I. SCHOOL CLASSIFICATION

Competition in the IHSA 2023-2024 Drama Tournament Series will be held for all member schools without classification.

II. DATES AND SITES

A. The state shall be divided into six (6) Sectionals. The number of competing schools, travel distance, geographical location and the number of entries shall be primary factors in the determination of number and boundary lines for these Sectionals.

B. Dates for the contests are:

Sectional March 15-16, 2024

State Final March 22-23, 2024

C. Sites for Sectional contests shall be posted on the IHSA website at www.ihsa.org.

D. The State Final Drama Contest site is Sterling High School, Sterling, IL.

III. ONLINE ENTRIES, WITHDRAWAL PROCEDURES, ELIGIBILITY, AND ONLINE LIST OF PARTICIPANTS

The policies for Original Entry Deadlines, Late Entries and Late Withdrawals shall be the policies and procedures regarding entries for all IHSA-sponsored activities, included in the 2023-2024 Entry Policies and Procedures which can be found in the Schools Center on the IHSA website.

A) Online Entries:

All member schools must enter their school into the state series competition through the IHSA Schools Center on the IHSA Website at www.ihsa.org. **The deadline for entry is November 1, 2023.** The 2023-24 Entry Policies and Procedures outlining the online entry procedures for all IHSA-sponsored tournaments can be found in the Schools Center on the IHSA website.

Competing schools are responsible for Event Fees as described in Section IV. **Checks for Event Fees should be made payable to the host school for Sectionals and to Sterling High School.**

B) Late Entries:

Any attempt to enter a sport or activity online after the established deadlines will be denied. Schools that wish to enter after the deadline will be considered late. To be considered for late entry, the Principal/Official Representative must contact the IHSA administrative officer in charge of that sport/activity. The penalty for late entry shall be a payment of \$100.00.

C) Breach of Contract By-law 6.041 (Withdrawal Procedure):

1) To withdraw without penalty, the school principal must notify the IHSA office, in writing, of the school's team withdrawal from Drama State Series prior to **December 1**.

2) Withdrawal after **December 1** but before **January 30, 2024** will result in a school being liable for payment of a \$100.00 late withdrawal penalty.

3) If a school withdraws one or both entries after **January 30, 2024**, the school shall be liable for all event fees (\$100 for Contest Play, and/or \$100 for Group Interpretation, and/or \$25 for Short Film, and/or \$25 for Musical Theatre) for each event withdrawn and shall be assessed an additional penalty in the amount of \$100.

4) If a school does not officially withdraw and/or does not show up for competition at any level of the state series, the school will be assessed the penalties in "2" and "3" above and if applicable, the school may be charged for any additional financial loss sustained by the offended schools or the Association as a result of such breach (*Judges' fees if applicable*). **The school shall also be considered in Breach of Contract under the terms of the IHSA By-law 6.040, and the matter shall be reported to the IHSA Board of Directors for disposition.**

D) Eligibility:

All member schools in good standing may enter 1 (one) team in *Contest Play* and 1 (one) team in *Group Interpretation* under the provisions of IHSA By-law 4.071. Each school may have one (1) entry for *Short Film* and one (1) entry for *Musical Theatre* at the State Final Level only. The principal is the official representative of his/her school in all interscholastic activities, and the responsibility for seeing that all students from his/her school entered in Drama contests are eligible under the rules shall rest with the principal. All correspondence with the IHSA Office must be conducted through the principal.

In each contest in which a school is represented, the principal shall have present, an adult, preferably a member of the faculty, who shall supervise and be responsible for the conduct of the participants and other persons from the school. A school's failure to comply with this provision shall result in disqualification of its contestants.

E) Online List of Participants:

1) List of Participants Deadline

Each school must complete the **Online List of Participants by the deadline date of January 30, 2024**. The deadline date of January 30, 2024 shall only include the performance title and author, not the entire cast list. **The entire final cast list shall be due online March 4, 2024** (standardized date of the first Monday of week 36) prior to sectional competition. It is no longer necessary for the Principal to sign the form. If a school does not submit the Online List of Participants by the deadline, coaches and/or participants from the school are subject to penalties which could include, but not be limited to being ruled ineligible to compete in the State Series **and/or charged \$100.00**. **Confirmation of receipt of Online List of Participants:** Schools should login to their School Center site on the IHSA website and go to the Activity Tracker. The Activity Tracker will show "Completed", if you have checked the button indicating you have finished with your report. If it doesn't indicate "Completed", then you must go back into your schools List of Participants and check the button on the Online List of Participants indicating you are finished with your report.

