a. Round 1 through Finals: Two points shall be awarded for each round in both singles and doubles, except that the winners of the third place matches shall be awarded one team point.  
e. A bye shall be counted as a win, and the proper number of points will be awarded to the player(s) that receive(s) a bye provided the player(s) win(s) the next match following the bye.

C) Sectional Team Ties: If teams are tied for first place at a sectional tournament, the following procedure shall be followed to break the tie and determine the sectional winner:

1. The team with the greatest number of qualifiers shall be the winner. Each individual singles player shall be defined as one qualifier and each two-player doubles team shall be defined as one qualifier;
2. If still tied, the team with the most sectional champions shall win;
3. If still tied, records of tied teams shall be compared based on matches won per round, beginning with the semifinals and going in reverse with the team first discovered to have had the best record at a given round of those teams tied being the winner;
4. If still tied, the team with the best composite match records in direct competition at the sectional with members of other tied teams shall win;
5. If still tied, the team winning the greatest percentage of games in the sectional, exclusive of games against its own team members, shall win;
6. If still tied, the team whose members won the greatest percentage of games played by its members in the sectional shall win.
