D. Tournament Date Changes: No Local Manager shall be permitted to change the date on which the tournaments are played unless given permission by the IHSA Office.

III. ON-LINE ENTRIES, WITHDRAWAL PROCEDURES, ELIGIBILITY, AFFIRMATIVE ACTION AND ON-LINE LIST OF PARTICIPANTS

The policy for Original Entry Deadlines, Late Entries, and Late Withdrawals shall be the policies and procedures regarding entry for all IHSA-sponsored sport/activities included in the 2015-16 Entry Polices and Procedures.

A. On-line Entries: All member schools must enter their school into the state series competition through the IHSA School Center on the IHSA Website at www.ihsa.org. The deadline for entry is September 11. The 2015-16 Entry Policies and Procedures outlining the online entry procedures for all IHSA-sponsored tournaments can be found in the Schools Center on the IHSA website.

The IHSA Board of Directors eliminated the entry fees for all sports and activities starting with the 2005-06 school year.

B. Late Entries: Any attempt to enter a sport or activity on-line after the established deadlines will be denied. Schools that wish to enter after the deadline will be considered late. To be considered for late entry, the Principal/Official Representative must contact the IHSA administrative officer in charge of that sport or activity. The penalty for late entry shall be a payment of \$100.00 for that sport/activity by the school.

C. Breach of Contract By-law 6.041 (Withdrawal Procedure): To withdraw without penalty, the Principal must notify the IHSA Office, in writing, of the school's withdrawal from the respective sport prior to the seeding meeting date and/or the date the *List of Participants* is due for that sport.

If a school withdraws after the seeding meeting date/*List of Participants* due date and/or does not show up for competition, the school will be charged a \$100 penalty. If applicable, the school may be charged for any additional financial loss sustained by the offended school(s) or the Association as a result of such breach.

Note: This Breach of Contract charge affects those sports which have not been penalized the cost of officials or the cost of the host guarantee because those costs are not incurred or those costs are not based on a per game or per night allowance.

D. Eligibility: All member schools in good standing may enter an individual(s) or a team under the provisions of IHSA By-law 3.054.

E. Affirmative Action: Only boys shall be permitted to participate in the boys' state series except as provided in the IHSA Affirmative Action Policy. Only girls shall be permitted to participate in the girls' state series.

F. List of Participants/Substitutions: Each school must enter the names of their 6 eligible starting players on the *List of Participants* form found in the Schools Center on the IHSA web site. No more than six (6) participants from a school may play in the regional, sectional or state final. No alternate names are required. Team substitutions are allowed with any eligible golfer up to the start of each regional, sectional or state final tournament. In addition, team substitutions may be made on Saturday's final round of the state tournament. Substitutions are not allowed for individuals who are not a part of a team and who advance in the state series. Coaches with teams or individuals must complete the *List of Participants* prior to September 28, 2015. The regional manager will be able to view the rosters of the teams competing in their tournament on-line after the 29th to set up tee times for the regional tournament. Sectional managers will be able to view their respective qualifiers through the online winner reports.

G. List of Participants Penalty: In order for a school to complete the entry process for boys' and girls' state golf series, they must enter their team or individual (s) and complete the *List of Participants* by the established deadline date. Schools who fail to complete both parts of the entry process will not be entered into the state series unless a late entry fee is paid.

H. Average Score: The *List of Participants* will ask for the player's average 18 hole score. That score is based on the following criteria.

1. The scores for each player will be from all varsity interscholastic golf tournaments played during the current school year.

2. If a player does not have any varsity interscholastic scores for the current year, then a coach can submit the player's scores from non-school golf tournaments.

3. If a player uses the non-school scores, then the Principal must certify those scores.

4. The scores will be based on 18 holes. If an 18-hole average is not available, then the 9-hole score for a player shall be doubled to reflect an 18-hole score.

5. "No Score" entries will not be accepted.

IV. HOST FINANCIAL ARRANGEMENTS

A. Greens Fees: Participating schools shall be responsible to pay for their own greens fees for the regional and sectional tournaments in addition to any practice round(s) they schedule including the State Final practice round. The IHSA pays for the Friday and Saturday state tournament greens fees.

B. Regional Host School Allowance: Host schools shall pay all local expenses and shall receive a guarantee of \$330.00

C. Sectional Host School Allowance: Host schools shall pay all local expenses and shall receive a guarantee of \$330.00.

D. Rights Fees for TV and Radio:

1. Television Rights Fees to be charged by Local Managers and/or the IHSA are contained in the IHSA Television Policy.
2. Radio Fees, which shall be charged, are:
 - a) Regional = No Charge
 - b) Sectional = No Charge
 - c) State Final = No Charge
3. Policy regarding media requirements for each Local Manager is contained in the current News Media Directory.

V. TOURNAMENT ASSIGNMENTS

A. Team and Individual Honors: In order for a school to compete for team honors, a school must have no less than 4 players, and the school must have participated in six (6) varsity contests prior to the state series. Individuals competing for individual honors only are not required to have competed in six contests. A school can enter no more than six (6) individuals for team or individual honors.

B. Class A/AA Girls & Class 1A/2A/3A Boys: All schools entered will be assigned by the IHSA to one of the sixteen (16) Regional and one of the four (4) Sectional tournaments. Assignments are made geographically.

VI. TOURNAMENT STRUCTURE AND TIME SCHEDULES

A. Tournament Play: All Regional and Sectional tournaments shall consist of one 18-hole round played on a regulation 18-hole golf course. The state tournament shall consist of two 18-hole rounds played on a regulation 18-hole golf course.

B. Tournament Format: Traditional tee times will be used for the state series. It is preferred that the regional and/or sectional tournament manager start competitors from the first and the tenth hole. However, if it is necessary, play may begin on the 1st hole only. All tee times should be nine (9) minutes apart. In extreme weather conditions or in the case of an

oversized field, the regional, sectional or state final tournament director has the authority to use a shotgun start.

C. Pairing Procedures:

1. During the entire state series, 'wave' groupings that pair competitors from teams into team groups and individual qualifiers into individual groups will be used. Foursomes will be used whenever possible, although threesomes can be used as necessary. No group shall have two or more players from the same school.

a) In regionals, tournament managers will determine the team pairings based on the top 4 scores for each team reported on the *List of Participants Form*. Individual competitors will also be paired with other individuals based on scores reported on the *List of Participants Form*.

b) In sectionals, pairings for the wave will be made based on the place the team finishes in their respective regional tournament.

c) For the first day of the state finals, pairings for the wave will be made based on the place the team finishes in their respective sectional tournament.

d) For the final day of the state finals, pairings will be made on scores shot during the first day of the state finals.

e) At all levels of the state series, groupings comprised of individual competitors shall be inserted between different sets of team groupings.

f) Any player disqualified from the first round of the State Final Competition for a Non-Player Code of Conduct violation will be allowed to play in the final round and paired with the highest scores for day one.

g.) For Wave pairings at the regional level and the second day of the state finals, if two or more teams with the same scores are tied, the following criteria will be used by managers to put those tied schools into the correct Wave grouping:

- i) 5th person score
- ii) 6th person score
- iii) Random computer selection

tion

2. Shotgun start: In the event weather causes a manager to use a shotgun start during the state series, 'wave' groupings shall still be used. Managers should keep the groupings together as originally planned, using the following guidelines:

a) For speed of play, par 3's should have the fewest groups on a tee.

b) For speed of play, par 5's should have the most groups on a tee.

D. Conditions of Competition: The IHSA requires that every effort be made to complete the tournaments on the designated schedule. Bad weather is not, by itself, a good reason for discontinuing play. If the rules committee determines that the course is not in a playable condition, or that there are circumstances that

render the proper playing of the game impossible, it may recommend to the tournament director to discontinue and temporarily suspend play or cancel play. In the event that unplayable conditions become playable, the rules committee shall recommend to the tournament director to begin play.

E. Provisions to Discontinue Play:

When the cup is filled with water and there is no relief on the putting green around the cup, conditions become unplayable.

F. Provisions to Suspend Play: Play can be suspended when it does not impact the equity of the tournament. Darkness and lightning that cause all the holes not to be completed in the round are reasons to suspend play. Play can resume from the point at which it was suspended on either the day of the competition or the next possible day, except on the final day of the state finals. If, on the second day of the state finals, play can not be completed because of darkness, the state championship will be determined on the basis of the scores posted Friday.

G. Provisions to Cancel Play: Play can be cancelled when conditions impact the equity of the tournament. When play cannot begin, or when play graduates into bad weather with conditions that worsen throughout the day and reach the point of unplayable, play can be cancelled. When play is cancelled, no scores for the day will count and a new 18-hole round will be played on the next playable day (excluding Sunday). All penalties (except disqualification due to misconduct) incurred in that round are cancelled.

H. State Final Completion: If State Final play begins on Friday, but the opening round is cancelled (not suspended) that day because of weather, scores made on Friday will not be counted and Saturday's round will be the first and final round for the state tournament. If, on the other hand, the opening round is completed on Friday and play cannot occur or is cancelled on Saturday, the State Championship will be determined on the basis of the scores posted on Friday.

I. Start Play: In the event that unplayable conditions become playable, the rules committee shall recommend to the tournament director to begin play.

J. Coaches' State Final Meeting: A state final coaches' meeting will be conducted prior to the first round of the competition. A coach (or a school representative) from each school qualifying a team or individual(s) for the state final must attend that meeting. An assistant coach, athletic director and/or principal may attend in place of the head coach as the official school representative. The purpose of the meeting is to review policies, procedures and local rules governing the conduct of the

state final. Coaches will be responsible for the information reviewed at that meeting regardless of their attendance or non-attendance at the meeting.

1. **Class 1A Boys' coaches meeting** will be held at the Prairie Vista Golf Course beginning at 3:00 p.m., Thursday, October 15, 2015.

2. **Class 2A Boys' coaches meeting** will be held at Weibring Golf Club at Illinois State University at 2:00 p.m., Thursday, October 15, 2015.

3. **Class 3A Boys' coaches meeting** will be held at The Den at Fox Creek Golf Course at 4:00 p.m., Thursday, October 15, 2015.

4. **Class A Girls' coaches meeting** will be held at Red Tail Run Golf Course beginning at 2:00 p.m., Thursday, October 15, 2015.

5. **Class AA Girls' coaches meeting** will be held at Hickory Point Golf Course beginning at 1:00 p.m., Thursday, October 15, 2015.

K. State Final Time Schedule: The tournament manager has the authority to alter the time schedule and tournament format based on local conditions. The planned time schedule for the Boys and Girls State Final Tournament shall be as follows:

1. **First Round** -- Friday, 8:30 a.m. traditional tee times -- First Round (18 holes) of State Final Tournament begins.

2. **Second Round** -- Saturday, 8:30 a.m. traditional tee times -- Final Round (18) holes of State Final Tournament begins.

VII. ADVANCEMENT OF WINNERS

All players who participate in the Regional competition shall be eligible for individual honors. All players who compete in the Sectional tournament shall be eligible for individual honors. All players who advance to the state final shall be eligible for individual honors in the State Final tournament. If teams tie for the low score at the regional or sectional, the tied teams will be deemed the winners of the respective tournament. At the state finals, ties for team awards will be broken as explained later in these Terms and Conditions.

A. Team Scoring: Any school, which enters four, five or six players in the Regional tournament and has competed in six (6) varsity contests, will be considered for team honors and team advancement to the regional, sectional or state final tournament. The four lowest scores of individuals on teams that compete for team honors at the regional, sectional, or state finals will be counted as a team score for any round during the state series.

