## TEAM ACADEMIC ACHIEVEMENT AWARD

### How will the program work?

- When one of your qualifying teams achieves a 3.0 grade point average for their entire season, a representative at your school will simply have the sport and year engraved on the plate and attached to the plaque. A seasonal report will be submitted to the IHSA informing the IHSA on the number of teams recognized during each season.

### Who may participate?

- IHSA Member School's whose varsity teams/groups achieve a grade point average (GPA) of 3.0 or higher (Non-Weighted) collectively.
- Teams that cooperatively sponsor an activity must include GPA's of each participating school's varsity team members.
- This is a Varsity Team Award; the team/group grade averages must include EVERY member of the official varsity team. If the varsity team includes students in grades nine through twelve, their grades must be included in the team average. Team Managers are **NOT** to be included. For those sports/activities without a varsity designation, the team entered for the IHSA State Series qualifies.

### What are the Guidelines for Selection?

- The grade point average for all varsity teams must be computed on a Non-Weighted 4.0 system (A= 4, B =3, C=2, D=1).
- Must include EVERY member of the team that enters the first level of state qualifying competition.
- While every member of the official varsity team must be included, there are also a minimum number of students that must be on the team to qualify for this award. In the sports/activities where individual and team honors are available the board of directors has determined that the following minimum number of students must be included to be eligible for this award.

Chess = 6  
Cross Country = 7