Note: All participants must be eligible students under the provisions of IHSA By-law 4.071. (This includes all cast and crew members.)

2) Entry Limitations

a. Schools are permitted one entry in Contest Play and one in Group Interpretation at the Sectional Contests.

b. Individual students may participate in both Contest Play and Group Interpretation.

d. No school may perform any part of the same piece of literature in Contest Play and/or Group Interpretation in the current year.

e. Substitutions and changes in entries may be made prior to the final date for acceptance of Original Entries, by notifying the IHSA Office in writing.

f. Substitutions and/or additions for personnel in Contest Play and Group Interpretation at any contest may be made provided the local contest manager and the IHSA office are notified at least one (1) day prior to the contest. Exceptions may be permitted only in cases of illness or other extenuating circumstances and provided the principal attests in writing that the substitute is eligible.

IV. HOST FINANCIAL ARRANGEMENTS

Sectional Assignments can be found online at www.ihsa.org after Dec. 1.

VI. TOURNAMENT STRUCTURE AND TIME SCHEDULES

A) Contest Management:

In all cases in which a member school is selected as a contest site, the principal of the high school shall assume responsibility for the contest. The principal may, however, delegate the authority to manage the contest to another staff member. In case the site is not located in a member school, then the IHSA Board of Directors shall appoint a local manager. Contest managers shall be responsible for all aspects of contest administration.

B) Contest Committee:

A sectional committee will be appointed by the IHSA Director to be comprised of the Sectional Manager and (3) three directors from (3) three different schools assigned to the contest site while striving to have a balanced representation of Contest Play and Group Interpretation directors. The State Committee Member from each of the sectionals shall be one of the directors on the committee. Participating schools shall be notified of the names of the committee members after the committee is formed and all directors have accepted the responsibility.

The functions of the Contest Committee shall be:

- 1) to aid the manager in planning, organizing and administering the contest;
- 2) to tabulate the results. (Only committee members)
- 3) to interpret the rules when necessary; and
- 4) to serve as a panel to select contest judges.

All Sectional and State Final Committee members must be consulted about potential judges prior to the selection/hiring of any person. Written consensus of the committee shall be required for each judge employed.

For the State Final, a Contest Committee composed of the State Final Committee Members, the six Sectional Managers, and additional members shall be appointed by the IHSA Office to assist the Host manager in the running of the State Final.

Note: It is **recommended** that each sectional site conduct a sectional meeting prior to the contest to allow competing schools an opportunity to view the performance spaces and address any questions or issues prior to the contest. This meeting shall not be held during the regular school day.

C) Authority of Contest Manager and Contest Committee:

- 1) Sectional Contests:

The contest manager shall be authorized to conduct the contest under the provisions of these Terms and Conditions. However, if a situation develops in which there is an apparent unfairness to a Drama Entry, and which is determined to be the result of an administrative or judge's error, the manager shall consult with his/her Contest Committee and determine the manner in which the situation shall be resolved. However, managers shall not have the authority to advance the Drama entry affected by an unfairness to the state contest. In addition, the manager shall be responsible to resolve questions of rules interpretation, to arbitrate disputes and to apply penalties for violations of contest rules. In all cases, he/she shall consult with the contest advisory committee prior to making a decision in any such matter. Decisions of the contest manager in all cases herein described shall be final.

The authority and responsibility of the contest manager and his/her contest committee shall end when results are announced at the contest awards assembly. Any question

relative to contest rules or any aspect of the contest which arises following the announcement of results shall be referred directly by the principal of the school involved to the IHSA Office. The IHSA Office will give consideration to questions relative to administrative and/or clerical matters only, and will do so only, through the end of the first Monday following the completion of the contest involved. In compliance with IHSA By-law 6.033, protests or challenges relative to the decision of any judge will not be considered.

2) State Final Contest:

The State Final Contest Committee shall be authorized to conduct the contest under the provisions of these Terms and Conditions. If a situation develops in which there is an apparent unfairness to a Drama Entry, and which is determined to be the result of an administrative or judge's error, the Committee shall determine the manner in which the situation shall be resolved.

In addition, the Contest Committee shall be responsible to resolve questions of rules interpretation, to arbitrate disputes and to apply penalties for violations of contest rules. Decisions of the Contest Committee in all cases herein described shall be final.

VII. ADVANCEMENT OF WINNERS

A) Advancement of Winners:

1) Contest Play: The winners of first and second places in each Sectional shall advance to the State Final. Ties for advancement will be broken according to Article VII-B-3.

2) Group Interpretation: The winners of first, second and third places in each Sectional shall be advanced to the State Final. Ties for advancement will be broken according to Article VII-B-4.