B. Regional to Sectional Advancement - Class 1A/2A/3A Boys and Class A/AA Girls: Members of the 1st, 2nd, and 3rd place teams shall advance. In addition, the 10 best scoring individuals that are not members of a qualifying team shall advance from the regional to the

sectional tournament. Ties for the last individual qualifying spot will be broken with an on-course play-off.

C. Sectional to State Final Advancement - Class 1A/2A/3A Boys and Class A/AA Girls: Members of the 1st, 2nd, and 3rd place teams shall advance. In addition, the 10 best scoring individuals that are not members of a qualifying team shall advance from the regional to the sectional tournament. Ties for the last individual qualifying spot will be broken with an on-course play-off.

D. Regional and Sectional Team Tie Breakers:

1. In the case of a team tie for the last qualifying spot, the 5th best scoring competitor's score shall be used to break the tie.

2. If a tie exists after the 5th best competitor's scores are used, then the 6th competitor's score shall be used to break the tie.

3. A team which has not entered a 5th competitor shall lose to a team which has entered a 5th competitor.

4. A team which has not entered a 6th competitor shall lose to a team which has entered a 6th competitor.

5. If a tie still exists after using the scores of the 5th best and 6th best competitors, the tied teams shall advance.

E. Regional and Sectional Individual Ties:

1. The sudden death playoff for the medalist position shall be started on a hole determined by the host school manager which may include the first available hole.

a. For awards purposes, ties for first (1st) place shall be broken by a sudden death playoff. All players tied for 1st place will compete in the sudden death until all but one player is eliminated.

b. Players in the sudden death who do not win will be awarded second place medallions.

c. Following a playoff, medals will be awarded to the next actual place. Therefore, following a 4 player playoff for 1st place, medals would be awarded for 1st, 2nd, 2nd, 2nd, and then 5th place.

2. Ties for the last qualifying individual spot will be broken with an on course play-off so that only 10 individuals advance to the next level tournament.

a. The sudden death playoff for the final advancing position shall be started on a hole determined by the host school manager which may include the first available hole.

b. In the event of darkness or weather that prevents completion of play-off on the day of competition, managers will contact the IHSA office.

3. Ties shall not be broken for any other individual places.

VIII. TOURNAMENT RULES

A. USGA Rules: The state series will be conducted under the United States Golf Association's Rules of Golf, state series adoptions as noted in the Terms and Conditions, and the IHSA school manual.

B. Coaching: For the entire state series, the head coach and one assistant coach will be allowed to coach anywhere on the course except the putting green. Coaches must, however, wait until the last player on the green puts out before communication takes place on the next hole. Coaches must not delay teeing off on the next hole. Both the head coach and the assistant coach must meet the IHSA coaching by-laws and be listed on the school's *List of Participants*.

C. Competitor and Coaches Dress Code: For the entire state tournament series, slacks, skirts or skorts designed for golf that are no more than 5 inches above the knee, sport shirts with collar, mock turtlenecks designed for golf, and shoes appropriate for golf and socks define the dress code. Tank tops, short shorts, denim blue jeans, cutoffs or T-shirts will not be allowed for players or coaches. Any coach who does not conform with the dress code should be reported to the IHSA through a Special Report. Any player who does not meet the requirements of the dress code will not be allowed to participate in the tournament. However, a player's dress code violation must be caught prior to teeing off. Any player who begins the tournament in compliance with the dress code and then goes out of compliance, must get back into compliance in order to continue to play.

D. Playing Conditions:

1. During all state series tournaments, players shall play the ball as it lies unless otherwise provided in the USGA's Rules of Golf.

2. **Preferred Lies:** In case of bad weather or unsatisfactory playing conditions, the local rules committee shall have the authority to determine if their tournament shall be played under the "preferred lie" rule.

E. Substitutions: Not more than six (6) competitors per school may participate on each day of the tournament series. Substitutions may be made under the following circumstances:

1. All substitutions must be made no later than one hour prior to the scheduled start of competition for that day.

2. Team substitutions shall be made on a player for player basis, and no adjustments in pairings shall be made to accommodate such team substitutions.

3. If an individual tournament competitor is replaced for team competition, the individual competitor shall be withdrawn from the Individual Tournament.

4. Substitutions may only be made after completion of an 18 hole round.

F. Spectator Code of Conduct: All spectators are expected to adhere to the *Spectator Code of Conduct*. (See *Spectator Code of Conduct* posted in the Forms section of the IHSA Boys' and/or Girls' Golf web site.)

G. Player Code of Conduct: All players are expected to adhere to the *Player Code of Conduct*. (See *Player Code of Conduct* posted in the Forms section of the IHSA Boys' and/or Girls' Golf web site.)

H. Reporting a Code Violation: It is the responsibility of all coaches of participating schools and IHSA administrative officials to monitor player conduct. Any coach or IHSA administrative official who personally observes a Code of Conduct violation may invoke a Code of Conduct penalty. The individual reporting the violation will give notice to the offending player, assess the Code of Conduct penalty and follow up with a written report of the incident to the games committee. The games committee will notify the player's coach of the penalty.

I. Code of Conduct Appeals: Players and coaches will not have the right to appeal to the games committee for the first penalty levied. Players and coaches will be allowed to appeal the second offense by submitting in writing an inquiry concerning the penalty. The inquiry must be submitted by the end of the same day of the incident. The coach and player appealing the second penalty will provide an explanation of the incident to the games committee. The decision of the committee is final.

J. Galleries: Galleries will be encouraged and permitted. However, all spectators must remain a reasonable distance from the competitors. Spectators and competitors must also understand that competitors may be penalized when spectators violate USGA or IHSA rules. The *Spectator Code of Conduct* defines those expectations.

K. Pace of Play/Monitoring: During the IHSA state series, players' pace of play will be monitored by the Rules Committee. Players who fail to meet the predetermined pace of play times for the regionals, sectional, and state finals courses may be subject to penalty for slow play. Tournament managers will establish the pace of play times for each tournament and provide them in advance to competitors. The Rules Committee will be responsible for player warnings and observing groups as needed to determine which players will be penalized. The IHSA Pace of Play Policy, located in the School's and Manager's Manuals, shall be used in implementing this initiative.

L. Artificial Devices: Players are prohibited from playing music with/without headphones, cell phones, artificial devices, or any

unusual equipment that might assist a player in making a stroke.

M. Circle 10 Scoring: The Circle 10 rule may be invoked by a coach during Regional play only. If the Circle 10 rule is invoked, a player picks up their ball after 10 shots or more on any applicable hole. Once the Circle 10 is invoked by a player, that player's score will not be used for advancing team scores, and that player is no longer eligible to advance in the state series as an individual. However, should the player's team advance that player could continue in the state series but only have his/her score count towards the team's score at the next level tournament(s).

N. Measuring Devices: Players or coaches may use USGA approved measuring devices during state series competition. Players or coaches may share distance information with competitors if they wish to do so.

IX. TOURNAMENT POLICIES

A. Player Withdrawals: Regardless of first-day scores or weather conditions, all competitors in the state final tournament should consider it their obligation to complete play on all 36 holes, except in case of illness, injury, or other emergency. Failure to complete assigned rounds is a violation of IHSA By-law 6.040, and the school will be penalized for this breach of contract.

B. School Representative/Coach: In accordance with IHSA By-laws 2.020 and 2.070, if a school does not have a qualified coach or faculty representative present at the tournament site at all times during tournament play, that school's competitor(s) shall not be permitted to participate. Coaches will serve as observers as required by the tournament manager. Only coaches who meet By-law 2.020 and 2.070 may coach or be involved with their players during practice or play.

C. Disabled Spectator Golf Cart Policy: No golf carts are available at the state finals for fans. Shuttles will be available to transport spectators to designated locations at the state final venues.

D. Media Requirements:

1. **Radio and TV Originators:** It is the responsibility of the Local Manager to accept applications, approve requests to originate, collect proper rights fees payments (where required) and make cancellation refunds for television and/or radio play-byplay originations, according to the IHSA Television and/or IHSA Radio Broadcast Policy.

a) Television Rights Fees for all levels of competition below the State Final level shall be paid to the host school and shall become part of the revenue to be shared by the member school(s) and the Association accord-

ing to the financial terms stipulated in these Terms and Conditions.

b) Radio Broadcast Rights Fees are not required for any level of competition in this series (except state final). Local Managers shall permit radio play-by-play originations of the competition.

c) Television and/or Radio Stations which do not apply in advance, or which do not pay required rights fees prior to the start of competition in each respective level in this state series, shall not be given credentials nor allowed access to the facility to originate. Sponsors of the originations for television and radio shall be only those so stipulated in the respective IHSA Television and Broadcast policies.

E. Tobacco/Liquid Nicotine Products: The use of tobacco or liquid nicotine products in any competition area, either during a practice or while a contest is in progress, or affiliated property of any IHSA state series contest by any coach, player, any other person connected with a team, or fan shall be prohibited. State series hosts are required to make all state series contest sites and any affiliated property, including parking lots, fan accommodation areas, and other school or event venue property, tobacco/liquid nicotine free zones on the date or dates of any IHSA event being held at the site.

F. Use of Inhalers: A student with asthma may possess and use his/her medication during an IHSA competition, while under the supervision of school personnel, provided the school meets the outlined procedures for self administration in the Illinois school code.

G. Alcoholic Beverages and IHSA State Series: The possession, distribution, sale and/or consumption of alcoholic beverages are prohibited at the site and on any affiliated property of any IHSA state series contest. State series hosts are required to make all state series contest sites and any affiliated property, including parking lots, fan accommodation areas, and other school or event venue property, alcohol free zones on the date or dates of any IHSA event being held at the site. Violation of this policy by an event host will subject the host to a penalty for violation of IHSA By-law 2.020. Such penalty may include but not necessarily be limited to prohibition against subsequent event hosting assignments. Violation of this policy by a non-hosting member school will subject the school to penalty for violation of IHSA By-law 2.020. Patrons of any IHSA state series contest determined to be in violation of this policy will be removed from the premise, and law enforcement officials will be called as warranted. No ticket refunds will be granted in such cases.

H. Prayer at State Series Contests: Prayer at an IHSA state series contest that takes place over the public address system is prohibited.

IX. AWARDS

A. Regional Individual Awards: Medals shall be awarded to the 1st – 5th place individuals at the Regional tournaments. In the event there are more than 2 players involved in the sudden death playoff for first place medalist honors, duplicate 2nd place medals will be awarded those competitors. In addition, duplicate medals shall be presented to all competitors tied for 2nd -5th place.

B. Regional Team Awards: Plaques shall be awarded to the first place team at the Regional tournament. If teams tie for the low score, the tied teams will be deemed the winners of the regional tournament.

C. Sectional Individual Awards: Medals will be awarded to the 1st-7th place individuals at the Sectional tournaments. In the event there are more than 2 players involved in the sudden death playoff for first place medalist honors, duplicate 2nd place medals will be awarded those competitors. In addition, duplicate medals shall be presented to all competitors tied for 2nd -7th place.

D. Sectional Team Awards: Plaques shall be awarded to the first place team at the Sectional tournament. If teams tie for the low score, the tied teams will be deemed the winners of the sectional tournament.

E. State Final Individual Awards: Medallions shall be awarded to the 1st-10th place individuals and the members of the first, second and third placing teams. In the event there are more than two players involved in the sudden death playoff for the first place medalist, duplicate 2nd place medals will be awarded those competitors. In addition, duplicate medallions shall be presented to all competitors tied for 2nd -10th place.

