

2022-23 IHSA Boys Bowling State Finals

On behalf of the Illinois High School Association Board of Directors, the Bowling Advisory Committee, and our member schools, it is my pleasure to congratulate you for qualifying for the 2023 IHSA Boys Bowling State Finals. It is our hope that you are able to enjoy the tournament and we appreciate all of the work that you have put forth to be here today. No other state in the country conducts interscholastic competition for schools like we do here in Illinois, and we are thrilled that you are able to be a part of the opportunity.

A special welcome and congratulations are extended to all the participants of this year's state tournament. You should be commended for your hard work, practice and dedication which have enabled you and your school to achieve success. I also want to welcome and congratulate the coaches of all of our competing schools who have trained and prepared these students to reach this level of performance. Here students have a chance to demonstrate the fruits of their hard work and dedication. As a participant you proudly represent your families, schools and communities in a very visible forum. Thank you for exhibiting what is best in the youth of our society.

The IHSA believes that interscholastic activities enrich the educational experience. Regardless of the outcome of events we ask that you do your best, strive to display the good sportsmanship and embrace all that can be learned through this state tournament opportunity.

You should be able to find in this communication the information necessary to make your trip to State as smooth as possible. Feel free to call our office if you have any questions. Thank you for your support of IHSA and for being a part of the IHSA state experience.

Sincerely,

Stacey Lambert

2022-23 IHSA Boys Bowling State Finals

Coaches,

In reference to IHSA By-Law 2.070:

When student-athletes, representing their schools as a member of a bowling team or as an individual entry, participate in the practice round on Thursday, January 26th, this is an official practice for the school. Therefore, only certified, school approved coaches who have passed the PES exam, the Concussion exam, the HSHP video, and meet all IHSA by-law requirements are allowed to coach the student-athletes. This prohibits parents, private coaches, alumni, etc. who do not meet these requirements from coaching during the official practice round (or any practice round that is an official school practice).

Student-athletes must have their certified, approved coach present in order to begin their practice round on Thursday, January 26th.

Furthermore, during the competition round only certified, school approved coaches who have passed the PES exam and the Concussion exam and meet all IHSA by-law requirements are allowed to coach student-athletes. Again parents, private coaches, alumni, etc. who do not meet these requirements should not be coaching during the official rounds of the state series or any official competition the student-athletes are competing in representing their member school.

Thank you for your cooperation and adherence to this IHSA By-Law.

Important Pass Information:

Coaches:

Congratulations and welcome to the 2023 IHSA Bowling State Finals. This is a reminder that per our Terms and Conditions, teams can get a maximum of 8 wristbands for participants and 3 passes for qualifying coaches whose names are listed on the List of Participants; while individuals will get 1 wristband per participant and a max of 2 passes for qualifying coaches whose names are listed on the List of Participants. These must be securely worn by both coaches and participants at all times when entering and in the facility.

In the past the coach's pit pass has been in this packet, coaches will now receive their pit passes at the Coaches meeting on Friday. The pit passes are just that, passes for the pit area, they do not gain you entrance to the facility, only your wrist band will do that.

After we have the results from Friday and have made the cut, please remember to pick up your new wrist bands for Saturday. Only those teams and coaches with the proper colored wrist band for Saturday can enter the pass gate. If you are eliminated after Friday your wrist band will gain you entrance at the general admission gates, they must be worn on your wrist to gain entrance.

Students competing in the Wheelchair Class will be able to pick up their packets at any time over the course of the weekend. They will need their wristband on their person in order to gain access to the facility on Friday or participate in competition on Saturday. Coaches for the Wheelchair Class will receive their pit pass at the Coaches Meeting on Saturday morning.

If you have any questions at any time, please let us know.

Thank you for your cooperation,