3) The Report of Sectional Winners will be completed online by the Sectional Manager. This shall be the official entry form for the State Final.

B) Determination of Winners:

1) Sectional (Contest Play and Group Interpretation): The five (5) judges' rankings for each entry shall be listed by the contest manager. The highest ranking and the lowest ranking shall be discarded for each group, and only the three (3) intermediate rankings for each entry shall be considered in determining its final standing. The entry with the lowest total of intermediate rankings is the winner of the event; the next lowest is second, etc., through the list.

2) State Final Contest Play: The five (5) judges' rankings for each entry shall be listed by the contest manager. The highest ranking and the lowest ranking for each play shall be discarded and only the three (3) intermediate rankings for each entry shall be considered in determining its final standing. The entry with the lowest total of intermediate rankings is the winner of the event; the next to lowest is second, etc., through the list.

3) State Final Group Interpretation:

a. Prelims: The rankings assigned by all five (5) judges in each preliminary group shall be listed and totaled by the contest manager. The highest ranking and the lowest rankings for each entry shall not be considered in determining its final standing in its preliminary group. The three (3) performances from each preliminary group with the lowest totals of judges' rankings (after high and low are discarded) shall be advanced to the finals, along with any performance whose total of rankings is lower than the total of rankings for the third place performance in the opposite preliminary group.

b. Finals: Following completion of the finals, the five (5) final round judges' rankings for each entry shall be listed by the contest manager. The highest ranking and the lowest ranking shall be discarded for each performance and only the three (3) intermediate rankings for each shall be considered in

determining its final standing. The entry with the lowest total of intermediate rankings is the winner of the event; the next to lowest is second, etc., through the list.

4) Ties: If a tie occurs in preliminary and/or final rounds, the tied entries shall be separated from all other entries and assigned relative rankings. If there is still a tie, then the ranks assigned by all five (5) judges will be considered, and the entry with the lowest total of five rankings will be declared the winner.

VIII. TOURNAMENT RULES

A) Contest Play:

1) Definition: Contest Play is an event in which students perform in and run (with adult supervision as necessary) an actual dramatic production, cut to fit within the time limits if necessary. Only IHSA eligible students are permitted to operate any technical equipment during the performances. Violation of this rule will result in disqualification.

2) Purpose: The purpose of Contest Play is to give students on-stage experience in acting and other theatre-related skills.

3) Selection: The choice of a presented play shall be from either published one-act plays or cuttings from longer published plays. Published adaptations written for the stage are permitted. Unpublished adaptations and plays that are published solely online are prohibited. Selections may be either serious or comedic in nature. The play shall not be an operetta or other musical presentation; however, background and incidental music will be permitted. Coaches must be able to produce, if requested by the contest committee, the original published script performed. Failure to produce such a copy shall result in disqualification from the contest. The Association assumes no responsibilities for the payment of royalties or other fees connected with the performance of any material in the Drama contest series.

4) Time Keeping:

a. Unload: Performing groups shall have a total maximum of fifteen (15) minutes elapsed time in which to unload their vehicle(s) and store their entire set in a designated storage area. Any group exceeding this time limit shall automatically be dropped one (1) rank per judge per 30 seconds overtime. If needed, groups will be allowed five (5) minutes after the set strike to move their set from the strike area to the designated loading area. Any group exceeding this time limit shall automatically be dropped one (1) rank per judge per 30 seconds overtime.

b. Set-up/Strike: Performing groups shall have a total maximum of twenty (20) minutes elapsed time in which they must both set up and strike the staging and set for performance (e.g. If sixteen (16) minutes are used to set up, then four (4) minutes are available for striking). Set up and strike time shall include any adjustment, addition or removal of lighting instruments and focusing projections on the cyc wall. When the set up is complete, the director may call for the cyc wall to be lowered, exposed, and may focus any effect to be used on that wall. The clock will NOT be stopped during this performance. Any group exceeding this time limit shall automatically be dropped one (1) rank per each 30 seconds. Each school may call for a non-timed safety check after its set is up. However, this check should be made only if there is a possibility of a failure in the power source from the host school or if there is the possibility of danger to the general welfare of the cast, crew and audience. The safety check may not be used to move props or

readjust lighting or sound levels or anything that has to do with set-up of the play. If a host site has difficulties or a dangerous situation arises, the committee members and host(s) of the contest will decide the necessary course of action.