F. State Final Team Awards: Trophies shall be awarded to the first, second and third placing teams at the State Final tournament. In the event schools tie for a team award at the state finals, the tie shall be broken in the following manner: The fifth best score from the tied teams for both Friday and Saturday will be added together to create a total score. These total 'fifth person' scores will be compared, and the school with the lowest score will beat the other tied school(s). A school that can't produce a two-day 'fifth person' score will lose to a school that can. If the tied schools are still tied after comparing

these 'fifth person' scores, the same process will be followed using the sixth best score from each school for both Friday and Saturday. A school that can't produce a two-day 'sixth person' score will lose to a school that can. If the tied schools are still tied after comparing the 'sixth person' scores, the tied schools will remain tied, and each shall receive the appropriate award.

G. Administrative Awards: Medallions will be awarded to the superintendent, principal, athletic director, and certified athletic trainer, if one is listed on the school's Team Data Form, of the first through third place teams at the state final.

X. OFFICIALS

A. Tournament Rules Committee: Each regional and sectional manager shall appoint (in addition to him/herself) a tournament committee of at least three (3) participating coaches. The decision(s) of the tournament committee shall be final in matters pertaining to the USGA Rules of Golf. Neither the IHSA Office nor the Board of Directors will review tournament committee decisions whether alleged errors are due to faulty judgment or misinterpretation of the rules.

B. Rules Committee:

1. At least three (3) coaches who are familiar with the Rules of Golf should be selected to serve on the committee for a tournament and should be identified to the competitors. The committee members must be available at all times during the tournament.

2. Rulings may only be made by a majority of committee members. However, in complex cases, the committee as a whole should be consulted.

3. It is often advisable for members of the committee to be on the golf course during the tournament in order to be more available to the contestants.

4. At least one member of the committee should be stationed at the scorer table.

5. The State Final rules committee shall be comprised of PGA/LPGA/USGA bona fide rules officials.

C. Games Committee: A games committee will be appointed to oversee the Code of Conduct for spectators and players. Coaches will file a written report of the code violations to the games committee, who will rule on those matters. Tournament managers will appoint a minimum of three (3) participating coaches to serve on the Games Committee.

Coaching: For the entire state series, the head coach and one assistant coach will be allowed to coach anywhere on the course except the putting green. Coaches should be easily identifiable by the Rules Committee and tournament personnel. Furthermore, By-law 2.070 restricts involvement of non-school coaches during practices and competitions throughout the season. Any person involved with high school programs in any respect must meet coaching qualifications. This includes caddying or playing with high school teams. Refer to the Terms and Conditions or the IHSA handbook for more details.

2015-16 Schools'/Managers' Illustrations

IHSA Boys and Girls Golf

Note: *The following illustrations should be used by IHSA regional/sectional managers and participating schools in the application of tournament rules. These illustrations are not intended to be an all-inclusive list, but rather ones aimed at addressing some of the more common situations faced.*

VII. Tournament Rules – Suspension/Cancellation of Play

USGA Rule 33-2d/1

Guidelines on Whether to Cancel Round

Q: In stroke play, under what circumstances should a Committee cancel a round?

A: There is no hard and fast rule. The proper action depends on the circumstances in each case and must be left to the judgment of the Committee.

In stroke play, if all the area around the hole contains casual water, the course should be considered unplayable, and the Committee should suspend play under Rule 33-2d.

Generally, a round should be canceled only in a case where it would be grossly unfair not to cancel it. For example, if some competitors begin a round under extremely adverse weather conditions, conditions subsequently worsen and further play that day is impossible, it would be unfair to the competitors who started not to cancel the round.

Should play be suspended, **USGA Rule 6-8** provides direction for resumption of play procedures that managers should follow.

IX. Awards – Individual Ties

Q: At the end of the two days of play at the state finals, competitors A, B, C, and D are tied for the championship at 146. E and F are tied at 147, and six additional competitors are tied at 148. What are the playoff procedures and to whom are the medallions awarded?

A: Competitors A, B, C, and D will proceed to the first hole for a playoff to determine the first place winner. On hole #1, competitor A has a six, and B, C, and D tie at four. B, C, and D play hole #2, where B and C score four and D scores a three. The playoff is decided. D will be awarded the first place medallion and A, B, and C will receive second place awards. E and F will not playoff and both will be awarded fifth place medallions. The six competitors who are tied for seventh place shall each be awarded seventh place medallions. The same procedure will be followed at the Regional and Sectional.

Affirmative Action - IHSA Policy 30

(The following illustrations can also be found in the 2015-16 IHSA Handbook in the Policy section of that manual)

Boys on Girls Team

Q: Is there any state series in which a boy may compete in the girl's tournament?

A: No. A member school will not be permitted to enter a boy in an IHSA girls' state tournament series in any sport.

Girls on Boys Team

Q: Can a girl participate on a boys' team if she was not a member of the boys' team during the school year?

A: No.

Q: Can a girl, who has participated on the boys' team during the regular season, compete in the boys' state series instead of the girls' state series?

A: Yes. If a member school offers a boys' team but no girls' team in a sport in which the IHSA sponsors both a boys and girls state tournament series, and in which students may compete for individual honors, the school will be permitted to enter a girl in the boys state tournament series provided she has participated on the boys' team in that sport during the regular season.

Q: Can a girl who has participated on the boys' team during the regular season, opt to compete in the girls' state series instead?

A: Yes. The school may elect to enter the girl to compete for individual honors in the IHSA girls' state tournament series in that sport. However, a school will not be permitted to enter a girl in both the IHSA boys' and girls' state tournament series in that sport.

Split Seasons

Q: Can a girl who is participating on the boys' team during the regular season also compete in a girls' meet or contest?

A: No. By competing in a girls' meet or contest, that school has established a girls' season and, therefore, she would no longer be eligible to compete on the boys' team.

Q: If a member school offers both a boys' team and a girls' team in the same sport but in different seasons, can the girl participate on the boys' team?

A: No. That school will be permitted to enter a girl in the IHSA girls' state tournament series only in that sport, even though the boys' and girls' tournaments may occur in different seasons.

Lack of Either Program

Q: If a member school does not offer a boys' team or a girls' team in a sport in which the IHSA sponsors both a boys' and a girls' state tournament series, can the school enter a girl in the boys' state series?

A: No. The school will be permitted to enter a girl in the girls' state tournament series only.

Q: If a member school offers a girls' team but no boys' team in a sport in which the IHSA sponsors both a boys' and a girls' state tournament series, can the school enter a girl in the boys' state series?

A: No. The school will be permitted to enter a girl in the girls' state tournament series only.

Regular Season Participation Limits

Q: During the regular season, does the IHSA Sex Equity Policy apply?

A: During the regular season, local school districts will need to make that determination based on the Illinois Sex Equity Policy and Title IX. The IHSA Policy applies to the IHSA state series only.

- Q: Can a girl who has entered in the **girls' state series**, but is participating on a boys' team during the regular season, play in the girl's conference championship?
- A: Maybe. Once a girl participates in a girl's contest, the school has established a girls' season, and therefore, she must cease participation with the boys' team. If the conference meet is the last meet she will play in before the girls' state series, then she could participate in the conference meet and any other girl's contests before the state series.
- Q: Can a girl who competes in the girls' season, participate in a practice with the boys' team if both the boys' and girls' seasons are the same?
- A: Yes, provided both programs are in the same season. If the programs are in different seasons, as in tennis, swimming, soccer, volleyball, and gymnastics, then a girl may not practice with the boy's team.

Multiple School Golf Interpretations

If there are 4 or more schools playing in a non-conference golf tournament held during a day when one of the competing schools is in session, that school could only play in the event if the school's players teed off after 1:00 p.m.

If there are 4 or more schools playing in a conference golf tournament held during a school day, that tournament can begin as early as 8:00.

If a team wants to practice for their regionals or sectionals at the regional or sectional site during a school day, then they can begin no earlier than 15 minutes after the host school is normally out of school.

If a team wants to practice for their regionals or sectionals at the regional or sectional site during a school day, but their school is not in session, then they can practice at their regional or sectional site any time that day.

Accommodations Requests

Each school seeking an accommodation for a player outside of USGA rules or those rules/policies set forth in the School Manual should complete the IHSA *Accommodations Request Form* and submit it to the IHSA office for review.

Motorized Golf Cart Request for Fans

Regular motorized golf carts will not be provided to spectators (including club members) at the IHSA State Final Tournament, regardless of availability at the site or condition of the spectator. The IHSA follows the USGA policy in that it makes transport units available at the state final course during the competition on a first come, first served basis. Offering to take the "disabled" person to a couple of selected spots on the course to view play as it comes through that area is acceptable and should be encouraged. No one will be shuttled to view play hole by hole, regardless of their condition or relationship to a player in the event.

If someone inquires prior to or at the event as to whether they may bring their own motorized wheel chair or similar transport unit, that would be acceptable provided the spectator stays within the designated paths.

Interpretations

1. Section VII. O. in both the boys' and girls' golf Terms and Conditions prohibits the use of cell phones during state series competition by players. Coaches need to ensure that players are not taking the course with cell phones on their possession. It is not a function of the rules committee to determine the reason for a player to be on a cell phone during competition. Any such use will be considered receiving advice. In the event that a player uses a cell phone during play, here is the appropriate course action for managers to take:
 - 1st offense – player is warned, phone should be taken from player and given to his/her coach until the round is completed.
 - 2nd offense – should the phone not be taken from the player, a second offense is a 2 shot penalty.
 - 3rd offense – disqualification.
 This prohibition does not extend to coaches, who are allowed to use them while play is occurring. However, cell phones should not interfere in any manner with play. Coaches need to make sure their phones are on vibrate and not allow them to become a distraction on the course.
2. Schools are reminded that by-law 2.060 addresses the time when they can begin golf practices at state series sites. Schools can begin practice sessions at state series golf sites 15 minutes after the host school's dismissal time, unless the member school who wishes to practice at a state series is not in session on a given day. In those cases, schools can practice at a state series site at any time since those students are not missing any school time.
3. Q. During a high school match, a brief downpour hit the course. The players continued play since there was no lightning or thunder. During the round, a player's mother brought out to the course an umbrella and rain jacket. She gave her son the items, and the player took the umbrella and put it over his bag while he hit his shot to the green. The rain stopped minutes later. Upon completion of the round, the issue was raised as whether the mother, who handed the umbrella to her son, was an outside agency and, if so, had she influenced the round.
 - A. An umbrella is not considered equipment of the player until he is carrying it. The fact that the player's mother brought him the umbrella is fine, just as it would have been okay for a coach to take all of his/her players an umbrella when the rain started. As a result, this is not a rules infraction.

Understanding Your High School Golf Season and Your IJGA Season.

