Monday, June 24, 2024

Greetings and welcome to the 2024 - 25 school year! I hope your summer has been enjoyable. My name is Kurt Gibson, I oversee the IHSA Officials Department. Please know how much our office and membership appreciates the commitment you are making to high school students in Illinois this year. Without your commitment and efforts, hundreds of thousands of students would not be able to participate in interscholastic sports. For the 2023 – 24 school year, our office saw a nearly 7% increase in the number of individuals licensed as sport officials, and we look forward to seeing another increase for 2024 – 25 school year.

Included in this document is a list, by sport, of important dates for officials. I would encourage you to become familiar with those in sports you are licensed.

## Here are some important dates:

- **May 1 – May 31, 2024: Open Early Bird Registration- for all sports for the 2024 -25 school year**
- **May 31, 2024: last date for Early Bird Registration for 2024 – 25 school year**
- **June 1 - July 31, 2024: Renewal and licensing period regular fees for all sports.**
- **August 1, 2024: late renewal and licensing period for fall sport officials.**
- **October 1, 2024: late renewal and licensing period for winter sport officials.**
- **February 1, 2025: late renewal and licensing period for spring sport officials**
- **April 15, 2025: last day for new/first time official to license in all sports**
- **April 15-30, 2025: no official applications and/or dues will be accepted**

The IHSA Officials Center is the location for all information for officials. Updates, notes, reminders, etc. will be posted there. Hard mailings or other reminders are not the modes for sharing information. Rule books will be mailed when the sport is eligible for rule books, and a list for the years when sports are eligible can be found in the **Officials Handbook**. As a result, it's important for you to take responsibility to stay current with developments by checking your personal site in the IHSA Officials Center on a regular basis.

The IHSA Officials Center is also the location to keep your personal data up to date. Please make sure your email on file with our office is correct. That is the address we will use for any communications that do go out to specific individuals or groups.

Thanks again for your service to IHSA member school. If you have any questions, feel free to contact me at the IHSA Office.

Sincerely,

Kurt J. Gibson  
Associate Executive Director, IHSA
