

Alternate Home Uniform Request

If there is one special basketball night designated (e.g. "Pink Out") during the regular season in which the assigned home uniform will not be worn, the home school must email (Girls) Beth Sauser (bsauser@ihsa.org) or (Boys) Chris Schwarz (cschwarz@ihsa.org) at least two weeks in advance of the event to request a modification. The request must include the contest date, description of the event, and identify the opponent. The visiting team must wear their white, home uniforms, and the officials must be notified of the uniform modification prior to the contest.

The Basketball administrator will email you a letter of approval to wear an alternate uniform for this event. A copy of this correspondence must be available on the night of the game to present to the officials before taking the floor.