- 1Q. What is the starting date for the IHSA Boys and Girls Golf Season?**
1A. The first practice for the IHSA boys and girls golf season may begin on Wednesday of Week 6 of the IHSA calendar. For the next four (4) years, those dates are August 12, 2015, August 10, 2016, August 9, 2017, and August 8, 2018.
- 2Q. When does the high school season actually start?**
2A. The high school golf season begins when the school engages in its first golf practice, try out, or team meeting.
- 3Q. When must students cease non-school golf competition and/or practice?**
3A. Students must cease non-school golf competition or non-school golf practices 7 days after a school engages in its first golf practice, try out, or team meeting.
- 4Q. Are there any IJGA Playing Member events that “overlap” with the start of the IHSA Golf Season?**
4A. Currently there are, but at this time there are no IJGA events that are conducted more than 7 days after the start of the golf season.
- 5Q. What if a student qualifies for the IJGA Boy’s Tournament of Champions and/or The “Rog” which typically falls after the start of a school season, can a high school coach prohibit the student from playing in it?**
5A. Yes. If these tournaments are conducted after your school has engaged in its first practice, then the school does have the authority to prohibit participation. It is always best to have an advance conversation with your coach about his/her team policy.
- 6Q. Where can an individual find the IHSA Rules as they relate to golf?**
6A. The rules of play are the USGA rules of golf. The rules that govern the state series are called the Terms and Conditions, and your high school coach can help you with any questions related to that. The rules that govern high school eligibility including the season limitation rules are called by-laws, and your coach, Athletic Director and/or principal can help you with the interpretations of those rules. All this information can be found on the IHSA website at www.ihsa.org. Once there, click on boys or girls golf.
- 7Q. What is the process for asking for an exception to be granted by the IHSA to play in a non-school tournament?**
7A. An exception may be made by the IHSA Executive Director under the guidelines adopted by the Board of Directors for competitions sanctioned directly by the National Governing Body or its official Illinois affiliate for the sport. The high school Athletic Director or Principal is the person who has the authority to request that exception in advance of the event. Know that local club tournaments or scrambles do not meet the requirements of the by-law.
- 8Q. Can parents contact the IHSA to request the exemption?**
8A. No. Requests must come from a member school. Schools must download, complete, and submit the ‘Non school competition Participation Request Form’ to the IHSA Executive Director to secure a ruling for the student.
- 9Q. Can a student just go ahead and play in the tournament without my school making the request?**
9A. No. A member school must request and be granted an exception prior to the tournament.
- 10Q. What is the penalty for a golfer violating the season limitation rule?**
10A. Penalties for playing in a non-school event during the high school season generally include player ineligibility, forfeiture of team wins, and school sanctions.

IHSA Golf

Pace of Play Guidelines

The pace of play is an important element in having a good experience at tournaments. Slow play is often a combination of little things not being done that contribute to slow play and on-course traffic jams. Know that the pace of play policy isn't designed to have players rush their shots; it is intended to make players ready to take their shot when it is their turn. The thrust of the policy is to encourage players to move more quickly to their next shot and therefore behave more efficiently on the course. In short, coaches teach your players to be prepared and ready to play.

As coaches teach their players about managing their pace, they will find themselves focusing on simple things like clarifying who gets the flagstick after putting, instructing players where to leave their golf bags and designating who should be up on the tee.

STROKE PLAY

Summary

When a group is *out of position* at any checkpoint the players in the group are liable to penalty under these guidelines. Players in a group that has missed one or more checkpoints may be liable to penalty according to the following schedules of penalties pending final determination of whether a breach or breaches of these guidelines have occurred:

Checkpoints will be on completion (flagstick in the hole) of the 4th, 9th, 13th and 18th holes.

1st missed checkpoint* – warning

2nd missed checkpoint – liable to a one stroke penalty

3rd missed checkpoint – liable to a two stroke penalty

4th missed checkpoint – liable to disqualification

* If a group clears the 3rd checkpoint and has not missed any other checkpoints, but is out of position at the 4th checkpoint, each player in the group is liable for a one stroke penalty if in the Committee's view a reasonable effort was not made by the players to complete their round within the allotted time for the final checkpoint.

Allotted Time

Groups have an allotted time to complete 18 holes at a pace in accordance with the time chart. When a group falls behind – regardless of the reason – it must regain its position. Time for ball searches, rulings, and walking time between holes is included in the allotted time.

Definition of "Out of Position" – Stroke Play

FIRST GROUP (off the 1st and 10th holes, both morning and afternoon): The first group is *out of position* if it takes more than the allotted time to finish a checkpoint hole (see below checkpoint time table).

FOLLOWING GROUPS: A following group is out of position if it

- a. takes more than the allotted time to finish a checkpoint hole **and**
- b. completes play of a checkpoint hole more than 14 minutes after the preceding group completed play of that hole.

Time charts outlining the time per hole, including the finish times for the checkpoint holes are drafted by the manager.

SAMPLE:	Hole#	4 / 13	9 / 18	13 / 4	18 / 9
	Time allotted	1:01 / 1:03	2:15 / 2:21	3:21 / 3:25	4:39

Group Out of Position

When a group is *out of position* at a checkpoint, it will be notified by a Checkpoint Official. When a group has been notified of a missed checkpoint, that group is expected to regain its position before reaching the next checkpoint. If that group reaches the next checkpoint *out of position* each player in the group may incur the applicable penalty for a breach of these guidelines.

Any group that is *out of position* may be monitored by a Rules Rover.

A player concerned about a non-responsive (slow) fellow-competitor in his/her group, who is delaying play, should request a Rules Rover to monitor the group in case the group is or becomes liable to penalty under these guidelines.

Final Determination Regarding Breach/Review Process

Before returning his/her score card, a player who is liable for penalty during his/her round may consult with the Pace of Play Committee to determine if he/she has incurred a penalty under these guidelines. The Pace of Play Committee will determine that a player who has been found to be *out of position* is not in breach of these guidelines only if:

- a. the player was delayed by the Committee; or
- b. the player was delayed by a circumstance beyond control of the player or the group; or
- c. the player was delayed by another player in the group.

A player who was *out of position* during his/her round and who elects not to consult with the Pace of Play Committee to determine whether she was in breach of these guidelines prior to returning his/her score card is deemed to be in breach of these guidelines and may incur a penalty or penalties according to the above schedule of penalties.

If a player or group incurs a penalty, penalties are to be applied to the checkpoint hole where the breach occurred.

2015-16 Rules of Golf

(A quick reference guide)

This guide features the most common situations a player will face on the golf course. It includes a simplified explanation for interpreting rules that can be confusing or difficult when a player is on the golf course. Keep a copy of this quick reference in golf bag.

Yellow Staked Water Hazard

If your ball is in this hazard, you may not ground your club or remove loose impediments. You have one of the following options when playing the ball:

1. Play the ball as it lies...**NO PENALTY**;
2. Play another ball from the spot where the previous stroke was played...**STROKE AND DISTANCE**;
3. Drop a ball behind the hazard anywhere along the line extending from the hole through the point where the ball entered the hazard...**ADD 1 STROKE PENALTY**; or

OTHER SITUATIONS

Out of Bounds (Stroke and distance penalty)

- ❖ Return and play another ball from the spot where the previous stroke was played...**STROKE AND DISTANCE**.

Lost Ball (Stroke and distance penalty)

- ❖ Return and play another ball from the spot where the previous stroke was played...**STROKE AND DISTANCE**.

- ❖ The ball lies in casual water on the course or the player is standing in casual water or casual water interferes with the player's area of intended swing.
- ❖ The ball comes to rest in an area marked as "Ground Under Repair" or the player is standing in the GUR or the GUR interferes with the player's area of intended swing.
- ❖ A staked tree interferes with the lie of the ball, player's stance, or area of intended swing.
- ❖ The ball becomes embedded in its own pitch-mark in any closely mown area. Note: As provided in Appendix I a player gets relief through the green. A ball must be dropped as near as possible to the embedded ball pitch-mark.
- ❖ The ball comes to rest on the wrong putting green.
- ❖ An artificial yardage marker or sprinkler head interferes with the lie of the ball, player's stance, or area of intended swing.
- ❖ A golfer is in any kind of life-threatening situation (i.e. snakes, alligators, wild dogs.)

No Relief Situations The golfer must play the ball as it lies ...or take a penalty stroke for an unplayable lie when:

- ❖ The ball lies next to a fence, wall or stake that defines the out-of-bound area.
- ❖ The ball lies next to trees or bushes that inhibit golfer's swing.
- ❖ The ball is embedded in a hazard.

Other Situations

- ❖ A golfer knocks ball off tee at address...**NO PENALTY** (ball not in play).
- ❖ A golfer is allowed to remove a **RED** or **YELLOW** stake that impairs the swing or stance, provided the golfer does not move the ball.
- ❖ If the ball lands on an opposite tee box, a player **MUST** play the ball as it lies...**NO PENALTY**.
- ❖ When the ball is overhanging the hole, a player is allowed reasonable time to reach the hole and then up to 10 seconds to determine if the ball is at rest before marking the ball or tapping in.
- ❖ If a ball lands on a divot or in a divot hole, the player must play the ball as it lies.
- ❖ If a player hits the ball of another golfer (the wrong ball), that player must correct his mistake by going back and playing his ball from the correct location, adding a **2 STROKE PENALTY**.

Player's Responsibilities for an IHSA State Series Tournament

2. Players should check in with the starter approximately 15 minutes early and appear promptly when announced, ready to play.
3. Players should check their scorecard for hole by hole accuracy before attesting and signing. In accordance with USGA Rule 6-6b, a player is only responsible for his/her hole by hole score.
4. Players are responsible to make sure that a fully completed, attested scorecard is given to the scorekeeper as soon as possible.
5. Players should play as quickly as possible and without undue delay between shots, green and tees.
6. Players should keep up with the group ahead of them.

- Blue denim shorts, short shorts, cut-offs shorts, gym shorts or jeans.
- Cutoffs

If during the round, a player who began in compliance goes out of compliance with the dress code, she/he must get back into compliance in order to continue play.

IHSA Severe Weather Safety Guidelines

To be used during any IHSA state series contest

When thunder is heard, or a cloud-to-ground lightning bolt is seen, the thunderstorm is close enough to strike your location with lightning. Take shelter immediately.

Lightning is one of the most consistent and underrated causes of weather-related deaths or injury in the United States. Nearly all lightning-related injuries occur between the months of May and September and between the hours of 10:00 a.m. and 7:00 p.m. Therefore, the greatest concern for injuries in an outdoor contest appears to be during that time, though it can happen any time of year.

It is essential that local managers, competing schools, and contest officials establish dialogue in advance of contests or events to ensure that all involved are aware of what the plan will be in determining whether or when to suspend play. Local managers are encouraged to share their plan with competing schools and assigned contest officials *prior to the start of the tournament/event*.

Advance Planning:

Local Managers should have a documented plan in place, designated people who are responsible for monitoring the weather and a qualified person (typically a trained manager and/or officials) to make the decision to suspend play. In state series competitions, the **local tournament manager** or official(s), if assigned, can make the decision to suspend play.

Monitoring Weather:

Local Managers during the contest should be aware of any potential thunderstorms that may form during the competition; if an evacuation is needed, managers should also know how long it would take teams to get to their safest location. Monitoring the weather with a weather alert radio, or with lightning detection systems, or any other available means, is recommended.

If competing schools have portable devices they will be bringing to a contest/event and/or have specific policy or directions from their administration that they must follow, the school must communicate those to the tournament manager. Tournament managers must know the policies of each school assigned to their tournament or event prior to its start.

Lightning Awareness

Generally speaking, it is felt that anytime a cloud-to-ground strike of lightning can be seen, or thunder heard, risk is already present. It is time to seek shelter.

Criteria for Suspending Play

If the local management does not have commercial weather warning equipment at the site or an efficient method of making an accurate, timely decision on location, listening for thunder is the best way to mitigate the danger. If thunder is heard, or lightning is seen hitting the ground, the thunderstorm is close enough to strike in your location. According to the National Weather Service, lightning can strike 10 miles away from the parent thunderstorm. When thunder roars, go indoors! It is important that local manager monitor not only how far away the lightning is but also how fast it is approaching. Thunderstorms can form and move quickly and danger can arrive quickly.

Either tournament/event management or assigned contest officials have the authority to suspend or cancel interscholastic contests. It is recommended that those groups work together in making such determination and use any and all available information in doing so. Participating schools with concerns at particular events should direct those to tournament/event management or assigned contest officials.

