DIRECTIONS & RULES

You are a staff member of Abraham High School's The Standard (Middleland, Ill.). Your editor has assigned you to cover the 2022 IHSA Girls Lacrosse State Finals at Hinsdale Central High School in Hinsdale, Illinois, on June 4, 2022.

You are to write a story based on the results of the IHSA Girls Lacrosse State Championship game between Hinsdale Central High School (Hinsdale, Ill.) and New Trier High School (Winnetka, Ill.). You will start by viewing film from the game. The film will begin at the start of overtime. The score is tied 11-11.

The ensuing prompt pages contain a number of quotes from players and coaches from both teams that can be included in your game story. Final game stats, play-by-play, and team information are provided on the subsequent pages.

In addition to a well-written and organized article, judges will be looking for the use of an interesting lead that pulls the reader into the story, accurate details about the information given, and proper style and mechanics. At the top of your document, type "School Code: ####" with your individualized code numbers. Type the final word count at the bottom of the story before turning it in. The word limit will be 400 words. You are permitted to use an AP Stylebook and dictionaries. Type the final word count at the bottom of the story before turning it in.

Start Time: 11:30 AM

Work must be submitted to Google Drive by: 1:00 PM

QUOTES

New Trier head coach Pete Collins: “Pure heart! What else can I say? These girls were up against it and they found a way to battle by taking it possession by possession, draw by draw, goal by goal, stop by stop. It was just a gusty effort and an incredible game between two amazing teams. Brooke winning the faceoff in overtime was obviously huge. The faceoff winner usually wins the match, that’s just how this sport goes statistically. I told the girls to be patient and wait for the opportunity. We didn’t run anything special in overtime, just our normal offense. Brooke picked her spot and found Grace with a great pass, and Grace put on the spin-o-rama and put the ball in the net. Our offensive balance was huge today. We have a lot of girls who can score, but to score 12 goals and have seven different players find the back of the net is pretty remarkable. When a defense can’t just focus on stopping on one or two players, it makes you tough to stop. We didn’t get enough shots on goal in the first half, but we started winning draws in the second half and that sparked us offensively. That run of five straight goals when we were down 10-6 is something I will never forget. Gutsy kids just stepping up and making plays, that’s all that was. Our upperclassmen willed us to victory.”

Hinsdale Central Matt McNiff: “It was certainly worthy of a state championship. I am sick for my girls right now, but once the sting goes away, they are going to realize how proud they should be. They accomplished so much and I am proud to be their coach. We know New Trier and they know us. I don’t think either team adjusted all that much in the second half. I think we executed better than they did in the first half and they did the same in the second half and we ended up dead even. You kind of had the feeling that whoever won that draw in OT was probably going to end the game on that first possession. How good was Makenna for us between the pipes? I thought she kept us in the games with a few of her stops.”

New Trier’s Grace Curry: “Brooke found me and the defender overplayed the pass. I could feel her coming over the top of me to try and make the steal, so once I secured the ball, I was able to spin backward. The defender went by me and I had a clear path to put the ball on net. I was falling down, but had plenty of time to get a clean shot off and I knew it was going to take a great save to keep that ball out of the back of the net. I am so proud of this group of girls. They just know how to win. We’ve won in blowouts, we’ve won close games, we’ve led all the way, and we’ve come from behind. You can’t ever count us out.”

New Trier’s Brooke Ross: “I knew it was crunch time after they went up 10-6. Kennedy won the draw and I was able to control it and I just wasn’t going to be stopped. I got a nice run in and decided to let it fly from the right wing and was able to beat their keeper. I thought it gave us some energy and a little bit of momentum back. Then Addie scored and we knew the comeback was on.”

New Trier’s Kate Keller: I gave up a few goals too easily, but I just tried to stay with it and be ready. The girls in front of me played awesome. I didn’t see that many shots, and should have stopped more, but the ones I did stop ended up being pretty big.”

Hinsdale Central’s Annette Ciupek: “They are a great team, but so are we. We got down early and then led most of the way. My teammates did a great job of setting me up and I was able to get a few big goals for us. They are probably the best defensive team we played this year, so to score 11 goals says something about our team.”

Hinsdale Central’s Ariana Tavoso: “I scored off a set play where everyone executed perfectly, so it came pretty easily. I thought when we got it to 10-6 that we had it. We didn’t let up, but neither did they and they just played really well down the stretch. Credit to New Trier, they earned it.”
