Play the regulation game and, if a tie exists;

5 minute break between regulation and 1st overtime

10 minutes-1st overtime period

2 minutes-between overtime period 1 and overtime period 2

10 minutes-2nd overtime period; and if a tie exists:

a) A coin toss occurs before: the first Overtime; the first 5 kicks and the second set of 5 kicks. The visiting captain shall call the toss.

b) Each coach shall select five (5) players from the team roster to take tie-breaker kicks. The team winning the coin toss shall have the choice of shooting first or second. The goalkeeper for each team shall be any eligible team member determined by the coach. The teams will then each take five (5) tie-breaker kicks, alternating kickers. The team scoring on the greater number of these five (5) kicks shall be the winner.

c) If the score is still tied, a series of sudden victory tie-breaker kicks shall be taken. Each team shall designate five (5) different players to kick. Players shall kick alternately. If the first kicker from Team A scores and the first kicker from Team B does not score, the game is ended and Team A is the winner. If both first kickers score, the second kickers from each team take tie-breaker kicks and, if one scores but the other does not, the game is ended and the team of the scoring kicker is the winner. This process shall be repeated through as many as five (5) kickers for each team until there is a winner.

d) If the score is still tied, each team shall designate five (5) different players who did not kick under “c” above to take sudden victory tie-breaker kicks. Then the process of “c” is repeated. If the score is still tied, after these five (5) kickers from each team have taken their kicks, the process of “c” shall be repeated again, with any eligible player from the roster permitted to kick. Note: In any sequence of either the regular or sudden victory tie-breaker kicks no player may kick more than once in each ten (10) kick series. However, a player may kick in each ten kick series so, for example, a player may kick three times in a tie-breaker series which is not resolved until the twenty-fourth (24th) tie-breaker kick.

e) Kicking Procedure for tie-breaker kicks in the tie-breaking system: Kicks taken for tie-breaking purposes will be taken according to the following procedure:

- (1) The kicker and goalkeeper will take their positions in preparation for the kick without delay.
- (2) When ready, the referee will sound a whistle.
- (3) The goalkeeper must start with both feet on the line and can only move laterally when the whistle sounds.
- (4) The kicker will be permitted only one touch on the ball in taking the kick.

Note 1: In grouping and seeding a Sectional Complex, true seeds shall be used to populate the brackets except in cases where a conflict arises with pre-determined Regional hosts. (For example, if the #1 and #8 seeds are both regional hosts, they cannot be assigned to the same Regional and an adjustment must be made.)

VIII. TOURNAMENT RULES

A. Rules of Play:

The National Federation Soccer Rules are adopted as the official rules of play for the 2015-16 series of tournaments with the following provisions:

- 1) Each game in the tournament series will be played in two forty-minute halves.
- 2) During the State Tournament, if there is a seven (7) goal differential at the start of the second half or anytime after the start of the second half, the clock shall be reduced by half of the remaining time.
- 3) During Regional Quarterfinals, Semifinals, and Finals, and during Sectional Semifinals and Finals, if the first half has ended, and if play cannot be continued due to conditions such as darkness, weather, etc., the game shall be terminated unless tied. If the game is tied and cannot be continued, the game shall be considered suspended and must be continued from the point of interruption at the next available playing time (except Sunday). Once the game has begun, the game officials are solely responsible for the decision.
- 4) If a Super-Sectional game is suspended due to conditions that make it impossible to play, the game will be rescheduled for the next day from point of suspension or if mutually agreed upon by both head coaches that the game may be considered final. If the game cannot be played or completed by the Thursday night prior to the State Semifinals, the team with the lead will be declared the winner. If the teams are tied and the game cannot be completed then a coin toss shall determine which team will qualify for the State Finals.
- 5) During weekday state series contests (M-Th), if a game is delayed (inclement weather, power outage, etc.) the game must resume by 10 p.m. No games shall start after 9 p.m. Local ordinances take precedence and will override the above.
- 6) No coach or other school official shall, during the progress of a game, be allowed on the field of play except by permission of the game officials.

7) The captain and the head coach shall be the official spokesmen and the sole representatives of their team in all communications with the officials.

B. Resolution of Tie Games:

Note 1: If the Class 1A, 2A & 3A third place game is tied at the end of regulation, the tie is broken by proceeding straight to penalty kicks following the procedure below.

The overtime used in the Illinois High School Association tournament series shall be as follows:

Play the regulation game and, if a tie exists;

5 minute break between regulation and 1st overtime

10 minutes-1st overtime period

2 minutes-between overtime period 1 and overtime period 2

10 minutes-2nd overtime period; and if a tie exists:

a) A coin toss occurs before: the first overtime; the first 5 kicks and the second set of 5 kicks. The visiting captain shall call the toss.

b) Each coach shall select five (5) players from the team roster to take tie-breaker kicks. The team winning the coin toss shall have the choice of shooting first or second. The goalkeeper for each team shall be any eligible team member determined by the coach. The teams will then each take five (5) tie-breaker kicks, alternating kickers. The team scoring on the greater number of these five (5) kicks shall be the winner.

c) If the score is still tied, a series of sudden victory tie-breaker kicks shall be taken. Each team shall designate five (5) different players to kick. Players shall kick alternately. If the first kicker from Team A scores and the first kicker from Team B does not score, the game is ended and Team A is the winner. If both first kickers score, the second kickers from each team take tie-breaker kicks and, if one scores but the other does not, the game is ended and the team of the scoring kicker is the winner. This process shall be repeated through as many as five (5) kickers for each team until there is a winner.

d) If the score is still tied, each team shall designate five (5) different players who did not kick under "c" above to take sudden victory tie-breaker kicks. Then the process of "c" is repeated. If the score is still tied, after these five (5) kickers from each team have taken their kicks, the process of "c" shall be repeated again, with any eligible player from the roster permitted to kick. **Note:** In any sequence of either the regular or sudden victory tie-breaker kicks no player may kick more than once in each ten (10) kick series. However, a player may kick in each ten kick series so, for example, a player may kick three times in a tie-breaker series which is not resolved until the twenty-fourth (24th) tie-breaker kick.

e) Kicking Procedure for tie-breaker kicks in the tie-breaking system: Kicks taken for tie-breaking purposes will be taken according to the following procedure:

(1) The kicker and goalkeeper will take their positions in preparation for the kick without delay.