The following guidelines should be followed in determining when to suspend an event:

1. Anytime a cloud-to-ground strike of lightning can be seen, or thunder heard, risk is present, and a contest should be suspended. At that point, the 30 minute rule for resumption should go into effect.
NOTE: Due to the layout of some outdoor facilities, contest officials or tournament managers may not be able to see lightning actually "strike the ground." However, whenever lightning is seen moving out of clouds towards the ground, it can be assumed that the lightning is, in fact, striking the ground somewhere, and, as a result, the contest should be suspended.
2. If lightning or thunder is not present but the weather is starting to become ominous, tournament management and/or contest officials should use all available information to determine if and when a contest should be suspended. Care for both participants and spectators should be taken into account at this point. In doubt, contest officials or tournament managers are encouraged to exercise caution and suspend play. At such a point, tournament officials should be ready to implement their emergency plans. However, competing schools who pull their teams or athletes off a field of competition prior to a contest or event's suspension do so at the risk of forfeiture or disqualification from the game or event.
3. Suspended contests or events should be resumed at a time when the weather and/or field conditions allow for resumption.

Evacuation Plan

Safe Areas: All personnel, athletes and spectators should be clearly informed of available safe structures or shelters in the event a thunderstorm approaches. A safe structure is any fully enclosed building frequently used by people. In absence of that – athletes and spectators should go to any vehicle with a hard metal roof. Roll up the windows and do not touch the sides of the vehicle. If no safe structure or vehicle is available, find a thick grove of small trees surrounded by taller trees or a dry ditch. Assume a crouched position on the ground with only the balls of your feet touching the ground. Wrap your arms around your knees and lower your head. Minimize contact to the ground since lightning often travels through the ground.

Avoid: Tall trees or objects like light poles or flagpoles, individual trees, standing pools of water and open fields. Also avoid being the highest object on the field. Do not take shelter under trees. Avoid bathrooms if another building is available, and do not use a land-line telephone. A cellular phone or portable phone is a safe alternative if in a secure shelter or vehicle.

Resuming Activity

The NSSL (National Severe Storms Laboratory) recommends that everyone should wait at least 30 minutes after the last flash of lightning or sound of thunder before returning to the field or activity.

Emergency Action Plan (EAP)

In accordance with By-law 2.150, a school shall have on file for each student that participates (including practice) in interscholastic athletics a certificate of physical fitness issued by a licensed physician, physician's assistant or nurse practitioner as set forth in the Illinois State Statutes not more than 395 days preceding any date of participation in any such practice, contest or activity. As this By-law addresses pre-participation certification only, there is not a guideline or By-law in place to address release to interscholastic activity following an injury, with the exception of head injury/concussion. With the understanding that schools throughout the state have different needs and services available to them, this document was produced to provide guidelines on an athlete's return to activity following an injury.

Each school should have a written Emergency Action Plan (EAP) in place to address medical emergencies among athletes, staff, officials, and spectators, regardless of severity, occurring during a practice or competition. The plan should also address severe weather, fire, electrical failure, bomb threat, criminal behavior, or other possible emergencies. This plan should be developed to address the unique needs of the individual sport and venue.

EAP's should consist of the following components:

- Personnel
- Communication
- Equipment
- Emergency Medical Care
- Player Medical Information
- Game-day Responsibilities (includes appropriate sideline preparedness)
- Catastrophic Incident Plan

While each school's sports medicine/medical service needs and availability are different, guidelines should also be developed to assist the coaching staff on what injuries should be allowed to return to competition without a medical release. It is not practical to identify every situation or injury; however the following guidelines should assist the school/coaching staff on determining if the athlete should be allowed to return to activity without a release.

1. No swelling or deformity.
2. No headache, nausea, blurred vision, tingling, numbness or sensory changes.
3. Symmetrical (equal to the other side) joint range on motion and strength.
4. Ability to bear weight, without a limp, if injury occurs to the lower body.
5. Ability to complete full functional sporting activities without compensation.

Please remember that the majority of high school athletes are a minor. If there is a question as to their injury and ability to participate, the parents/guardian should be consulted.

Athletes that are unable to meet the above criteria should be encouraged to seek medical treatment prior to return to interscholastic activity. Those athletes that seek medical treatment should be required to provide a written medical release indicating their ability to participate. Without obtaining this release, the school may assume legal liability if the athlete is allowed to participate in activities not permitted by their medical provider.

A proper plan establishes accountability, should be comprehensive, yet flexible, practical, and easily understood. The written EAP must be revised, approved, distributed, and should be rehearsed regularly prior to every athletic season. The athletic department, administration, and sports medicine team share the responsibility to establish, practice, and execute the EAP.

A sample venue-specific is included as a part of this document, which was developed from portions of the third and fourth editions of National Federation of State High School Associations Sports Medicine Handbook. Prevention of Heat Illness Guidelines

Athletes participating outdoors in hot, humid weather or indoors, in non-air conditioned or poorly ventilated gyms are susceptible to heat related illness. While it is the responsibility of each school participating in an IHSA contest to allow adequate acclimatization to the heat prior to the contest, it is the authority of the local manager to adjust or alter a contest based on the environment. Managers should check the environment one-hour before the scheduled contest.

If a high risk is present, the manager has the authority to alter game conditions. Athletes should drink one to two cups of water in the hour preceding competition and continue drinking during the activity every 15-20 minutes. If conditions become severe the manager may suspend or alter the contest. Altering the contest may include stoppage of play for a mandatory drink period, stopping play for a rest period where gear and clothing may be loosened to allow heat loss, stopping play to allow for removal of outer clothing, socks and or shoes or even postponing the contest.

Local Managers should refer to the Heat Index Table below if the host school does not have a plan or means to assess both the temperature and humidity prior to the contest. This heat index can be used to define caution, extreme caution, danger and extreme danger risk conditions. Additional heat and hydration information can be found by accessing the Sports Medicine link on the IHSA web site at www.ihsa.org.

IHSA Protocol for Implementation of NFHS Sports Playing Rule for Concussions

“Any athlete who exhibits signs, symptoms, or behaviors consistent with a concussion (such as loss of consciousness, headache, dizziness, confusion, or balance problems) shall be immediately removed from the contest and shall not return to play until cleared by an appropriate health care professional.”

The above language, which first appeared in all National Federation sports rule books for the 2010-11 school term, reflects a strengthening of rules regarding the safety of athletes suspected of having a concussion, but not a revision in primary responsibilities in these areas. Previous rules required officials to remove any athlete from play who was “unconscious or apparently unconscious.” This revised language reflects an increasing focus on safety, given that the vast majority of concussions do not involve a loss of consciousness. However, the revised language does not create a duty that officials are expected to perform a medical diagnosis. The change in rule simply calls for officials to be cognizant of athletes who display signs, symptoms, or behaviors of a concussion from the lists below and remove them from play.

NOTE: The persons who should be alert for such signs, symptoms, or behaviors consistent with a concussion in an athlete include appropriate health-care professionals, coaches, officials, parents, teammates, and, if conscious, the athlete him/herself.

Definition of a Concussion

A concussion is a traumatic brain injury that interferes with normal brain function. An athlete does not have to lose consciousness (be “knocked out”) to have suffered a concussion.

Behavior or signs observed indicative of a possible concussion

- Loss of consciousness
- Appears dazed or stunned
- Appears confused
- Forgets plays
- Unsure of game, score, or opponent
- Moves clumsily
- Answers questions slowly
- Shows behavior or personality changes
- Can’t recall events prior to or after the injury

Symptoms reported by a player indicative of a possible concussion

- Headache
- Nausea
- Balance problems or dizziness
- Double or fuzzy vision
- Sensitivity to light or noise
- Feeling sluggish
- Feeling foggy or groggy
- Concentration or memory problems
- Confusion

This protocol is intended to provide the mechanics to follow during the course of contests/matches/events when an athlete sustains an apparent concussion. For the purposes of this policy, appropriate health care professionals are defined as: physicians licensed to practice medicine in all its branches in Illinois and certified athletic trainers.

1. During the pre-game conference of coaches and officials, the official shall remind the head coaches that a school-approved appropriate health care professional will need to clear for return to play any athlete removed from a contest for an apparent head injury.
2. The officials will have no role in determining concussion other than the obvious situation where a player is unconscious or apparently unconscious as is provided for under the previous rule. Officials will merely point out to a coach that a player is apparently injured and advise the coach that the player should be examined by the school-approved health care provider.
3. If it is confirmed by the school’s approved health care professional that the student did not sustain a concussion, the head coach may so advise the officials during an appropriate stoppage of play and the athlete may re-enter competition pursuant to the contest rules.
4. Otherwise, if an athlete can not be cleared to return to play by a school-approved health care professional as defined in this protocol, that athlete may not be returned to competition that day and is then subject to the IHSA’s Return to Play (RTP) Policy before the student-athlete can return to practice or competition.
5. Following the contest, a Special Report shall be filed by the contest official(s) with the IHSA Office through the Officials Center.
6. In cases where an assigned IHSA state finals event medical professional is present, his/her decision to not allow an athlete to return to competition may not be over-ruled.

Additional information regarding concussion has been made available to IHSA member schools and licensed officials and can be accessed on the IHSA Sports Medicine website at <http://www.ihsa.org/Resources/SportsMedicine.aspx>.

Concussion Information

Return to Play (RTP) Policy

Background: With the start of the 2010-11 school term, the National Federation of State High School Associations (NFHS) implemented a new national playing rule regarding potential head injuries. The rule requires “any player who exhibits signs, symptoms, or behaviors consistent with a concussion (such as loss of consciousness, headache, dizziness, confusion, or balance problems) shall be immediately removed from the game and shall not return to play until cleared by an appropriate health care professional.” In applying that rule in Illinois, it has been determined that only certified athletic trainers and physicians licensed to practice medicine in all its branches in Illinois can clear an athlete to return to play the day of a contest in which the athlete has been removed from the contest for a possible head injury.

Policy: In cases when an athlete is not cleared to return to play the same day as he/she is removed from a contest following a possible head injury (i.e., concussion), the athlete shall not return to play or practice until the athlete is evaluated by and receives written clearance from a licensed health care provider to return to play.

For the purposes of this policy, licensed health care providers consist of physicians licensed to practice medicine in all its branches in Illinois and certified athletic trainers working in conjunction with physicians licensed to practice medicine in all its branches in Illinois.

Mandatory Concussion Course for Coaches

House Bill 5431 went into effect for the 2014-15 school year. The legislation requires ALL high school coaches and athletic directors to receive a certificate of completion every two years for an online concussion awareness and education program developed by the IHSA.

The program includes a presentation and other supplementary materials that ALL high school coaches and athletic directors need to review prior to taking a required exam over the curriculum. Individuals will be required to demonstrate proficiency on the exam by scoring at least 80% in order to serve as an athletic coach at an IHSA member school. The legislation also requires student-athletes to watch the association-developed video presentation portion of the over-all curriculum each year.

The program includes information on concussion awareness training, concussion recognition, best practices for avoiding concussions, return to play guidelines, and sub-concussive head trauma. Coaches will be able to access the program after logging into the IHSA Schools Center and clicking on the “CON” tab, which will be located under the ‘Departments’ heading on the Schools Center homepage.

Unmanned Aerial Vehicle (Drone) Policy

For IHSA Tournaments

Effective February 18, 2015

The use of unmanned aerial vehicles (“UAV”), also known as drones, is prohibited for any purpose by any persons at IHSA tournament venues. Tournament management shall refuse admission or entry to anyone attempting to use a UAV; and if necessary, tournament management shall remove anyone attempting to use a UAV and/or confiscate the UAV until the event has been completed.

For purposes of this policy, a UAV is any aircraft without a human pilot aboard the device.

