will be 3.0 miles.

D. Practice on Course: Practice on the course may be closed if the weather jeopardizes the conditions of the regional, sectional or state final meet course. Weather permitting, practice at the state finals will be allowed beginning at 1:00 p.m. on Friday afternoon.

E. Uniforms: Contestants in the complete meet series shall wear school issued regulation uniforms that meet NFHS rules and the IHSA interpretations that follow:

1. NFHS Rule 9-6: All competitors will wear a school issued uniform (shorts, jersey, or bodysuit; one or two-piece, and shoes). Refer to the online rules video for clarification.

2. NFHS Rule 9-6-1b: Competitors are permitted to wear bodysuits (unitards) in competition. Previously, shorts were required at meets. The bodysuits must still meet other NFHS uniform restrictions, including logo restrictions. They can be either one or two-piece suits.

3. NFHS Rule 9-6-4: Each team member shall wear the same color and design school issued uniform (shorts, jersey, or body suit; one or two piece). Same means "similar" or varying shades of the same color. The printing, design, and or lettering on the jersey or body-suit must be such that each runner can be easily identified, so that as a person views the runner's uniforms together, they appear similar and the team is easily identified. Sleeve length and printing on undergarments do not need to be identical, but need to be similar in color. It is legal for a team to wear more than one undergarment but all team members wearing undergarments must wear the same undergarments.

4. All participants will be issued a numbered bib to be worn on both the front and back of their jersey. The bib must be placed high on the jersey. This will help ensure numbers will be visible upon video review.

5. Once the race has started, there will be no disqualification for an improper uniform (**unless the uniform is altered after being approved at the starting line by an official**). It is the responsibility of the clerk of the course and or the referee/starter to inspect each competitor's uniform prior to the start of a race. They are not to allow a runner to compete in an illegal uniform. If the clerk is unsure of the uniforms compliance with the rules, they will request a ruling from the referee/starter prior to the start of the race. Any runner that alters their uniform after being approved by a clerk of the

course will be disqualified for unsporting conduct (this would include but not be limited to, rolling the top up which could expose the midriff).

6. Removable arm sleeves, calf sleeves and wrist sweat bands are legal to wear in competition.

F. Jewelry: Contestants wearing billed caps, jewelry of any kind, including earrings, adornments such as medallions, will not be permitted to compete. Narrow headbands, bobby pins and small plain hair clips to keep the hair from interfering with a contestant's vision will be permitted. If religious medals are worn, they shall be taped to the body under the uniform. Medical medals can be worn but must be taped to the body and the alert must be visible. Contestants with painted bodies or faces as well as any costumes will not be permitted to compete nor participate in awards ceremonies.

G. State Series Rules: All meets will be conducted in accordance with the Track and Field and Cross Country Running rules published in the current National Federation Track and Field Rule Book (or Illinois interpretation of said rules).

1. **Finish Line:** In the regional meets, sectional meets and at the state final, runners will finish each race at the mouth of the chute (the wide mouth chute is required for regional/sectional/state meets and is highly recommended for all races conducted during the season). This is the front end (wide part-front end) of the chute and not the neck (narrow part-back end) of the chute. The width of the finish line at the State Final Meet will be 15 feet. That is also the minimum width for the finish line for races at the regional and sectional. It is recommended the depth of the chute at the regional and sectional be 15-25 feet. Coaches need to practice their runners finishing races by running past the finish line approximately 15-20 feet in practice and during the regular season. Runners should be taught to run through the finish line just like in races on the track.

2. The races in the regional, sectional and state final meets will finish at the "mouth" of the chute.

3. At the state final meet, computer scoring will be used. The (RFID) computer tag will be attached to the front bib. The bib/chip will be attached with 4 safety pins high on the front of each competitor's uniform. The bib/chip will not be returned to meet management. Competitors must be careful not to bend the front bib as this may damage the computer chip which is attached to the bib. **Essentially the chip is used as a timing device and the torso will be used for scoring (NFHS 9-3-2). Video review will be used to assist in scoring the meet. It is important to note that Illinois interprets this differently than the NFHS in rule 9-3-3.**

H. Ergogenic Aids: The use of oxygen, glucose gel, inhalers, water or other prescribed medication that is not a performance enhancer shall be allowed without prior approval.

I. Timing Devices: Competitors will not be allowed to use/wear watches of any type during IHSA cross country competition.

J. Spiked Shoes: The use of spiked shoes will be permitted in the IHSA Cross Country Series; however, it is recommended that spikes not exceed 5/8 inch in length.

K. Starting Boxes & the area in front of the starting line used for run outs: the only persons allowed in the starting boxes & the area in front of the starting line used for run outs will be the competitors and coaches. Coaches must leave the boxes prior to the start of competition. Once teams and individuals have been called to the starting line by the announcer for final instructions, no further run-outs shall be permitted (NFHS Rule 9-4-4). Starting boxes should be between 4 and 6 feet in width.

L. Finish Line: Meet managers must make every effort to clearly define the finish line. The use of brightly colored cones placed on the outside ends of the actual finish line are recommended.

M. Ethics of Competition and Sportsmanship: Unethical and unsportsmanlike conduct by competitors, coaches and spectators will be penalized under the provisions of By-laws 6.011 and 6.012.

N. The Games Committee: A games committee as described in the National Federation Track & Field rules 3-2-1, through 3-2-8 will be appointed by the meet Manager. This committee shall act as a jury of appeals (3-5-1). The committee may also be called to meet to discuss the suspension of play due to hazardous weather conditions (Note that either the Meet Referee or Meet Management may make the decision to suspend competition as a result of severe weather). Selected individuals can include school representatives.

O. Posting of State Final Results: Results of the individual races and team scores will be posted for the coaches at a designated area following each race. The final results showing individual and team scoring will be also posted for the general public.

P. Posting of Regional/Sectional/State results: Regional/Sectional/State race results will not be posted by meet management or their designee until the results have been evaluated and approved (signed) by the IHSA meet referee.