The clock timing set-up for each performance shall be started when the first movement of any set pieces is made from the designated storage area to which the set was unloaded from the vehicle(s), and stopped at the cue of the director when the crew is off stage (wings or house). If a participant is injured during the set up and/or striking phase of the performance, the clock may be stopped by the manager until the emergency is addressed. After the performance, the clock will start at the cue of the director when the crew is off stage (wings or house) and be stopped when the last set piece is placed into the designated strike area.

Following this non-timed check, the set-up timing watches may be started again to permit the stage crew to make further adjustments within the time limit. No other start or stop of the watch shall be allowed.

c. Two (2) timers, using stopwatches, shall be required. No time signal shall be given by either timekeeper.

d. Prior to the start of the performance the director shall describe to the timers and a representative of the Contest Committee a precise moment of the initial cue and the final performance element. However, timing of the Contest Play production will begin with the first performance element and conclude with the final performance element. No element of production or performance, including any stage lighting, house lighting, or sound, may begin prior to the announcement of the play. Following the last element of production or performance, the stage shall go dark and actors shall exit. Projectors and computers or other electrical devices used must be completely dark before the start of the timing tool and shall be dark at the end in order for the timing tool to stop. No light or ghosting image should be seen before the timing tool starts, nor should it be visible after the timing tool has stopped.

e. **The time limit for Contest Play is 40 minutes. In Contest Play, if a timer's watch reads 40:30.00 or less, it is not considered a time violation. For each full 30 seconds of overtime, the contestants' ranking from each judge will be lowered by one ranking.** If both timers' watches confirm that a performance ran more than 40:30.01 minutes from the initial cue to the final performance element, the play shall be penalized one (1) rank per judge for each thirty (30) seconds of overtime. **For example, at 40:30.01, a performance is lowered one ranking from each judge. At 41:00.01, the performance would be lowered two rankings from each judge. This reduction is mandatory and will be administered by the contest management. The other performances' rankings will not be affected. At the State Final Contest only, no penalty will be assessed until one (1) minute beyond the specified time limit. For example, In Contest Play, if a timer's watch reads 41:00.00 or less, it is not considered a time violation. For each full 30 seconds of overtime, the contestants' ranking from each judge will be lowered by one ranking. For example, if both timers' watches read at 41:00.01, a performance is lowered one ranking from each judge. At 41:30.01, the performance would be lowered two rankings from each judge. This reduction is mandatory and will be administered by the contest management. The other performances' rankings will not be affected.**

5) Standards for Excellence: The Standards of Excellence are indicated on the Judges Critique Sheets and should be used to provide the basis for both performance and judging. Judging forms may be found on the IHSA website.

a. The judge's written evaluation should clearly identify the major strengths and weaknesses of the performance and specify the reasons for the ranking assigned.

b. Undue emphasis should not be placed on technical elements or judge's preferences, like or dislikes of literature. Acting should be of primary importance and within a supportive or unified concept.

B) Group Interpretation:

1) Definition: Group Interpretation is an event in which groups of three (3) or more students interpretively present literature.

2) Purpose: The purpose of Group Interpretation is to give students experience in the group performance of literature. The interrelatedness of the narrator(s), the movement of the literature, and character voices control the performance. Group Interpretation encourages students to create an ensemble performance which showcases their interpretive skills and group work without the aid of costumes, make-up, set or props. Successful Group Interp. performances should be based primarily on interpretation. Focus should be primarily off-stage, although mixed focus (a combination of off-stage and on-stage focus) is allowed.

3) Selection: The choice of a group interpretation to be presented for competitors shall be, but is not limited to prose, verse, drama, speeches, diaries, letters, essays, or compilations and original material.

4) Time Keeping:

a. Set-up/Strike: Groups will be allowed two (2) minutes to move the universal set pieces into the best set-up position behind the strike line or outside the performance box as determined by the contest management. The time limit for Group Interpretation Set-up & Strike is a total combined 5 minutes. For setup, once the director requests the clock to be stopped, it cannot be restarted. Group Interpretation takedown must be done in the remaining time not used in set-up. Any group exceeding this time limit shall automatically be dropped one (1) rank per judge per 30-seconds overtime. Any universal set pieces not being used by a performing school will be placed in a designated storage area after set-up timing is completed by combined host/performing personnel – this will not be counted on official set-up timing. The cast must enter the designated performance space after the production is announced and exit at the conclusion of the presentation. The entire cast (including musicians) must enter the designated performance space after the production is announced and exit at the end of the presentation.

b. Two (2) timers, using stopwatches, shall be required. No time signal shall be given by either timekeeper.

c. The director of each Group Interpretation shall describe to the timers and a representative of the Contest Manager, prior to the start of the performance, the precise moments of the initial cue and the final performance element. Timers shall use these suggestions as guidelines to start and stop watches. However, timing of the production will begin with the first performance element and conclude with the final performance element.