An exception to this policy may be made in specific cases for IHSA broadcast partners, provided the management of the tournament facility permits the presence of UAVs for broadcast purposes under the control of the IHSA.

Player Conduct

The IHSA expects players in its meets to demonstrate proper etiquette at all times during play, including during the state series. While the Rules provide a Committee with a means of disqualifying a player for a serious breach of etiquette and the code of conduct allows coaches to penalize players, it should be noted that imposing such a penalty is a serious matter and truly requires a “pattern of behavior” on the part of a player.

Most conduct related issues at IHSA meets relate to players that allow their emotions to get the best of them resulting in outbursts of emotion and/or profanity, throwing a club, banging equipment, etc., and are not generally directed at a committee member, club employee/member or another player. In some cases conduct related issues can arise in a practice round.

The following are specific issues related to player conduct that coaches/players must be familiar with:

- The rules committee/coaches have full authority to deal with conduct related issues.
- In cases where the player loses his/her temper and is acting badly, the authority should approach the player and ask him to regain his/her composure. It is not necessary to follow up with IHSA on incidents of this type unless the player is disqualified for unsportsmanlike conduct.
- In cases where the player’s behavior escalates to a point where the player damages the golf course (or golf course property, e.g., a tee-marker) or results in a verbal confrontation with a committee member or club employee/member, the authority must approach the player, ask him/her to regain his/her composure and advise him/her that another similar episode will result in their withdrawal from the round.
- In a case where the player’s behavior is so egregious that immediate disqualification may be warranted, the IHSA must be contacted via special report. In such cases the student will be suspended from his/her school’s next contest per by-law 6.011.
- In all cases when a player is reported to the IHSA, the report will be followed up on by the administrator in charge of the boys or girls program. Additionally the Athletic Director of the disqualified player must be notified no later than the next day. It is the school’s responsibility to impose the penalty associated with the by-law violation.

Boys and Girls Golf Participant Code of Conduct

I. Rationale

Unlike many sports, golf is played without the supervision of a referee or umpire. The game relies on the integrity of the individual to show consideration for other players and to abide by the rules. All players should conduct themselves in a disciplined manner, demonstrating courtesy and sportsmanship at all times, irrespective of how competitive they may be. This is the spirit of the game of golf.

If individuals consistently disregard the spirit of the game during a round of golf or over a period of time to the detriment of others, the rules and games committee will take the appropriate action against the offending spectator, player or school representative. The code of conduct is designed to protect the interest of the majority of the golfers who wish to play within the spirit of the game, within the rules of golf. In case of a serious breach of etiquette during the state tournament, a player may be disqualified or a non-player may be removed from the course during the practice round and/or one or both days of the tournament.

II. Policy and Penalties

1. For willful acts of defacing the golf course, club throwing or breaking, or abusive language, a player will be assessed a **2 stroke penalty** for unsporting conduct.
2. For a second occurrence of unsporting conduct in the same day – the player will be **disqualified and ejected** for the day. Head Coach must submit a “Special Report” to the IHSA. A link to the form can be found in the IHSA Schools Center.
3. For a third occurrence of unsporting conduct any time during the tournament day or days or a single act of gross misconduct, a **disqualification** from the contest will result and in accordance with IHSA by-laws, will be **ineligible** for the next interscholastic contest at that level. Head Coach must submit a “Special Report” to the IHSA. A link to the form can be found in the IHSA Schools Center.

III. Reporting Procedures

A. Games Committee

At the State Finals, a Games Committee will be appointed to oversee the code of conduct for spectators and participants. Coaches will report on the scorecard, code violations and alert the rules committee of the violation.

B. Procedures for Reporting a Code Violation

It is the responsibility of all coaches of participating schools to monitor player conduct. Any coach who personally observes a code of conduct violation may invoke a code of conduct penalty. The coach will give notice to the offending player, assess the code of conduct penalty on the scorecard and follow up with a written notification of the incident to the rules committee. Players and coaches will not have the right to appeal to the games committee for the first penalty levied.

Players and coaches will be allowed to appeal the second offense by submitting in writing an inquiry concerning the penalty. The inquiry must be submitted by the end of the same day of the incident. The coach and player appealing the second penalty will provide an explanation of the incident to the games committee. The decision of the committee is final.

GUIDE FOR COACHING ON THE COURSE DURING THE HIGH SCHOOL GOLF SEASON

DISTANCE MEASURE DEVICES

Players and coaches will be able to use USGA approved measuring devices during IHSA state series events. During the regular season, local events will be able to determine whether such devices can be used or not. It is the hope of the advisory committee that the use of this increasingly more prevalent equipment will help with pace of play. In using these devices, players can share distance information with fellow competitors and not violate any USGA or IHSA tournament rules. Sharing distance information is NOT considered giving advice. Legal measuring devices should, again, be USGA approved and only measure yardage. It is not practical to create a list of all the devices that might be legal. In fact, the USGA does not publish such a list. In general, GPS devices and range finders – provided each example only displays point to point distances without adjustment for any other factor – are going to be acceptable. However, devices or applications that can be used on cell phones or tablets (like an iPad) are not legal. The advisory committee continues to favor the prohibition of the use of any devices during a round that would allow a player to communicate with another player or coach.

When asked, a player who uses a Distance Measuring Device shall provide yardage information to a fellow competitor(s) provided that the player(s) using the Distance Measuring Device and the fellow competitor(s) do not slow the Pace of Play.

ON-COURSE COACHING

The IHSA is using the implementation of coaches coaching on the course to reiterate that the IHSA expects all coaches to be on the course supervising their players at all times. This is for the safety of the players, insuring that sportsmanship is exhibited at all times and the monitoring of the pace of play. This should be followed throughout the season and not just in the state series.

Coaches **MAY**:

- during a round, talk to their player after the player has finished a hole and the player's entire group has left the putting complex **until the player or a member of the player's group steps on the putting complex of the next hole.**
- give advice to their player on matters such as club selection, wind direction, stance, grip, hole strategy, shot suggestions, distance to the hole, rules swing adjustments, mental adjustments, etc.
- help their player with alignment except when the player's ball lies on the putting surface.
- talk to players about rules options when asked by the player(s) for advice.
- provide support to help their player's mental game.
- answer public knowledge information (such as yardage to a location) to all players in the group when asked to do so.
- help all players look for a lost ball.
- hold an umbrella, towel, wind shirt, snacks, etc. in accordance with USGA rules.
- inform spectators to remain at least 15 yards away from the players.
- **use a cell phone to call the golf shop in order to contact the rules committee in the case of an emergency.**
- speak with one of his/her own players regarding a violation the coach believes he/she has observed in order to act in the best interest of the player and the tournament field.

Coaches **MAY NOT**:

- enter a hazard to help their player other than to help their player look for their ball.
- provide advice to their player once the player steps on the putting surface.
- read putts for the player at any time.
- except for public information, offer advice to players other than the players from the coach's school.
- caddy for their player or stand behind a player (i.e., position himself "on or close to an extension of the line of play or line of putt behind the ball") during a player's stroke.

- keep an official score card for their player. It is the duty of every player to record scores of his/her playing competitor(s).
- **use a cell phone on the course or allow others to use a cell phone to provide information about the school's player(s).**
- expect to have a golf cart at the course where post season events are held. Coaches will not be permitted to use a golf cart at the state finals tournament. The use of carts at regional and sectional tournaments will be at the discretion of the host and the venue.
- provide a ride or seating on the cart for their player or for any spectator if the coach is allowed to have a cart at regional or sectional tournaments.
- confront a player from an opposing school on the course, in any manner, regarding a rule violation a coach believes he/she observed. The coach should report the potential rule violation to the Rules Committee, and the Committee should address the player before the player's card is officially returned to the Committee.

GENERAL INFORMATION FOR GOLF COACHES AND MATCH/TOURNAMENT HOSTS

- Each team is permitted to have two (2) coaches on the course if the coaches, paid or volunteer, are in compliance with IHSA By-law 2.070. College students, former players, or other "occasional coaches" are not approved to be on the course during regular season or post-season competitions. For the state series, each coach must be listed on the school's List of Participants. During the state series, coaches should be issued some type of 'credential' for identification purposes.
- Coaches should provide as much support as possible during practice and let the players play the game themselves during competitions. It's appropriate to walk with players and calm them down or encourage them. Over-coaching has never been a good practice.
- The intent of the coaching on the course rule is to allow coaches to support their players. Golf is a game of honesty, integrity, and honor. Coaches must observe the same rules of the game and honor the privilege of coaching on the course.
- The Pace of Play policy found in the IHSA School and Manager Manual shall be in effect during the state series. Do not let your coaching interfere with the group's pace of play or your player may be penalized according to the policy.
- **A COACH, COACHING ON THE COURSE, IS RESPONSIBLE FOR MAINTAINING THE PACE OF PLAY IN THE PAIRING IN WHICH HE/SHE IS COACHING.**
- A coach is allowed, but not required, to answer questions if any player asks about a specific rules question. However, specific rules questions are best referred to the Rules Committee. If a question arises, it may be best for a player to play a second ball (Rule 3.3) and get an official ruling from the Rules Committee before the player's score card is returned to the Rules Committee. *An incorrect ruling by the coach will not be corrected, and the player who incorrectly uses information from a non-tournament official will be penalized accordingly.*
- The Committee may, as identified in Rule 6-6d/5 in the Decisions on The Rules of Golf book, receive information from a spectator if it is believed a lower score has been recorded for a hole. If any doubt arises as to the correctness of a card, the Committee should consult with the competitor and also take into account the testimony of other witnesses, including the other players in the group. If the evidence indicates that the recorded score for the hole was lower than actually taken, and the player has signed and submitted the score card to the scorer's area, the Committee should disqualify the player. Otherwise, no penalty should be applied.
- In order to prevent questions about any on-course ruling, the match/tournament organizer should identify a Rules Committee (Rule 33 and 34) PRIOR to the start of any match/tournament. The Committee cannot waive a rule of golf, and the decision of the Committee is final.

Coaches Conduct

During all interscholastic contests, including the IHSA state series, the IHSA expects coaches to demonstrate proper etiquette at all times during play. The Rules provide a Committee with a means of disqualifying a coach and essentially an individual/team for a serious breach of etiquette. It should be noted that imposing such a penalty is a serious matter and truly requires a “pattern of behavior” on the part of the coach.

Most conduct-related issues at interscholastic contests involving coaches tend to revolve around situations where coaches allow their emotions to get the best of them. When this happens, misconduct like outbursts of emotion, use of profanity, arguing with a rules committee member about a decision, displaying poor etiquette toward other players, coaches, and/or fans, or obvious violations of IHSA By-Laws or Terms and Conditions occur. In some cases conduct-related issues can arise in a practice round.

The following are specific issues related to coaches’ conduct that coaches must be familiar with:

- The rules committee/coaches have full authority to deal with conduct related issues.
- In cases where the coach loses his/her temper and is acting badly, the authority should approach the coach and ask him/her to regain his/her composure. It is not necessary to follow up with the IHSA on incidents of this type unless the coach is removed for unsportsmanlike conduct.
- In cases where the coach’s behavior escalates to the point where the coach damages the golf course (or golf course property, e.g., a tee-marker) or is in a verbal confrontation with a committee member, club employee/member, tournament manager, the authority must approach the coach ask him/her to regain his/her composure and advise him/her that another similar episode will result in their removal from the round.
- In a case where the coach’s behavior is so egregious that immediate disqualification may be warranted, the IHSA must be contacted via special report. In such cases the coach will be suspended from his/her school’s next contest per by-law 6.012.
- In all cases when a coach is reported to the IHSA, the report will be followed up on by the administrator in charge of the boys or girls program. Additionally the Athletic Director of the disqualified coach must be notified no later than the next day. It is the school’s responsibility to impose the penalty associated with the by-law violation.

