

**ADVISORY COMMITTEE CONSENT ITEMS  
October 19, 2020 Board Meeting**

**GIRLS BADMINTON**

No Terms and Conditions Recommendations

**Administrative Recommendation:**

1. **Recommendation:** Add Casebook IV. The Serve:

Q 15: what is the suggested procedure if a player is called on an illegal serve

A 15: 1) Player(s) notify opponent that serve is illegal – this is the servers warning.

2) If illegal serve continues, player(s) sit down and coaches come over to evaluate the serve. Coaches and players determine if a neutral service judge is needed for the remainder of the game/match. The service judges will then determine if the serve is illegal and if points need to be awarded to the opponent.

**Rationale:** The Committee felt that this Q and A would provide some further instruction to coaches/ tournament managers on the procedure to handle an illegal serve question.