d. **The time limit for group Interpretation is 30 minutes. In Group Interpretation, if a timer's watch reads 30:30.00 or less, it is not considered a time violation. For each full 30 seconds of overtime, the contestants' ranking from each judge will be lowered by one ranking.** If both timers' watches confirm that a performance ran more than 30:30.01 minutes from the initial cue to the final performance element, the performance shall be penalized. **For example, at 30:30.01, a performance is lowered one ranking from each judge. At**

31:00.01, the performance would be lowered two rankings from each judge. This reduction is mandatory and will be administered by the contest management. The other performances' rankings will not be affected.

5) In the Sectional contests, Group Interpretation selections may be presented in a classroom or other appropriate performance spaces.

6) Standards for Excellence: The Standards of Excellence are indicated on the Judges Critique Sheets and should be used to provide the basis for both performance and judging. Judging forms may be found on the IHSA website.

a. Gesture and pantomime should be used as justified by interpretation of the text.

b. At the discretion of the performing group, the script may be used.

c. Focus should be primarily off-stage. **On-stage focus should be used sparingly and with purpose** although mixed focus (a combination of off-stage and on-stage focus) is allowed.

d. Uniformed dress is permitted. Costuming is not allowed. Clothing that delineates specific character(s) worn by an individual or the entire cast shall be considered costuming. All Group Interpretation performers must wear shoes.

e. Character makeup is prohibited.

f. Sound effects may be used, but music and or singing may be used only as background, to aid in transitions, or to establish mood. While a book from a musical may be used, the production's musical numbers may not be used to establish characters or to advance the plot. The lyrics, however, may be incorporated as spoken dialogue.

g. Standardized Group Interpretation pieces (boxes, platforms, ramps) shall be provided by the host and used by all competing schools. The performance space will be carpeted, or a temporary carpeted flooring will be in place (provided by host). Performers, including musicians, are prohibited from performing underneath set pieces. While set pieces may be moved to represent a new general location, they may not be arranged to suggest a specific location. (For example, boxes may not be piled on top of each, turned on their sides or held by actors to represent specific formations such as walls, columns, doorways, or specific large props such as a desk.) Smaller pieces may not be used as hand-props. **Performers are not allowed to stand on chairs or stools.** Performers may stand on safe boxes, platforms, ramps, risers and stairs.

Group Interpretation shall be performed in a 20' x 20' space. When performing, all standardized GI pieces used must be placed inside the 20' x 20' performance space. Performers and musicians may perform outside of that space without penalty.

h. Props shall be prohibited; creative use of scripts shall not be interpreted as use of props.

i. Undue emphasis should not be placed on technical elements or judges' preferences, likes or dislikes of literature.

C) Short Film:

1) Definition: Short Film is an event in which students create an original video. Short films may be narratives, documentaries, animations, or other works.

2) Purpose: The purpose of Short Film is to give students experience in producing, directing and acting while using an electronic medium.

3) Selection: Short Film shall be original in nature and may be a collaborative effort between students.

4) Time Keeping: The length of the performance is no longer than 5 minutes from opening title screen to final credits.

5) Standards for Excellence: Judging will be based on creativity, effective storyline, technical aspects, acting, artistic merit, and overall presentation.

6) Fee: Schools are allowed to enter 1 (one) short film and the event fee per school shall be \$25. The check should be made payable to the IHSA and mailed to the IHSA at 2715 McGraw Drive, Bloomington, IL 61704.

7) Awards: This event would not count towards team trophy award points. This event would be in a rating format.

D) Musical Theatre:

1) Definition: Musical Theatre is a theatre performance where individuals utilize music in the form of song and/or dance. Three to six students perform a 10-minute musical theatre cutting that includes a song(s), dancing and acting.

2) Purpose: The purpose of Musical Theatre is to encourage students to effectively develop performance skills using music and acting.

3) Musical Theatre performances can be from one show. An introduction may be included in the 10-minute time length.

4) Time Keeping: The length of the performance is no longer than 10 minutes from the first sound or movement to the holding of the final movement or sound.

5) Standards for Excellence: Judging will be based on effective acting and singing, and/or dancing techniques and on the ability of the group to convey material written for or adapted for presentation as a musical or musical cutting. Standards of excellence may include but not be limited to: Characterization – Defines and develops character, established mood and setting, demonstrated understanding and created character(s) physically, vocally and musically, believable and consistent; Vocal/Music Delivery – Volume, pitch, pronunciation and articulation, timing and pauses, and energy; Physical Delivery – Movement, blocking and/or dancing appropriate for character situation, use of acting area, and poise; ensemble Effect – Ensemble playing, scene achieves climax; General – Overall Effectiveness.