Boys and Girls Golf Coaches Code of Conduct

I. Rationale

Unlike many sports, golf is played without the supervision of a referee or umpire. The game relies on the integrity of the individual to show consideration for other coaches and players and to abide by the rules. All coaches should conduct themselves in a disciplined manner, demonstrating courtesy and sportsmanship at all times, irrespective of how competitive they may be. This is the spirit of the game of golf.

If individuals consistently disregard the spirit of the game during a round of golf or over a period of time to the detriment of others, the rules and games committee will take the appropriate action against the offending spectator, player, coach, or school representative. The code of conduct is designed to protect the interest of the majority of the golfers who wish to play within the spirit of the game, within the rules of golf. In case of a serious breach of etiquette during the state tournament, a coach may be disqualified or a non-player may be removed from the course during the practice round and/or one or both days of the tournament.

II. Policy and Penalties

1. For willful acts of defacing the golf course, club throwing or breaking, or abusive language, a team will be assessed a 2 stroke penalty to the team or individual they represent for the unsporting conduct of a coach.
2. For a second occurrence of unsporting conduct in the same day – the coach will be ejected for the day. The tournament manager must submit a “Special Report” to the IHSA. A link to the form can be found in the IHSA Schools Center. Per IHSA by-law 6.012 any coach ejected from a contest for unsportsmanlike conduct shall be ineligible for the next interscholastic contest at that level and all other interscholastic contests at any level in the interim.

III. Reporting Procedures

A. Games Committee

At the State Finals, a Games Committee will be appointed to oversee the code of conduct for coaches, spectators and participants. Coaches will report on the scorecard, code violations and alert the rules committee of the violation.

B. Procedures for Reporting a Code Violation

It is the responsibility of all coaches of participating schools to monitor coach conduct. Any coach who personally observes a code of conduct violation may request the Games Committee. The Committee will give notice to the offending coach, assess the code of conduct penalty on the scorecard and follow up with a written notification of the incident to the rules committee/ tournament manager. Players and coaches will not have the right to appeal to the games committee for the first penalty levied.

Coaches will be allowed to appeal the second offense by submitting in writing an inquiry concerning the penalty. The inquiry must be submitted by the end of the same day of the incident. The coach appealing the second penalty will provide an explanation of the incident to the games committee. The decision of the committee is final.

Boys and Girls Golf Spectator Code of Conduct

I. Rationale

Unlike many sports, golf is played without the supervision of a referee or umpire. The game relies on the integrity of the individual to show consideration for other players and to abide by the rules. All spectators should conduct themselves in a disciplined manner, demonstrating courtesy and sportsmanship at all times. This is the spirit of the game of golf and the IHSA.

If individuals consistently disregard the spirit of the game during a round of golf or over a period of time to the detriment of others, the rules and games committee will take the appropriate action against the offending spectator. The code of conduct is designed to protect the interest of the majority of the participants who wish to support the spirit of the game, the rules of golf and the IHSA. The code of conduct applies to the practice round, one or both days of a tournament.

II. Policy

- A. Spectators shall remain on cart paths or in the rough approximately 15 yards from the players at all times including the practice areas which include the driving range, putting green and chipping area.
- B. There can be no communication between players and spectators that could be deemed advice of any nature for the duration of the 18 holes.
- C. All school personnel and fans with the exception of the school designated coach(es) are considered spectators.
- D. The use of tobacco, liquid nicotine or mood altering substances on the course or within the tournament property is prohibited during the school competition.
- E. Uninvited interference with the rules committee before, during or after making a ruling is prohibited.
- F. The use of motorized carts by able-bodied spectators is not allowed.

Penalties

- A. First offense - Warning to the spectator
- B. Second offense - Spectator will be removed from the course for the remainder of the day
- C. Third offense – Spectator will be removed from the course for the remainder of the competition.
- D. A single flagrant gross act of misconduct or a serious breach of etiquette before, during or after a round - Spectator will be removed from the course for the remainder of the competition.

Penalties become immediate and are in effect for the entire regional, sectional and/or state final tournaments. Regionals, sectionals and the state finals are considered separate tournaments.

III. Reporting Procedures

A. Games Committee

At the State Finals, a Games Committee will be appointed to oversee the code of conduct for spectators and players. Coaches will report, in writing, code violations to the games committee.

B. Procedure for Reporting a Code Violation

It is the responsibility of all coaches of participating schools to monitor conduct. Any coach or rules committee person or tournament personnel who personally observes a spectator code of conduct violation should contact the games committee or Tournament Management. Notice will be given to the offending spectator and the games committee will note the violation.

Only member schools may appeal a code violation to the games committee.

IHSA Golf Cart Policy

I. Statement of Rationale

The IHSA has developed a policy that would provide an equitable way to address the needs of competitors, coaches, tournament personnel, and spectators. The policy is designed to accommodate the unique situations of a disabled parent of a player in the tournament, a disabled spectator, and disabled participant. It remains sensitive to the safety and liability concerns along with maintaining the integrity of the competition by reducing the chances of spectator interference.

II. Definition

Disability: IHSA recognizes and adopts the definition of disability as provided within the Americans with Disabilities Act. The IHSA will not discriminate against students with disabilities on the basis of disability in its services, programs, or activities.

III. Policy

A. Participants

Student-athletes may not use caddies, motorized golf carts, or motorized pull carts during the state series unless an individual is permanently disabled.

B. Permanently Disabled Student-Athlete

A written request for accommodation from a member school principal must be submitted to the IHSA when requesting the use of a motorized golf cart for a student-athlete. Golf carts are not to interfere with play and must adhere to tournament policies. If approved the player shall ride with an approved adult and not drive the cart.

C. Spectator Golf Cart Use for Regionals and Sectionals

Cart availability during regional and sectional tournament will be determined by the tournament manager and golf course. Golf carts are not to interfere with the integrity of play and must adhere to all tournament and local golf course policies.

D. State Final Practice Round

1. Golf carts will not be available for spectators at the state final; instead a shuttle will be available to transport spectators to pre-determined viewing sites at each state final's venue. A wristband will be provided to handicap spectators who will be given priority on the shuttle.
2. **State Tournament Practice Round - Golf Cart Policy**

Student-athletes and spectators may not rent a golf cart for the Thursday practice round at the state tournament. Coaches from each competing school with a team or individual in the state finals will be allowed to rent one cart per school during the practice round. Only two (2) people may ride in the cart at one time. The cart is rented at the expense of the school. Golf carts may be requested in advance on a first-come, first-serve basis. Once the golf carts are rented out, no additional carts will be available.
3. **School Team Request for a Practice Round Golf Cart - Procedure**
 - a. School personnel from state final qualifying teams must submit the name of the adult school representative that will be responsible for a cart. Requests should be submitted in advance of the tournament, for approval by the IHSA.
 - b. Once approved, the golf cart will be issued to the person designated by the school.
 - c. The school designee shall check in at the pro shop to rent the cart.
 - d. The school is responsible for the rental fee at that time.
 - e. The carts will be issued on a first-come, first-serve basis. Once the fleet of golf carts are rented, no additional carts will be brought in.
 - f. Personal carts are not allowed.

Scoring Procedures

- Although each player will serve as a marker for another player in his/her group, a player should keep score for each member of his/her group, including their own score.
- Each member of the group should announce his/her score on a hole to his/her playing competitors before exiting the putting green on a given hole.
- If there are scoring discrepancies for a given hole, the players should discuss those prior to teeing off on the next hole
- Players are responsible for their hole by hole score.
- Markers shall review the hole by hole score with their player upon completion of the round.
- After reviewing the hole by hole scores, the player and his/her marker shall sign the scorecard and turn it into the committee.

Pace of Play

- Each player is responsible for maintaining the pace of play for the group. Individuals who are determined to be playing slow may be penalized in accordance with the IHSA Pace of Play Policy.
- If there is a lost ball, the player who lost the ball shall announce the time of the search for the ball and be responsible for timing the search. A maximum of 5-minutes is allowed for the search.
- If a lost ball cannot be found and a player had not hit a provisional ball, he/she must return to the location of their previous shot to play again.
- Players should be prepared to hit when it is their turn.
- Coaches may speak to/coach their players anywhere on the course except the putting green. Once the first player in a group steps on a putting green, all coaches must cease their communication with their players and cannot resume coaching until the group has completed play on the green and all players have left the putting complex.
- Players will be responsible for Pace of Play Policy violations if their coach(es) delay play.

Bad Weather and Safety

- If lightning is observed or thunder heard by any member of the group, play should be suspended IMMEDIATELY, and players should find a safe location.
- If the committee suspends play, players should also find a safe location to wait out the delay.

Advice

- Volunteers, spotters, and/or fans may not provide advice or rulings.
- Coaches may coach players anywhere except the putting green (see above).
- Spectators are welcome on the course but must stay in the rough, on the cart path, or 15 yards from play.
- Spectators may assist in looking for lost golf balls, but they should NOT touch any ball or provide advice to any player.

Pace of Play Steps

A pace of play policy will be in effect for the 2015-16 IHSA golf state series. While it is not required for the regular golf season, we recommend coaches implement this policy in some or all of their tournaments.

The pace of play is an important element in having a good experience at tournaments. Slow play is often a combination of little things not being done that contribute to slow play and on-course traffic jams. Know that the pace of play policy isn't designed to have players rush their shots; it is intended to make players ready to take their shot when it is their turn. The thrust of the policy is to encourage players to move more quickly to their next shot and therefore behave more efficiently on the course. In short, coaches teach your players to be prepared and ready to play.

As coaches teach their players about managing their pace, they will find themselves focusing on simple things like clarifying who gets the flagstick after putting, instructing players where to leave their golf bags and designating who should be up on the tee.

POP

First we will cover how to set up your course and scorecards. There are three things that the manager will need to do to prepare for a tournament.

1. Determine the pace for your course.
2. Make scorecards that reflect the pace for each group.
3. Set up checkpoint stations.

Step 1 – How to Determine Pace

The pace of play is determined by the manager. There is a general rule of thumb that a par 3 should take 13 minutes to play, a par 4 should take 15 minutes to play and a par 5 should take 17 minutes to play. Managers can look at their golf course's scorecard and start with that standard. The manager can then adjust the time based on the difficulty and skill level of the players and add or subtract time to a hole although extra time generally is added only for long walks between holes.

Step 2 – Determine Each Group's Pace

Now that the pace has been established, the manager can put the actual times on each group's cards.

Step 3 – Make Scorecards That Reflect the Pace for Each Group

Now that you have determined the pace of play, you will need to apply the actual times to each group's scorecard. So if your first group goes off at 9:00 and your next group goes off at 9:09, the pace reported on their card will have a 9 minute difference. Overall players should be able to look at their card and know what time they should finish each hole. It is also helpful to highlight on the scorecard the checkpoint times.

Step 4 – Set Up Checkpoint Stations

USGA suggests for 18 holes the checkpoints should be holes 4, 9, 13, and 18 although the manager ultimately will decide which holes work best for his/her course. If a competition is a 9-hole tournament, it is recommended that there are 3 checkpoints. We suggest holes 3, 6, 9.

Step 5 – Set Up

Each checkpoint station should have

- A master schedule
- A visible clock
- A walkie talkie to call for an official
- A script to read to each group checking
- Checkpoint sign
- Stop watch
- Red and green pens (optional)

If the group is on time, the checkpoint attendant will put a green dot on the card. If they are behind a red dot will indicate that.

