

State Final Performance Order

The following formula shall be used to determine the performance order for the State Final: Each Sectional was randomly assigned a letter code (A to E) prior to the start of the State Series: **A: Rolling Meadows-1 and Mascoutah-2, B: Joliet (West), C: Mascoutah-1 and Rolling Meadows-2, D: Bartonville (Limestone), E: DeKalb**. Each team's performance order within a particular division will be determined by the place the team wins at the Sectional tournament, according to the table. In the case of a tie for 5th place at a Sectional, an additional entry will be added at the end of the order. In the case of a tie for any particular place at a Sectional, the teams will perform in the opposite order in the State Finals. For example, at Sectional A, two teams tie for 2nd (and 3rd) place. In the chart, the order assigned to A-2 is #14. The order assigned to A-3 is #18. Reversing the order, the team that performed first in the Sectional is assigned order #18. The team that performed last in the Sectional is assigned order #14.