Drama Terms and Conditions Changes for 2023-24

*There are no changes in the Terms and Conditions
for the 2023-24 school year.*

Background Information Regarding IHSA Administration of the Drama State Series

Tournament Committees

Sectional

Under the provisions of the Drama terms and conditions, a Drama committee is to be appointed at each sectional contest. Sectional tournament committees consisting of three (3) coaches from three (3) different schools assigned to the contest, will be appointed by each contest manager. Individuals who would like to volunteer for committee appointment should call the manager and indicate willingness to serve.

Duties of these committees are outlined in the Drama terms and conditions VI. B. The primary purpose of each tournament committee is to: 1. Provide guidance to the local contest manager in the selection of judges; 2. Support the host manager with contest organization and administration; and 3. Aid the sectional manager(s) in resolving questions, conflicts and rules interpretation issues. It is essential that the committee be formed and meet prior to the selection/hiring of any judges. All committee members must have input into the judge selection process and must approve all hired judges.

State Final

The IHSA office appoints a state final manager and a state final committee. The state final committee will assist the IHSA/state final manager in the recommendation of hired judges and support the IHSA/state final manager in the organization and administration of the Drama state final tournament.

Judge Selection Process

Contact is made by the IHSA/IHSA representatives to persons selected as hired judges for the IHSA Drama state series. Hired judges for the IHSA Drama state final are recommended by the state final tournament committee in December. Efforts are made to have a pool of diverse judges that represent the various parts of the state. Effort is also made to avoid using an individual to judge the same event(s) in the state finals as he/she may have judged in a sectional. If you are interested in judging, please contact the IHSA.

Selection as Contest Hosts

Persons interested in hosting a regional or sectional contest need to complete the *Facilities Survey* and the *Host Availability Survey* in the IHSA Schools Center on the IHSA web site at www.ihsa.org. Interested host can also contact the IHSA office at 309-663-6377 / ccarr@ihsa.org.

EFFECTIVE JUDGING CRITIQUE

(To be distributed to all judges)

Judges must realize that the most important part of their assignments is not ranking contestants. Certainly giving ranks to performers is the ultimate product of a judge's effort; but making a positive contribution to enrich the student's educational experience through the written critique prepared for each performance is the most important part of the judging assignment. As a judge you are the "game official" and have control of the round of competition. Please consult the host manager if you have any questions.

To help judges write critiques which will, indeed, contribute to students' learning from their contest experiences, the following suggestions are offered:

1. Be certain to write legibly, using understandable terms. The best critique in the world will be ineffective if it can't be deciphered.
2. Be certain to use positive language in the critique. Describe weaknesses and deficiencies in words which do not incite negative reactions. Telling a student that "this was a terrible performance" does not help that student look positively for ways to improve.
3. Be certain to relate the performance to the competition. A very good performance may bring a rank of 4th or 5th in a round of other very good performances. Students need help, in words from their judges, to understand the competitive perspective to which they have submitted their work.
4. Be certain to identify key factors which could be worked on and which, if improved upon, would improve the overall effectiveness of the performance. Suggestions regarding how to improve are also appreciated.
5. Be certain to emphasize the "major reasons" for the ranking assigned to each performance. Students and coaches don't want vague, generalized or petty comments. Provide specific reasons for the outcome of a student's performance. Be direct, yet kind; you don't have time or space to elaborate.
6. Be certain to write the kind of critique you would want to receive. Never be satisfied with anything less.
7. Be aware that you may be ranking students with a variety of skill levels and backgrounds. Make sure your critique enriches the educational experience for the students.

Instructions for Contest Play and Group Interpretation Room Chairs and Timekeepers

A) GENERAL INSTRUCTIONS

The role of Timer and Room Chair is very important to the management of the tournament. Room Chairs and Timekeepers should secure from the local manager a copy of the current IHSAA Drama Terms and Conditions. Read, it carefully, paying particular attention to Article VIII.

B) ROOM CHAIRMEN

1) Directions

You should make a careful check to see that judges, timekeepers and performing schools are ready before starting a performance. Every effort should be made to start a performance on time, but be sure you do not start without the timekeeper or the judge(s). To permit a show to participate out of order you must have, and provide to the judge, written assurance that his appearance on the program has been approved by the local manager. Judges have no authority to allow a show to perform out of order without the written consent of the tournament manager. If the local manager has authorized any change in the printed program, be sure that the judge is informed of the change.