Recap

Once these 3 pre-tournament steps are completed you will be ready for your play. Before we move on to the policy itself, let's review again, the pre-tournament set up for the Pace of Play Policy. Managers will need to:

1. Determine the pace for your course.
2. Make scorecards that reflect the pace for each group.
3. Set up checkpoint stations.

IHSA Resources

IHSA will provide to managers these printed resources for schools regular season competitions and the state series tournaments. They can be downloaded from the boys and/or girls golf websites. They are:

1. Pace of play script to be read on first tee.
2. Pace of play script to be read at each checkpoint.
3. Samples of scorecards and master schedule.
4. Pace of Play Policy for Players.

Pace of Play Policy

Next let's cover the policy itself.

First let's begin with some definitions.

Out of Position: A group is considered *out of positions* when they check into their checkpoint station using more than their allotted time and are more than 14 minutes behind the group in front of them.

Completed Hole: A hole is considered completed when the flagstick is put in the hole. So once the flagstick is put in the hole, the group behind them has 14 minutes to complete their hole if they are behind their allotted time.

Regain Position: When a group falls behind (regardless of the reason) they must regain their position. Once a group falls behind and is warned at their checkpoint that they are out of position, they must make the next checkpoint on time to regain their position. If they do, the players are not liable for a pace of play penalty. Time for ball searches, ruling and walking time is included in the allotted time.

Allotted Time: The time it takes to complete 18 holes at a pace set by the manager.

Coaches, all your players need to remember is that they must keep up with the group in front of them (no more than 14 minutes behind) and if they do they will not have a pace of play issue or ever be out of position.

Out of Position

But what happens if they are out of position when they reach their checkpoint?

If any group, other than the lead group, is behind its expected time after completing one of the pre-selected checkpoint holes and more than 14 minutes behind the preceding group, those players will be subject to a possible penalty as determined by the tournament's Rules Committee. The lead group is considered out of position and subject to possible penalties if they are behind any of the checkpoint times as determined by the tournament manager. Groups that miss checkpoint times may be watched by members of the Rules Committee to gain information that can assist the committee with any rulings. A group may appeal the penalty in the scoring area before surrendering their scorecards. The committee may warn groups for missing a checkpoint time(s) or slow play, or they may assess one or two stroke penalties to the entire group or specific members of the group who have been deemed to cause the group to miss its checkpoint time(s) or play slow. Poor play, by itself, is not an acceptable reason for slow play. Players are responsible to themselves and their group for their group's pace of play.

One Slow Player

What happens if there is one slow player in the group who will not pick up the pace?

Before a player returns his/her scorecard, a player who was out of position during the round may consult with the official who will determine if the player was delayed by another player in the group, delayed by circumstances beyond his/her control or the player was delayed by the rules committee.

When are these penalties assessed?

The penalties are applied at the scorer's tent before players sign their card. All questions about penalties must be resolved before the player submits the signed card to the committee.

Regular Season Shortcuts

1. A coach can meet the players at the checkpoint hole when the players approach it. In a dual match this can work with two coaches. The coach on 3 goes to 9 after the wave has gone through.
2. If a coach wants players to get use to the pace of play policy, he/she can leave a clipboard on the checkpoints and have players themselves check in.
3. Use a red or green dot on the scorecard to indicate if the group made it on time to their checkpoint or not.
4. Use a cell phone for the atomic clock.

Pace of Play Policy

Player's Copy

The IHSAA pace of play policy leaves the responsibility for maintaining the pace of play where it belongs, with you, the player. If you are the first group in the field, play efficient golf. If you are in a following group, keep up with the group in front of you and you will not have a pace of play issue.

Scorecards will have the expected time your group is to complete each hole. If you fall behind, you are expected to play efficient golf and get back into position. This might mean playing ready golf or continuous putting which are both allowed in stroke play. If available, atomic clocks will be stationed on pre-selected holes giving you the opportunity to check on your pace throughout the course.

Checkpoints:

There may be an official present at the pre-selected holes with whom you can check on your pace. The hole is considered complete when the flagstick is returned to the hole. If you are OUT OF POSITION (behind your allotted time and more than 14 minutes behind the preceding group) after finishing the 9th or 18th hole everyone in the group may be assessed a potential pace of play penalty by the tournament's Rules Committee. Pace of play penalties are to be added to the score on the 9th or 18th hole. No warnings are issued with this policy. (Your group will receive a warning on your first missed checkpoint.)

Out of Position:

First Group Only: If any group, other than the lead group, is behind its expected time after completing one of the pre-selected checkpoint holes and more than 14 minutes behind the preceding group, those players will be subject to a possible penalty as determined by the tournament's Rules Committee. The lead group is considered out of position and subject to possible penalties if they are behind any of the checkpoint times as determined by the tournament manager. Groups that miss checkpoint times may be watched by members of the Rules Committee to gain information that can assist the committee with any rulings. A group may appeal the penalty in the scoring area before surrendering their scorecards. The committee may warn groups for missing a checkpoint time(s) or slow play, or they may assess one or two stroke penalties to the entire group or specific members of the group who have been deemed to cause the group to miss its checkpoint time(s) or play slow. Poor play, by itself, is not an acceptable reason for slow play. Players are responsible to themselves and their group for their group's pace of play.

A player concerned about a slow player(s) in his/her group should first speak with the player(s) and encourage them to play more efficiently. Then, the concerned player may, before or after penalties are assessed, ask to have the group monitored. The individual player does not have to be identified; the request just needs to be made. At some point during the stipulated round, the group will be monitored. If a player is identified as holding up the pace of the group, penalties may be applied to that player and rescinded from the others.

Appeal Process

Pace of Play penalties may be appealed to the Committee and must be made before scorecards are signed and returned. In order for an appeal to be considered, there must have been an action by the Committee, a circumstance beyond the player's control, or some similar occurrence that contributed to the delay, such as an action by individual member of the group. If a group received multiple penalties for exceeding the pace of play all penalties may be appealed, however, each appeal must be made and handled separately. Each appeal may result in a one step reduction of a penalty (i.e. two strokes to one stroke then one stroke to no penalty).

The coach representing each school's qualifying players at the State Final Tournament **MUST** attend a meeting with the IHSA Tournament Committee on Thursday afternoon, October 15, 2015. Dress Code for Players and Coaches

Be reminded that no denim slacks or shorts are allowed. Also be reminded that the penalty for this is severe and the Rules committee is not given any flexibility in the Terms and Conditions. Please do not place these good people in a position to have to "make the call". ***Coaches are included in the dress code.***

Visual Image

A professional photographer will take pictures. Those photos can be viewed and purchased online. Go to the IHSA website to access VIP Photo.

Housing

Multiple hotel properties have made rooms available to qualifying teams and individuals for the IHSA Boys' Golf State Finals. Schools with qualifiers could also contact other properties in Bloomington-Normal to secure housing for the state finals. Schools that have qualified a team should only request 5 rooms at one of the properties, and schools with individual qualifiers should only request 2 rooms. A list of all properties that have made rooms available for the weekend and their rates can be found by logging into the 'Case Situations' area of the IHSA Schools Center. This list will be posted there no later than October 13, 2015. Schools have until noon on October 14 to reserve their housing. After that deadline, rooms will be released to the general public. Schools having difficulty securing rooms should contact Matt Hawkins from the Bloomington-Normal Area Convention & Visitors Bureau at 309-665-0033.

Schools should not be reserving rooms for either the current or future state finals as it double books housing and takes business away from our cooperating hotels. Room reservations are for Thursday and Friday nights only.

2015-16 IHSA Boys Golf State Finals Thursday Practice Rounds

Pre-assigned Tee Times for Competing Schools

PRACTICE ROUNDS: Only players qualifying for the State Final will be allowed to play a practice round. Tee times have been pre-assigned based on the geographic location of each sectional. The further a team must travel, the later the tee time assigned. In addition, each competing school has been assigned a tee time based on the results of their sectional. Tee times (for state final qualifying players only) will be made between the hours of 900 a.m. and noon on Thursday. Teams have been assigned one and a half tee times to accommodate 6 players.

Coaches can switch tee times with each other by mutual agreement and by completing the *tee time change request form*. The two (2) schools that are switching must each fax a copy of the request form to the golf course, in order to accommodate the switch. When both schools fax their forms to the course, then the switch is final.

Green fees for the practice round are the schools responsibility per player. IHSA will pay the greens fees for Friday and Saturday only.

Internet Video Broadcasting Information

Contact: Matt Troha • mtroha@ihsa.org • Phone: 309-663-6377 • Fax: 309-663-7479

IHSA Tournament Managers/Hosts,

The advent of greater broadcasting technology over the past few years has brought about many new potential broadcasters and many new broadcasting platforms and mediums, especially as it pertains to broadcasting video over on the internet. It is important to remember that most internet video streams of IHSA State Series (Regionals, Sectionals, Super-Sectionals, Football Playoffs) events will require that a broadcast rights fee be paid by the broadcasting individual/company. A new internet video broadcasting fee schedule has been developed and is located below, but first please read these reminders on how to determine if a fee is necessary should you be approached about a video webcast of the State Series event you are hosting. If at any time you ever have questions on the fees or any other matters related to broadcasting or media, please call Matt Troha at the IHSA office (309-663-6377).

BROADCAST RIGHTS FEE PAYMENT REQUIRED

There is an IHSA broadcast rights fee required with the broadcast if any one of the options below is applicable...

- 1) The internet video webcast is originated and accessible to viewers on any third-party website (i.e. media website, IHIGH, UStream, High School Cube, fan site, etc.).
- 2) If the crew producing the internet video webcast is not affiliated with the high school or not composed entirely of high school students and/or high school personnel.

BROADCAST RIGHTS FEE PAYEMENT *NOT* REQUIRED

There is no IHSA broadcast rights fee required if both guidelines below are met...

- 1) The internet video webcast is produced and the crew populated entirely by high school students and high school personnel as a part of a high school tv station, AV Club, etc.
and
- 2) The internet video webcast is originated on and accessed by viewers on the high school website, the website of the city or on the school's IHSA.tv website (www.IHSA.tv/schoolname).

Internet Video Broadcast Rights Fee Schedule

Prior to the 2011-12 school year, internet video webcasts fell under the same broadcast rights fee schedule as television. Because of the growing number of internet broadcasting entities, the IHSA Media Advisory Committee felt like it was in the best interest of the medium to develop more affordable broadcast rights fees for video internet broadcasts. The rights fee schedule below was adopted beginning in the fall of 2011 for streaming video:

BOYS BASKETBALL

Per Regional Game-\$50
Per Sectional Game-\$75
Per Super-Sectional Game-\$100

Per Regional Tournament-\$100

Drug Testing Notice

Congratulations on your school's qualification for the boys' golf state finals, which will be held this weekend. This is a tremendous accomplishment, and one of which your school should be proud.

Please note that, in accordance with the policy adopted by the IHSA Board of Directors, performance-enhancing drug testing may take place at the state finals this weekend. Any student-athlete who competes this weekend is eligible for testing. When testing occurs during any IHSA state series competition, schools will need to provide assistance to IHSA and Drug-Free Sport staff and ensure that any student(s) from your school selected for testing reports to the test site by established time. Additional notification regarding testing will be provided to those schools who have student-athletes selected for testing. School officials and coaches are encouraged to keep that notification confidential and not inform those selected student-athletes prior to their competition in the state finals.

As a reminder, selected individuals who fail to report for post-competition testing will be found to have violated the IHSA's Performance-Enhancing Drug Testing Policy and be subject to the appropriate penalties.
