# SOCIAL MEDIA TEMPLATES

We've created a series of customizable social media templates for you to use when promoting the **#BenchBadBehavior** campaign. If you haven't already, create a free Canva account to immediately access these marketing resources.

Once you've logged into your account, click the links below to access your templates, which have been sized for Facebook, X and Instagram. Then, reference the next page of this document for tips on how to customize the templates with your school or organization's colors, logo, images and more!