2) Prompt

An introductory prompt has been provided below for your use. Begin each round with a statement like the following:

“Good morning/Good afternoon. My name is _____ and I will be your room chair. Welcome to _____ H.S. for the I.H.S.A. Sectional/State competition. This contest will be conducted under the provisions of the Illinois High School Association. Please exemplify excellent audience skills and make sure all cell phones are turned off at this time. At this time I’d like to introduce (Name of High School) performing (Name of Show) directed by (Name of Director).”

C) TIMEKEEPERS

- 1) Timekeepers, be sure that you understand the nature of your job. (Time is VERY important. Any group that goes overtime, loses one ranking for every thirty seconds of overtime!) Two timers, using stopwatches shall be required. No time signals shall be given by either timekeeper.
- 2) Be prepared to accommodate whatever the director needs you to do. If they ask you to call out time on the minute during set up, do so. If they ask you what time you have at any point, tell them immediately. When they say “start”, start! When they say “stop”, stop!
- 3) You will be timing the set up for each performance, the actual performance, and the “strike” of the performance. You will write these times on the official time sheet provided. Perform your tasks in this order:
 - a. Time the set up and write it down.
 - b. Time the production itself and write the time down.
 - c. Time the strike of the set and write it down.
 - d. Add the times for setup and strike, and write down the total.
 - e. As soon as all performances are finished, deliver your time sheets to the tab room.

TIMING THE SET-UP/STRIKE

- 1) Be sure that the director and his/her crews are ready to begin. Let the director signal you to start. (You start as soon as the first set piece or person crosses the tape line, or as soon as the first light or sound crew is tried.)
- 2) Stop your watch as soon as all people have cleared the staging area within the tape lines, and as soon as sound and/or lights are off.
- 3) Write down the time on your timer’s sheet as it appears on your watch.
- 4) CLEAR YOUR WATCH BEFORE YOU BEGIN TO TIME THE PERFORMANCE.

TIMING THE PERFORMANCE

- 1) Be sure that you know the opening and closing moments of the show (from your earlier meeting with the Room Chair and Director).
- 2) Start your watch at that opening moment.
- 3) Stop your watch at the closing moment (or in contest play, when the stage returns to silence and the stage is black).
- 4) Record your time on the timer’s sheet.
- 5) CLEAR YOUR WATCH!

TENTATIVE BUDGET INFORMATION

Managers Please Note: An estimated budgeted expenses form is included in this information. Please fill in the tentative budget and **return for approval no later than March 1, 2024**, before your contest is held. Send one copy of the form to:

Carol Carr (ccarr@ihsa.org)
Illinois High School Association

Fax: 309-663-7479

The Illinois High School Association does not approve as expenses items which are of a permanent nature and may be retained for further use by the host school. The IHSA does not underwrite the cost of cafeteria personnel. If you are planning to have the school cafeteria open for meal service of any kind, it must be a self-supporting venture.

The IHSA does not approve as expenses the cost of hospitality areas. Should you desire to provide either of these, you the cost will be the responsibility of the host school.

Sites need to make every attempt possible to be fiscally responsible when running the tournament.

Sectional judges will be paid \$20 per play judged and \$15 per group interpretation performance judged, but will not be reimbursed for mileage, unless they drive in excess of 70 miles round trip. Those miles, in excess of 70, will be reimbursed at \$.30 per mile to the judge directly by the IHSA Office, providing the judge sends a completed copy of the enclosed judges mileage voucher to the IHSA.

If the IHSA does not contact you after March 1, 2024 then your tentative budget has been approved. If there are concerns the IHSA will contact the manager directly.

General Information

**IHSA Manual for
Schools & Managers**

School's Responsibility: Sportsmanship

School's Responsibility to an Official Prior To The Season

1. Send a reminder card or email to the officials after you have them scheduled.
2. Reminder should include date of contest, time, level, location and sport.
Even though many schools and conferences have assignment chairpersons, sending a reminder is highly recommended. When an official does not show, people in your community won't know who the assignment chairperson is, but they do know the athletic director. Avoid embarrassment.
3. Have a standard wage scale set for your different sports and levels and a method in place to raise the pay periodically.
4. If possible, let the working officials know who their partner(s) will be.
5. Hire police and security along with medical assistant or athletic trainer coverage for events whenever possible.
6. Set a policy with your school board on fan, coach and player behavior.
7. Make sure all officials have a contract that is signed by your school—preferably by the principal or IHSA Official Representative.

