Visitor Lot

Best option is the Visitor Lot at the Bone Student Center. 397 W. Locust St. Normal IL.

Friday: Open 7:00 a.m.-5:30 p.m. on Friday, and the charge is \$1/hr.

Saturday: Open 9:00 a.m.-5:00 p.m., and the charge is \$1/hr.

- If you leave after the lot closes there is no charge (you don't have to pay if the gates are up).
- This will be the only option on Friday.

Saturday

For teams who would like to park close to their competition building on Saturday, the spaces at the red and green lots are free and open all day.

Meters, handicapped spaces, anything marked with a red reserved sign or a brown reserved sign (loading, business and service spaces) are enforced 24/7 and they will not waive tickets.

We recommend lot F64 (corner of College and University) for access to Schroeder Hall and G34 and F24 (on S. University St) for access to State Farm Hall of Business and Stevenson, but any green G lot or red F lot is available on Saturday.

Buses will have to unload on University St by the Student Center and park over by the Stadium.
