

The IHSA governs the equitable participation in interscholastic athletics and activities that enrich the educational experience.

Dear Principal, Athletic Administrator and Activity Director:

The Student Advisory Committee members have organized a Leadership Conference to bring students together from across the state to promote the sportsmanship and integrity ideals of the IHSA.

We would like each IHSA member school to select 2 student leaders to attend the July 21 Leadership Conference at Bloomington Central Catholic High School. The conference will discuss important leadership topics affecting high school students today. Each school can also select up to 3 alternates that will be contacted to attend if space is available. Adults wishing to attend should also submit their contact information.