2. Give the official a number they can call in case of an emergency or postponement due to weather.
3. Have competent workers assigned at all contests (scorers, announcers, chain crew, etc.). These people are of great assistance to the official during the contest.
4. Have a host assigned to meet the officials as they arrive. The host should do the following for the officials:
 - a. Provide a reserved parking space.
 - b. Meet officials and take them to the dressing room.
 - c. Have refreshments available for halftime and postgame.
 - d. Ask for any additional needs.
 - e. Introduce the officials to those game workers pertinent to the contest (i.e., scorer, announcer, chain gang, etc.).
 - f. Get the proper pronunciation of officials' names so they are correct when given by the public address announcer.
5. Athletic director should discuss with the officials any special events, conference rules, national anthem time, etc. that would affect the game.
6. Provide the officials with the name of the adult supervisor for that contest and where that person can be found in the event a challenging situation should occur.
7. Make officials aware of location of an athletic trainer or other first responders during the contest. Have a doctor on site when possible (especially at football contests).

9. Do a check on game scoreboards and lighting systems prior to the game or contest.
10. Make sure the playing area is properly marked and meets National Federation guidelines for that contest.
11. Provide appropriate secured dressing area and hot water showering facilities.

2. Have your public address announcer or cheerleader read the IHSA sportsmanship statement and remain unbiased during contest.
3. Make sure the event supervisor understands the duties and responsibilities pertinent to that contest.
4. Make sure the playing area is maintained during halftime of each contest. For wrestling, make sure the mat is properly cleaned and washed.
5. Help with adverse weather conditions; monitor accordingly.
6. Make sure proper crowd control is visible and in place. Good administrative control can prevent difficult situations.
7. Observe the crowd during the contest and prevent any disturbances that may occur.

9. Retrieve the game ball at the end of the contest.
10. Escort the officials back to the dressing room at halftime and at the conclusion of the contest.

1. Escort the officials safely back to the dressing room and parking lot.
2. Do not allow unauthorized persons in the dressing room after the game. This includes coaches.
3. Have refreshments available for the officials after the contest.

Emergency Action Plan (EAP)

In accordance with By-law 2.150, a school shall have on file for each student that participates (including practice) in interscholastic athletics a certificate of physical fitness issued by a licensed physician, physician's assistant or nurse practitioner as set forth in the Illinois State Statutes not more than 395 days preceding any date of participation in any such practice, contest or activity. As this By-law addresses pre-participation certification only, there is not a guideline or By-law in place to address release to interscholastic activity following an injury, with the exception of head injury/concussion. With the understanding that schools throughout the state have different needs and services available to them, this document was produced to provide guidelines on an athlete's return to activity following an injury.

Each school should have a written Emergency Action Plan (EAP) in place to address medical emergencies among athletes, staff, officials, and spectators, regardless of severity, occurring during a practice or competition. The plan should also address severe weather, fire, electrical failure, bomb threat, criminal behavior, or other possible emergencies. This plan should be developed to address the unique needs of the individual sport and venue.

EAP's should consist of the following components:

- Personnel
- Communication
- Equipment
- Emergency Medical Care
- Player Medical Information
- Game-day Responsibilities (includes appropriate sideline preparedness)
- Catastrophic Incident Plan

While each school's sports medicine/medical service needs and availability are different, guidelines should also be developed to assist the coaching staff on what injuries should be allowed to return to competition without a medical release. It is not practical to identify every situation or injury; however the following guidelines should assist the school/coaching staff on determining if the athlete should be allowed to return to activity without a release.

1. No swelling or deformity.
2. No headache, nausea, blurred vision, tingling, numbness or sensory changes.
3. Symmetrical (equal to the other side) joint range on motion and strength.
4. Ability to bear weight, without a limp, if injury occurs to the lower body.
5. Ability to complete full functional sporting activities without compensation.

Please remember that the majority of high school athletes are a minor. If there is a question as to their injury and ability to participate, the parents/guardian should be consulted.

Athletes that are unable to meet the above criteria should be encouraged to seek medical treatment prior to return to inter-scholastic activity. Those athletes that seek medical treatment should be required to provide a written medical release indicating their ability to participate. Without obtaining this release, the school may assume legal liability if the athlete is allowed to participate in activities not permitted by their medical provider.

A proper plan establishes accountability, should be comprehensive, yet flexible, practical, and easily understood. The written EAP must be revised, approved, distributed, and should be rehearsed regularly prior to every athletic season. The athletic department, administration, and sports medicine team share the responsibility to establish, practice, and execute the EAP.

A sample venue-specific is included as a part of this document, which was developed from portions of the third and fourth editions of National Federation of State High School Associations Sports Medicine Handbook.