(2) When ready, the referee will sound a whistle.

(3) The goalkeeper must start with both feet on the line and can only move laterally when the whistle sounds.

(4) Once the kicker starts his approach toward the ball, he may not interrupt his movement. The kicker will be permitted only one touch on the ball in taking the kick.

During the tournament series, once a coach or player accumulates five yellow cards, they are suspended for the next game; three more yellows, suspended for two games. If a coach or player enters the tournament series having accumulated five or more yellow cards during the season, their yellow card count continues.

4) All straight red cards received by a player and/or coach are to be tracked by the school and the IHSA. Recipients of the straight red card will have the following consequences:

1st straight red = 1 game suspension (current practice);

2nd straight red card = 2 game suspension for recipient;

STUDENT MEDIA CREDENTIALS FOR PARTICIPATING SCHOOLS

Congratulations on qualifying for an IHSA state final in a team sport. In order to provide the best possible coverage of this event for your school newspaper, yearbook and AV club, etc. you are entitled to have up to three students receive credentials to cover this event as official media members. In the event that you have less than three students, an adult sponsor may be included on this list. To apply for student media credentials, please have your Athletic Director or an individual involved with the aforementioned programs email Matt Troha (mtroha@ihsa.org) at the IHSA with the following information:

- 1) The names of individuals attending
- 2) Whether they are students or adults
- 3) If the attending individuals will serve as reporters, photographers, videographers, etc.

Student media who are registering for credentials are expected to maintain a level of professionalism while covering this event. That includes no cheering while in the press box or game coverage area. Proper attire is also required. Wearing school shirts and colors is acceptable, but students wearing face paint, costumes, carrying props, etc. will be required to change before receiving credential clearance.

The individual applying for student media credentials will receive specific information on credential pick-up and media regulations at the event via email in the days leading up to the state final.

Please note that student media credentials are only available for state final events in team sports. Due to the sheer volume of schools who qualify in individual sports, our press facilities would be unable to accommodate student media from all participating schools in individual sports. Student media are also welcome to cover IHSA state final activities. Credentials are not required for these events, but please have your students check-in with state final personnel upon arrival for media coverage regulations.

VIDEO TAPING STATE FINALS FOR COACH FILM BREAKDOWN

Each school will be eligible to receive a pass for an individual attending the state final event to shoot game film that is for the sole purpose of being used by the coaching staff for postgame breakdown. Passes for videographers shooting highlight videos, documentaries, etc. should be included in student media application reference above. Additional passes for videotaping purposes will need to come from the allotment of state final passes given to school/head coach at or prior to the state final event.

To apply for a credential to shoot video, please have your Athletic Director email Matt Troha (mtroha@ihsa.org) at the IHSA with the name of the individual who will be taping and whether they are an adult or a student.

IHSA Tournament Managers/Hosts,

The advent of greater broadcasting technology over the past few years has brought about many new potential broadcasters and many new broadcasting platforms and mediums, especially as it pertains to broadcasting video over on the internet. It is important to remember that most internet video streams of IHSA State Series (Regionals, Sectionals, Super-Sectionals, Football Playoffs) events will require that a broadcast rights fee be paid by the broadcasting individual/company. A new internet video broadcasting fee schedule has been developed and is located below, but first please read these reminders on how to determine if a fee is necessary should you be approached about a video webcast of the State Series event you are hosting. If at any time you ever have questions on the fees or any other matters related to broadcasting or media, please call Matt Troha at the IHSA office (309-663-6377).

BROADCAST RIGHTS FEE PAYMENT REQUIRED

There is an IHSA broadcast rights fee required with the broadcast if any one of the options below is applicable...

- 1) The internet video webcast is originated and accessible to viewers on any third-party website (i.e. media website, IHIGH, UStream, High School Cube, fan site, etc.).
- 2) If the crew producing the internet video webcast is not affiliated with the high school or not composed entirely of high school students and/or high school personnel.

BROADCAST RIGHTS FEE PAYMENT NOT REQUIRED

There is no IHSA broadcast rights fee required if both guidelines below are met...

- 1) The internet video webcast is produced and the crew populated entirely by high school students and high school personnel as a part of a high school tv station, AV Club, etc.
and
- 2) The internet video webcast is originated on and accessed by viewers on the high school website, the website of the city or on the school's IHSA tv website (www.IHSA.tv/schoolname).

Internet Video Broadcast Rights Fee Schedule

Prior to the 2011-12 school year, internet video webcasts fell under the same broadcast rights fee schedule as television. Because of the growing number of internet broadcasting entities, the IHSA Media Advisory Committee felt like it was in the best interest of the medium to develop more affordable broadcast rights fees for video internet broadcasts. The rights fee schedule below was adopted beginning in the fall of 2011 for streaming video:
